Amid a glorious sunshiny day and a panorama of 4,000 howling spectators the Baltimore Black Sox and the Harrisburg Giants auspiciously opened the Eastern League here Sunday by splitting a doubleheader, the locals taking the first game 10 to 8, which sent "Ping" Gardner to the showers, while Charleston's homerun in right-field stand gave the visitors the second encounter 6 to 5.

tators the Baltimore Black So

William Curran, Democratic Mayoralty candidate walked into the pitcher's box, accompanied by Thomas R. Smith, and tossed in the first ball to start the game at 2:15.

"Parson" McClure drew the pitcher's assignment for the Sox while Manager Beckwith sent the veteran "Ping" Garden to the fore.

Home Runs Plentiful

Home runs were plentiful at Westport during the two encounters. In the first game "Heavy" Johnson, former Black Sox outfielder, now with the Giants, proved to the fans that he has not lost his batting eye by slamming a four base clout over rightfield fence in the ninth off Strong, scoring a man ahead of him. Holloway elated the fans by hitting into rightfield stand for a circuit clout.

The others to make four basers were Beckwith, who opened the second contest with a high one over leftfield fence off Force, with Day on base. Charleston duplicated Holloway's feat by hitting into the stand and Eggleston who pasted one over left center fence in the fourth inning with Taylor on base.

Game Slow

For a baseball game the first contest was slow, requiring two hours and 45 minutes.

To start, Day doubled to centerfield. Beckwith lined over second and as Washington let the ball get away from him, Day scored. The stands went wild as "Home-run Charleston and "Heavy Johnson" struck out to close the side out.

Sox Rally

The Sox, not to be outdone at all by the visitors, slammed Gardner from the start and when the frame closed, had put over runs. P. Johnson hit a high one to Scott in leftfield who had rubber in his glove and dropped it. Holloway beat out a bunt and Johnson advanced to third. Jackson hit a long fly to left and Johnson scored on the throw in. Wilson singled to center to put Holloway on third. Taylor attempted to bunt on the throw to second to catch Wilson, Holloway scored. Taylor lined a pretty one down first base line which went for a triple and "Babe" came in with the third run. Taylor crossed the plate for the final score in this frame when Eggleston went out to first on an infield hit.

From then on the Sox had very little trouble with the Giants, altho they staged an occasional rally which left victory in doubt even until the last man was out. The Giants scored in the second on a double by Cannady followed by a single to right by Perez. Then in the third, Day eased a Texas leaguer over short, Beckwith doubled to leftfield fence to score the former, while the latter came home on a 2 base blow to right by Johnson.

Showers For McClure And Gardner

"Parson" McClure was chased to the showers in the fifth after he walked Beckwith and Charleston. Strong took up the burden and forced Cannady to hit into a double play after Cannady had filed out. In this same frame Manager Beckwith decided that Gardner had just about done his best and sent him to the bench for Cooper. Cooper was helped through the sixth on a double-play which broke a near rally, and did not return to start the seventh. Carter hurled the last two frames in good form, Holloway's home-run being the only score made.

Second Game Not Protested

The second game which resulted in a fast pitching contest between Carter and "Bill" Force, would have been protested by Manager Beckwith, following a close decision at first base by Umpire Cromwell, had the Sox won it. It was in the fifth inning. P. Johnson laid down a slow hit along first base line. Perez came in for it and Day covered first. Johnson made a fadeway slide into the bag just as the ball reached Day and the Umpire called him safe. Beckwith held up the game for a protest and after the Giants won anyway, he dropped the matter.

Cockrell batted for Yancey in the 9th inning. Sacrifice hits—G. Johnson, Lloyd and Lewis. Stolen bases—Young, Scales, G. Johnson and Rojo. Double plays—Fial to Lloyd to Harris. Two base hits—Rector 2, Thomas 2, Warfield 2, J. Johnson 2, Winters and Mason. Home runs—Rojo and Lloyd. Umpires—Lefkowitz at Plate, Berry on bases.

NEW YORK, N. Y.—The Lincoln Giants began their fifth season in the Eastern Colored League, Sunday, by winning both games of a doubleheader, 7 to 6 and 6 to 5, from Hilldale, before a crowd of more than 5,000 fans.

In the first game there were ten two-base hits and two home-runs, the home-runs being made by Manager John Henry Lloyd and Rojo, catcher for the Lincolns. The second game had almost as many hits as the first and one home-run, Mason being responsible for the circuit clout.

In each contest Hilldale rallied in the last inning and all but tied the score. Manager Frank Warfield, Judy Johnson and Clint Thomas made doubles in the last inning and these, with a single by Washington, were responsible for three runs. Two runs were scored in the last inning of the second game by Hilldale when Briggs, Carr and Yancey singled and Washington made a double.

"Nip" Winters was on the mound for the Darbyites during the first game and was given a severe pasting, although it was apparent he was somewhat off his form. He allowed eight bases on balls. Rector, the opposing pitcher, was also hit hard but received excellent support. In the second game Cockrell and Gisentaner were the opposing pitchers.

George Scales had to quit the first game after five innings because of an injured knee received while sliding to second. And in the second game Clint Thomas received a possible fractured rib when he ran into George Fial at third base. Both players will probably be unable to play again for two weeks.

SOX DROP TWO PLAYERS

With the release this week of Petrie and Bailey, third baseman and pitcher, respectively, who came up for a tryout with the Sox from Winston-Salem, N. C. and the return of Yokeley, collegiate twirler of Livingstone College, Manager Ben Taylor and his Eastern Leaguers will go out to cop their second and third game when they entertain the Hilldale Club here at Westport, Sunday.

Manager Taylor says there will be no shifting of the infield or outer garden and that he expects the club to hit on its all fours against Billy Warfield and the Darbyites.

Norman Bowers, lefthand flinger who started the season with the Sox last year, will be back again this season and will probably make the grade. He is now in school in Virginia.

An exhibition contest with some local white club will be played Saturday by the locals at Westport Park.

Rice Bakery To Play Bethlehem

The Rice Bakery nine, white, will meet the Bethlehem Steel Black Sox, semi-pro champions in a twin bill, Sunday, May 18th, at Brehm's Oval, Brehm's and Loney's Lanes. First game to start promptly at 1:45 p. m.

Community 10; Armstrong, 4

WASHINGTON.—Sam Lacey, the local no hit and no run artist of the Community A. C. Tossers went to the rescue of Covington in the third inning Thursday in the game with Armstrong High School and curbed a rally which resulted in his team winning the contest 10 to 4. In the sixth inning Tech's infield went to the pieces and the winner counted six tallies.

Claflin Wins Three

COLUMBIA, S. C.—Claflin University runner up in the Carolina State baseball conference added three more victories to its credit here this week by downing Voorhees Wednesday 6 to 2; Allen Thursday, 2 to 1, and Benedict Friday 16 to 9. Levey slow ball artist of the Columbia Tossers won the first and third contests.

In Baseball

The Black Sox looked like flaming gold when they made their first appearance on the field, Sunday in new uniforms. Evidently the finance of Wales gave them some instructions on how to dress.

"Connie" Day, former Sox second sacker, received a rousing ovation from the crowd when he came out of the dug-out with his cap bill turned up as he usually wears it.

To appease the fans 'Heavy' Johnson, another cast-off now with the Giants, lifted one over centerfield during batting practice.

There was something nifty about the chamois waistcoats of olive drab worn by the Giants. They are the first aggregation to appear so strikingly garbed.

Evidently Mayor Curran has not played ball recently. On his toss-in to start the game the ball fell halfway between the plate and the pitcher's box. Tom Smith merely smiled.

"Parson" McClure had his speed ball slants working fine in the first inning to whiff Charleston and "Heavy" Johnson.

Beckwith's home run in the second game was a thriller. The ball rose to a height where it was lost in the clouds and evidently fell in the Patapsco River.

From the way things looked Sunday the locals are in for a fine season. The fast infield the Sox are said to have is not a myth but a reality. Two double plays which were executed in a nifty manner Sunday show that Ben Taylor is not slowing up on the diamond by a long shot.

The rightfield stand was pretty well filled with ladies. If they keep coming out, the Sox will cop.

YOKELEY DRIVEN TO THE SHOWERS

GREENSBORO, N. C.—A. and T. College closed its home baseball series here last week, by downing Livingstone College, 11 to 2, when Yokeley, star hurler of the Baltimore Black Sox, Eastern Leaguers, was knocked out in the first inning. Tuesday, and on Wednesday, Va. Seminary was defeated in a thrilling 12 inning contest, 6 to 3.

Yokeley proved no bug-bear for the locals and he was sent to the showers after five runs and as many hits were made off his offerings in the opening frame. Reid on the hill for the Bulldogs was invincible.

Bacharachs Win Two

NEWARK, N. J.—Before 3,200 persons with band playing, the Cuban Stars opened their Eastern League season with a double loss to the Bacharach, 3-2, and 7-4.

Tigers And Royals Split

The Piedmont Tigers and Royals split a twin bill Sunday, the former winning the first encounter, 7 to 6, and the latter copped the second contest, 8 to 1. The pitching of Whitby for the Tigers in the first game and the similar performance of Sharp for the Royals in the second contest, featured.

Ala. State Takes 4th

OUR ATHLETES HAVE OFF YEAR AT PENN

Hampton Only School To Win A First Place At Relay Games

HOWARD TEAM BEATEN BY OVER TWENTY YDS.

Cooke Shines For Syracuse; Lincoln Second In Heat To Villanova

PHILADELPHIA. — The 39th annual Penn Relays, at Franklin Field, Friday and Saturday, were for the first time within the last decade minus a Hubbard, West, or Gourdin.

Seemingly this year was an off one for colored teams entered and even those representing the Eastern colleges. Aside from Cecil Cooke, anchor man on the relay team of Syracuse University, nothing spectacular was done by any of our athletes.

Hampton Institute, who won the one mile normal school relay championship and the Manassas Industrial school tour who set the fastest running time of the day to cop heat number 12 in the high school relays were the only two schools to win first honors.

Lincoln ran a close second to Villanova in the first college mile relay, while Howard University finished third in heat number five which was won by Bates College.

The Seasiders' four, composed of Snowden, Gray, Clark and Baldwin; Manassas—Woodson, Murray, Henderson and Thomas.

Cooke Shines

Syracuse's great mile relay combination of which Cooke is a member dethroned Georgetown University of Washington, as mile relay kings in a hard fought race, Saturday, in a track ankle deep in mud and water. Holy Cross and Georgetown kept alternating with the New Yorkers for the lead in the competition. Cooke the 440 yard national champion a yard lead at the end of the third quarter, but Jim Burgess, fleet footer of Georgetown, drew abreast of him at the turn into the home stretch. When Cooke saw his rivals closing in he opened up a notch and finished with a three yard lead for the fast time of 3 minutes and 23 3-5 seconds the fastest time turned in for the mile in the two days.

Howard Starts Poorly

Langston, the lead-off man for the Bisons relay four got off to a bad start which his teammates could never gain back and were beaten by 20 yards by Bates and Rutgers, in the college mile relay which the former Maine school won. The other three runners on the Howard team were Bridges, Thorne and Hill.

Dr. E. B. Henderson, director of athletics in D. C. schools, said of the games:

"It would be a lesson worth while if the leaders in the various segregated fields of endeavor would get out from in and with colored people solely sometimes, and attend those big athletic gatherings where we and Gentile, white, black, yellow and red young men compete. In the big rain soaked Franklin Field all races mingled in dressing room, in the stands and shoulder to shoulder on the cinder path.

"No friction was encountered other than in the struggle to excel. Cheers were lustily given for the black boy from Syracuse or for the white boy from Georgia or Alabama when skill or gameness warranted it.

Cooke Big Gun

Cecil Cooke was the big gun of the day. Having won the Inter-collegiate 440 last year he is a marked man during his athletic career. Hampton Institute running in the relays for the first time, landed the American championship for Normal schools. Howard and Lincoln Universities did well but were able only to place. Neither team will be able to do its best until this C. I. A. A. deadlock ends. Then frequent competition will help develop the best we have.

Fast Time For Manassas

The striking thing of the day was the splendid exhibition of the Manassas team which won its high school class relay in the fastest time run by any high school of the hundreds entered representing the big schools of the cities and towns of the East. Since Teddy Chambers has been teaching and coaching the Northern Virginia school his athletes have brought undying fame to the institution. Colored boys were running on many of the high school and college teams and invariably they did well.

The members of the winning Hampton team received gold wrist watches and the Franklin Medal, on which is the figure of Benjamin Franklin and four athletes, each representing a different type. On the ground above are the words, "Relay Carnival, founded in 1895" and beneath the figures, the words, "University of Pennsylvania."

Yokeley Loses Third

RALEIGH, N. C. — Yokeley, the mainstay of the Livingstone College tossers and a Baltimore Black Sox hurler, lost his third start in a week when the Shaw Bears got to his slants Friday, and chalked up a 14-6 victory. Yokeley could not find the plate, nearly every batter facing him received three balls. In the eighth inning, with darkness hovering over the diamond, the Salisbury twirler walked four men and Umpire Jones called the game on account of darkness.

Silver Moon Beats Chieftains

The Silver Moon A. C. barely nosed out the Chieftain A. C. at Druid Hill Park, Sunday, 9 to 8. N. Williams pitched well until the ninth inning for the winner when a belated rally of the loser put over three runs and a one tally margin. In the last half the Moons eased over two runs to win the game. Smith two doubles and Bass, with a triple, were the featured stickmen of the game.

No Baseball At Douglass

Coach Gibson's yearlings who showed so well on the baseball court this season will not get out for track or baseball this year. Crowded conditions in the classes of physical education which require more of the coach's time is said to be the reason for a let-up this year. Only inter-class events will be scheduled.

SUGGS LOSES TO BENNY BASS

PHILADELPHIA.—"Chick" Suggs, the New England States bantamweight champion of New Bedford, Mass., lost a hard fought ten round bout to Benny Bass at the arena here Monday night.

Bass was slight master of the situation thruout the fight. In the fourth round he floored Suggs twice for a count of nine and at that time it appeared certain that he would win by a knockout, but the bell saved the New Englander.

For the balance of the fight Suggs tried hard to comeback, and in the closing rounds was going strong.

MT. WINANS WINS DOUBLE BILL

In two close and very exciting games, Mt. Winans downed the Baltimore Giants, Sunday, 2 to 1, and 1 to 0. Burley outpitched Suter of the Giants in the first contest, and the latter tried an iron man stunt by opening the second game, and was relieved by W. Johnson after the winners started a rally which netted them the only tally of the contest.

On Saturday the Giants defeated the Canton Ovals, white, 2 to 1.

Manager Taylor, of the Giants, announces that the club would like to get in touch with two good hurlers. Call Madison 7558-J.

Mt. Winans would like to hear from any strong uniformed team for games. Write Geo. Bailey, Mgr., Mt. Winans, Md., or call Gilmor 4995.

STIGALL CAN ONLY MAKE 145 POUNDS

DAYTON, OHIO.—(By wire to the AFRO)—"Art" Stigall, the Maryland "Bearcat" and welterweight champion of the country among the colored pugilists, says he will fight Benny Ponteau, the Chester, Pa., mauler of Jack Farrell's clan or any other contender who can make 145 pounds.

Stigall knocked out Kid Williams, southern champion at Brunswick, Ga. Ponteau since his victory over Young Harry Wills of Baltimore has slowly been regaining prominence in the fistic world. He was formerly a member of the U. S. Olympic boxing team.

Jack Farrell, manager of Ponteau in a telegram to the AFRO last week said Ponteau would fight Stigall if he makes 140 pounds, winner take all, at Baltimore or Chester, Pa.

Moore And Edwards Win In N. Y. Meet

NEW YORK—Gus Moore, St. Bonaventure College, won the two mile event and B. Blanchard, copped the 70 yard dash from a field of experienced runners at the first annual indoor track and field meet held by the 369th Infantry National Guards here last Friday night.

In the two mile event Moore beat out Willis Goodwin, white of the New York Athletic Club who was scratched. His time was 9. 1-5. Blanchard, a Textile High School athlete had among his competitors, Randy Taylor, Tufts College sprint artist and Vincent Ottley of St. Bonaventure College. His time was 7 3-5 seconds.

MAJOR WINS

Charles Major of St. Bonaventure College won the high jump event with a leap of 6 feet and 4 inches, one and 5-8 inches lower than his best record.

Lincoln University and Bordentown Industrial School who had teams entered failed to come thru. The Lions ran fourth in the mile relay, while the prep lads were not even placed in the scholastic mile event.

Penna. Eagles Take Two

The Pennsylvania Eagles took both ends of a double bill from the Rex A. C., Sunday, at Goose Hill, 7 to 1, and 6 to 4. Day and pride on the mound for the winners were in superb form, and had little trouble in downing the strong Rex crew.

Next Sunday the Eagles will meet the McHenry A. C. nine, at Goose Hill. Any strong semi-pro aggregations desiring to book games with the above club, write Eugene Harris, 1611 Laurens street.

Shaw, 10; Dunbar, 6

WASHINGTON.—The Dunbar High School aggregation handicapped by sloppy fielding and slow base running were nosed out Monday by the fast Shaw Junior High School clan 10 to 6. The inability to hit Beverly when hits meant runs also helped the Juniors to get away to victory.

TUSKEGEE REL'YS ON SATURDAY

TUSKEGEE, ALA.—M. Dixon, formerly of Springfield and now a student at Talladega College and Stevenson are expected to offer the surprises at the first annual relays to be held at the Institute, Saturday, May 7.

There are three relays on the program including the one-half mile event for which the Chicago-Tuskegee association is giving an engraved cup.

The special events will bring together some leading performers. In the one hundred yard dash, Dixon, who has done the hundred in 10 flat, will clash with Stevenson of Tuskegee.

Beck of Clark, Anderson of State Normal, Bragg of Florida, and Contee of Morehouse have entered. In the high jump, Roy Turner of Tuskegee and "Speed" Harris of Talladega, seem to be the cream of the field. In the javelin throw, Moore of Tuskegee, looks like the winner. Tadlock, who won the discus at the C. I. A. A. meet at Hampton in 1925, is going better than ever. In the broad jump, Thompson, Tuskegee, and Dixon of Talladega, are going to have a hot fight for first place. In the shot put Tadlock and Britton, both of Tuskegee, seem to be the class.

Morehouse has made the fastest reported time in the one-half mile relay, her quartet of flyers doing the distance in 1:34 1-5.
