HAVE solved the problem -it's no longer a theory, it has drifted into the undisputed fact column - HOW to dress men correctly and economically. This fact has been proven to the entire satisfaction of over three-score and ten residents of my town alone, this season, who have learned by comparison that I am offering better materials, better trim- | the year book of the United States Demings and better workmanship | partment of Agriculture. for less money than they now find in ready-made clothes; and these fabrics are made to your individual measure and fully guaranteed in every particular. HOW is it? No stock to carry and carry over-no expenses, comparatively, to do businessthat's the solution.

I received instructions yesterday to announce to my patrons that beginning July 25th, I could offer ONE-THIRD OFF on Two Hundred and Fifty Patterns of All-Wool Suitings and Trouserings.
