HOWARD U. MEET DRAWS LINCOLN & BONAVENTURE

New York College Squad To Compete For Point Trophy May 14

LINCOLN ENTRY CHANGES PREDICTION

First Announcement Was That Penna. College Would Not Compete

WASHINGTON, D. C.—In a letter of recent date to the management of the National Open Championships and Interscholastic Track and Field Meet to be held at Howard University May 14, 1927, Robert McCarthy, Manager of Track Athletics at St. Bonaventure College, New York, advises that certain members of his varsity team will compete for the point trophy at the Howard University Meet May 14th.

The Ottley Brothers, who have been cleaning up in the sprints and hurdles are entered, along with Charles Major, the high jumper, and Gus Moore, the distance man. These make up the stars of the team. Vincent Ottley is entered in the 100 and 220 yard dashes and the broad jump, while Jerome Ottley is entered in yard dash. These youngsters have the 220 yard low hurdles and 100 been turning in even time in their specialties and between 22 and 23 feet in the broad jump, which makes the dangerous in their events.

Charles Major has already demonstrated that he is one of the best high jumpers in the country, having tied with Osborne in a recent meet. He is now in exceptional form, having jumped 6 ft. 4 in' in New York City. Gus Moore, the stellar distance runner, needs no introduction.

Leon S. Rove, manager of Track Athletics at Lincoln University, advises that Lincoln will be represented in the Howard University Meet. This official announcement clears up certain misapprehensions respecting Lincoln-Howard relationships.

With the entry of the Lincoln squad and St. Bonaventure squad, the Howard Meet gives promise of developing into one of the fastest inter-collegiate meets in recent years. The large Howard squad will now have things its own way this year. Fast steppers from northern institutions are sure to split the points. Local athletes who have been counted on as sure firsts are working up a deal of anxiety as a result of the above announcement.

CAMBRIDGE TEAM TO LOSE 4 REGULARS

CAMBRIDGE, MD.— Coach Coleman's basketball Tossers of the Cambridge High School were awarded letters Friday, as follows. Captain Oliver "Kelly" Wilson, the high point scorer of the team; Worthington "Coon" Waters, voted the most valuable player for the past two seasons and Captain-elect; George Cornish, George Lecompte, George Bennett, William Kiah and Stephen Camper.

After the awarding of letters the members of the team and the faculty were invited to the High School Dining Hall and served, the treat of Principal Randolph and Supervisor P. Bernice Jones.

The squad loses four of its regulars through graduation. They are Wilson, Cornish, Lecompte and Kiah. All are good all-around athletes. Lecompte and Kiah are excellent pitchers, Wilson a good catcher and first-baseman, Cornish, a third baseman and a good utility man. They expect to matriculate at Bowie next fall.

Claflin Relays Won By Voorhees

ORANGEBURG, S. C., May—Voorhees winning the point trophy and Relay Cup for the third time gained permanent possession of the trophy and the Claflin Relay Cup, here Saturday. Voorhees barely nosed out to win with 38 points, while Paine was second with 37, Claflin third with 29, and State College fourth with 5.

The field was slow due to a very heavy rain which continued during a great part of the meet.

The Girls' division had only two entries, Paine and Claflin.

Jack McVey, clever New York welterweight, was reinstated by the commission, effective April 28, 1927.

NEW YORK.—Ted Wilson, local junior lightweight, will get another chance to wipe away a recent defeat, when he meets Paul Gold, Jewish lightweight in a return engagement, Friday night. Wilson is a former Dunbar high school athlete of Washington, D. C.

LOS ANGELES, Cal—(ANP) Ordered by the physician of the boxing commission to take six weeks rest, Young Jack Thompson was forced to cancel his bout with "Killer" Tommy O'Brien, scheduled to take place May 3rd.

Young "Tiger" Flowers, of Chester, Pa., was a caller at the AFRO office Monday and expressed his desire to take on some local lightweight battlers within the next two weeks. Flowers has been down to Staunton, Va., visiting relatives and is enroute to Brooklyn, N. Y., where he will meet Tommy Howard of Harrisburg, Pa., May 21.

Dr. Frank C. Caffey, Sr., retired physician, who died recently in this city, was the first trainer of George Godfrey, heavyweight boxer of Leipersville, Pa., who is now doing his bit out on the Pacific Coast.

LOS ANGELES, Cal.—(PCNB)—True to predictions, little Santiago Zorilla, the Panamanian Black boxer, went over the top Tuesday night at the Olympic Auditorium where he decisely beat Sarmiento of the Phillipines by taking seven of the ten rounds.

SHADOWDALE PAYS $54.30 STRAIGHT

PIMLICO, MD.—The Booker colors were carried to victory in the seventh race on the opening day of the spring meet here Monday when Shadowdale, stablemate of Pleasant Smiles, showed his heels to 11 other horses and paid the longest price of the day.

Two dollar mutuels on Shadowdale paid $54.30 straight, $20.80 place, and $15.90 show.

Shadowdale, with F. Booker, the son of the owner and trainer, J. Booker, up, carried 126 pounds over the distance of 1 and 1-16 miles to win by 5 lengths.

He had the outside position at the post and was badly outrun for the first 6 furlongs. He improved his position rapidly on the outside, rated to the leaders entering the home-stretch, gained command and drew out into a long lead.

Kanduit finished second with good energy. Typecutter faltered badly and finished third.

Boxing Show Boosts Fresh Air Fund

NEW YORK.— The Harlem Children's Fresh Air Fund, Inc., may have a fresh air home in the country this summer, if plans of the State Athletic Commission to hold a benefit boxing show materializes, according to Guilford M. Crawford, its director.

The fresh air organization, which is fostered by a large number of leading citizens of Harlem, was informed to this effect this week by the Hon. James A. Parley, who told its officials that they had decided to give the benefit, which, it is said, was also favored by Governor Smith. Several suitable sites are said to be available.

Howard Asks Eastern Schools To Join Collegiate Body

WASHINGTON, D. C. — Howard University waved the olive branch again this week in an effort to secure harmony between the Colored Inter-Collegiate Athletic Association and schools not connected with that body.

Differences between the C. I. A. A. and Howard arose from the question of eligibility. C. I. A. A. schools had men on their teams coming both from the college and the academy. Howard University had no academy but had professional schools.

In a letter sent to Charles Williams, director of athletics at Hampton Institute, this week, by President L. L. Watson, of the American Collegiate Athletic Association, Hampton is invited to be a party to the organization of strictly collegiate playing conference.

In the opinion of the association, Mr. Watson, says,

"This should not in any way, interfere with your obligation as a member of any other conference."

Meeting May 30th

"If there is any doubt as to whether you should go into this new movement," says Mr. Watson's letter, "I would suggest that you have a representative at the organization meeting at Howard, May 30th, so that hand information as to the purpose your institution may profit by first of the new league."

Formation of this strictly collegiate playing conference was suggested by the A. C. A. A. at its meeting held at North Carolina College December 10th and 11th, last year.

The following included the list of schools: Atlanta, Morehouse, Fisk, West Virginia, Lincoln, Wilberforce, Howard, North Carolina, Morgan and Livingstone.

The late Coach U. S. Young, of Lincoln, was appointed chairman of the committee to form a playing league for the above schools and such others that may subscribe to the necessary policy.

Mr. Young was instructed to find out if Hampton, Petersburg, Virgin-Smith would like to join the new la. Shaw, A. and T., and Johnson C. body.

Before completing his work Coach Young died April 14th, at Johns Hopkins Hospital, Baltimore.

Coach Watson and others are carrying on.

According to Mr. Watson, who is also coach at Howard University, a practically all the institutions listed have already expressed their willingness to organize as suggested which insures a formation of a strictly collegiate conference.

These schools will send their director of athletics or a representative to the Howard meeting in the University gymnasium May 30th, at 9 a. m.

It is expected that a constitution and by-laws will be adopted and officers elected with a tentative program for the ensuing year.

There is not a club in the National organization that would not take Montalvo if the Cubans wanted to trade him. He is a member of the western circuit and every club is standing firm on the order.

TAYLOR HOLDS BANTAM CROWN

CHICAGO.—Buddy Taylor, of Terra Haute, Ind., acclaimed bantamweight champion of the world in seventeen states, and who fought Tony Canzoneri, white, New York extitle holder to a draw for the title several weeks ago won a close verdict over Abe Attell Goldstein, white, before 8,000 fans here Tuesday night.

Taylor was the aggressor thru out the fight. Time and again he sent terrific right and left hooks to the body and chin of the Jew boy, who also was alert, fast and cunning and took it with a smile. The ringsiders voiced their opinion that the men fought a draw and that each one should have been credited with four rounds and two even while they judges and refree decided differently. Taylor weighed 119½ and Goldstein, 118¾.

Cansoneri on the same card won over Ray Rychell.

HUDLIN LEADS CHI U. TO VICTORY

CHICAGO, Ill.—(ANP) Richard Dick Hudlin, was elected captain of the 1927 Tennis team of Chicago University here Tuesday.

Hudlin is well-known in collegiate tennis circles, having been a member of the Maroon team for three years, and is equally as prominent in amateur tennis circles and was last year one of the most formidable contenders for championship honors.

Celebrating his election, Captain Dick led his team-mates, including three Filipinos, to an impressive victory over the strong Northwestern Tennis Team Wednesday. He opened the contest by defeating his opponent decisively in the two games, winning the second by a score of 6-1. In the doubles he flashed his same winning form and swept to victory.

COSTON AND LAW CONSIDERED FOR LINCOLN POST

Among the several aspirants considered for the coaching berth of the Lincoln Lions are "Jimmy" Law, former coach in 1923, and a stellar halfback on the Pennsylvania football team in 1920, 21, 22 and Coston, captain of the Lions' aggregation the year "Jazz" Byrd ran wild and swamped Howard, 31 to 0.

The death of Coach U. S. Young, who for three years has been trying to put a winning gridiron team on the map for Lincoln is a much felt setback for the Pennsylvanians. At the present time, Law, who is coaching at Prairie View College, Texas, is about the only man who knows the Lincoln system and could jump in there this fall and tide them thru a hard schedule in the C. I. A. A., aside from the annual classic with Howard University.

Coston played professional football with the Adelphia Club of New York City, last year.

FLOWERS BEATS CHUCK WIGGINS

BUFFALO, N. Y.—"Tiger" Flowers, former middleweight champion of the world, in the first of his warm-up campaigns for a return match with Mickey Walker, present holder of the title, defeated "Chuck" Wiggins, white, in a ten round bout here, Friday night.

The Deacon gave the murderous mauler from the Hoosier state a neat lacing. Wiggens tipped the scale at 181 pounds and recently whaled the rough spots off of Johnny Riske.

The second bout of the series of warming up exercises for Flowers will take place at New Haven, Conn., with Leo Gates as his battery mate. The Tiger, Jack Dillon and Harry Greb have probably battled out of their class against more big boys than any boxers in the past decade. Bob Fitzsimmons, Ray Neuman, Eddie Huffman, Clem Johnson, Tut Jackson, Battling Gelhee, Pat McCarty, Benny Ross and Dan O'Dowd are only a few who have fallen under his flying fists.

JOHN CARROLL TO RUN AT HOWARD

John Carroll, who carried the Vocational colors in the Health Week Marathon will present the Manual Trainers at the Howard University track and field meet, on next Saturday, in the Capital City. Carroll will run in the mile and two mile events.

Along with Carroll, Coach Ruben Jones, will send Ashby and Cheatham, also marathoners. It is expected that this Monumental City trio will gain victory in both of the above events among the prep schools.

Baseball is at a low ebb at the Vocational school says Coach Jones. The boys really have no time to put into that sport. A team is being formed however, and may get in action before the season is over. Among the promising players are McCoy, Stuart, Contee and Ferrell.

SHAW BEATS A. & T. IN DUAL MEET

RALEIGH, N. C.—Shaw University won the first dual track meet with A. and T., here, Saturday, 53 to 30.

Boley with 11 and Lane with 10, the latter of A. and T., were high individual scorers.

Montalvo, Disputed Player Dons Lincoln Giants' Uniform

By LLOYD THOMPSON

NEW YORK—Montalvo, the Cuban outfielder, who is said to have been let out by the National Leaguers and joined the Lincoln Giants of the Eastern Circuit last week was out on the field in uniform Sunday at the opening game with the Hilldale aggregation but did not get in the play.

The signing of Montalvo by Bill Keenan owner of the New York Club caused quite a furore in baseball circles last week and may yet result in a breach between the two circuits although President Nutter of the Eastern League sustained the player.

Opening games in the League Saturday were postponed on account of rain.

Colonel Strothers Harrisburg Giants who split with the Black Sox Sunday in the openers is one of the toughest combinations in the circuit and the great array of hitting strength collected places the outfit in a class by itself on the offense. Oscar Charleston, Johnny Beckwith, "Heavy" Johnson and Walter Cannady are players who hit the ball hard and consistently and the remainder of the club; "Fats" Jenkins, Connie Day, Perez and Gamiz the Cubans round out a tough assignment for any hurler. On the defense the Senators rate very high. However, where it appears that the opponents will find a weakness is in the hurling staff. At least a couple of first string pitchers are badly needed.

The Hilldale outfit with very near the same club, but minus "Bizz" Mackey has a problem on it's hand in the catching department. At the present time Joe Lewis the Baltimore boy is carrying the burden and making a creditable showing. In the two former years that Lewis was a member of the Darby Daisies he was given but a limited opportunity to show his ability behind the pan. This of course was occasioned because of Santop and Mackey being on the same staff. But with the present conditions Lewis will have all of the catching he can handle and it may be the bring out of latent ability.

The Lincolns led by Lloyd and who pitched Hilldale for a double header the clubs in the circuit considerable Sunday are likely to give the rest of more trouble than is expected. The acquistion of Connie Rector means a whole lot to the club. This capable right hander will give Lloyd another needed.

"The Cuban Stars are bigger and better", thus sayeth Alex Pompez the suave mentor of the island outfit. The Stars went over big last season, in the stretch "let down" and finish-stayed out in front of the race for the major portion of the season, but ed in fourth place. Reserve strength was the thing lacking when the islanders faltered. Pompez added Alfonso, a new third sacker. Irquois a catcher and Cifo and Valde a pair of fingers. With these men added Pompez says "watch our smoke."
