DARLING'S
LIVER REGULATOR,
AND
LIFE BITTERS,

Are pure vegetable extracts. They cure all bilious disorders of the human system. They regulate and invigorate the liver and kidneys, they give tone to the digestive organs; they regulate the secretions, excretions and exhalations, equalize the circulation, and purify the blood. Thus all diseases, of which one out of which are Torpid Liver, Sick Headache, Dyspepsia, Piles, Chills and Fevers, Costiveness or Looseness, are entirely controlled and cured by these remedies.

DARLING'S
LIVER REGULATOR

Removes the morbid and bilious deposits from the stomach and bowels, regulates the liver and kidneys, removing every obstruction, restores a natural and healthy action to the vital organs. It is a superior

FAMILY MEDICINE.

Much better than pills, and much easier to take.

DARLING'S LIFE BITTERS

Is a superior tonic and diuretic; excellent in cases of loss of appetite, flatulency, female weakness, irregularities, pain in the side and bowels, nervous prostration and fainting fits, and general debility.

READ THE FOLLOWING TESTIMONY:

Jas. L. Brombley, merchant, 184 Fulton street, New York, writes, August 24, 1860: "I have been afflicted with dyspepsia, accompanied with vomiting, the last three years; I used

DARLING'S
LIVER REGULATOR
AND
Life Bitters,

And now consider myself entirely cured."

Rev. John A. Cross writes, "Brooklyn, March 15, 1860. In the spring of 1859, I took a severe cold which induced a violent fever. I took two doses of

DARLING'S LIVER REGULATOR.

It broke up the cold and fever at once. Previous to this attack, I had been troubled with dyspepsia several months; I have felt nothing of it since."

6th Street, Bogg, 129 East 28th Street, N. Y., writes: "August 12, 1860.—I had a dangerous bilious fever; the doctor said it was the only constant pain in the small of my back. I had used most all kinds of medicines, but found no permanent relief until I used

DARLING'S LIVER REGULATOR.

LIFE BITTERS.

I passed clotted blood by the urethra. I am now entirely cured, and take pleasure in recommending these remedies."

Mrs. C. Telow, 11 Christopher Street, N. Y., writes: "Feb. 20, 1860.—I have been subject to attacks of Asthma the last twenty years. I have never found anything equal to

Darling's Liver Regulator,

in affording immediate relief. It is a thorough Liver and blood remedy."

Mrs. Young, of Brooklyn, writes: "February 28, 1860. In May last I had a severe attack of Piles, which confined me to the house. I took a bottle of

DARLING'S LIFE BITTERS,

and was *entirely cured*. I have had no return of the disease since. I recommend it to my friends."

R. Westervelt, Esq., of South 5th, near 5th Street, Williamsburg, L. I., writes: "August 8, 1860.—Having been troubled with a difficulty in the Liver, and subject to bilious attacks, I was advised by a friend to try

Darling's Liver Regulator,

I did so, and found it to operate admirably, removing the pile and strengthening the liver to activity. I have also used it as a

Family Medicine.

When our children are out of sorts, we give them a few doses and it sets them all right. It is good for the general health of the stomach and bowels when disordered."

REMEMBER, if you need either or both of these invaluable Remedies, inquire for them at the store you go to, do not find them, take no other but before One Dollar in a letter, and on receipt of the money, the Remedy or Remedies will be sent accordingly to your directions, by mail or express, post paid. WONDERFUL MEDICAL CURES OF RHEUMATISM BY THE APPLICATION OF PROF. CHARLES DE GRATH'S "ELECTRIC OIL."

I propose to cure almost instantaneously, individuals afflicted with Headache, Neuralgia, Chill, Fever, Ague, (while the paroxysm lasts,) Rheumatism, and all Bronchial affections.

I propose to check and effectually dissipate more ache and pain, and to accomplish nearer and more perfect equilibrium of all the circulating fluids in the human system that can be effected by any other or all other methods of medical aid in the same space of time, the masses themselves being judges.

I do not propose to cure every disease, but all such as are curable by any combination of medical appliances. My Electric Oil operates on chemical and electric principles, and therefore, applicable to the cure or natural restoration of any organic derangement, arising from an improper circulation of Nervous fluid.

One of the most remarkable cures was made in Centreville, Md., of the painful limb of Albert Jump, E q., so well known, (having suffered nine years,) that Dr. Goldsborough, together with the leading merchants, druggists, and both the editors of the place, gave a certificate, (the manuscript being in our office now) He was cured in one day. It made a great excitement, and hundreds of bottles have been sold there since.

HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and the public generally throughout the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or fulsome puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half million bottles, and from its unusual steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. The immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known. Who, and only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts to the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily, as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested this merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, as will suffering from fever and ague, caused by malaria, diarrhœa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, supernumerated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the c
