U. S. 7-30 LOAN.

THIRD SERIES.

\$230,000,000. DY authority of the Secretary of the Treasury, the undersigned, the General Subscription Agent for the sale of United States Securities, offers to the public the third series of Treasury Notes, bearing seven and three-tenths per cent. interest per annum, known as the

7-30 LOAN.

These notes are issued under date of July 15, 1865, and are payable three years from that date in currency, or are convertible at the option of the holder into

U. S. 5-20 Six per Cent.

GOLD BEARING BONDS,

These Bonds are now worth a handsome premium, and are exempt, as are all the Government Bonds, from State, County, and Municipal taxation, which adds from one to three per cent. per annum to their value, according to the rate levied upon other property. The interest is payable semi-annually by coupons attached to each note, which may be cut off and sold to

any bank or banker. The interest at 7-30 per cent. amounts to

One cent per day on a \$50 note. Two cents

Notes of all the denominations named will be promptly fernished upon receipt of subscriptions. The notes of the Third Series are precisely similar in form and privileges to the Seven Thirties already sold, except that the We call the attention of all purchasers to the Government reserves to itself the option of paying interest in gold coin at 6 per cent. 'ns ead of 7 3-10ths in currency. Subscribers will de duct the interest in currency up to July 15th,

at the time when they subscribe. The delivery of the notes of this third series of the Seven-thirties will commence on the 1st of June, and will be made promptly and con-

tinuously after that date. The slight change made in the conditions of this THIRD SERIES affects only the matter of intersst. The payment in gold, if made, will be equivalent to the currency interest of the

The return to specie payments, in the event of which only will the option to pay interest in Gold be availed of, would so reduce and equalize prices that purchases made with six per cent. in gold would be fully equal to those INTE are agents for the sale of the Peach Bot- made with seven and three-tenths per cent. in
