MANUFACTURERS OF

Improved Tight Stitch **Sewing Machines,**

For Families and Manufacturing Establishments.

No. 131 W. Baltimore Street,

Between Calvert and South streets, BALTIMORE.

SAMPLES OF WORK SENT BY MAIL.

Prices from $50 Upwards.

What Constitutes a Good Sewing Machine.

1. It should be well made, simple in its construction, and easily kept in order.
2. It should make a TIGHT LOCK-STITCH, alike on both sides of the material.
3. It should sew any and all materials that can be sewed.
4. It should be able to use Cotton, Thread, or Silk direct from the spool.
5. It should be able to sew from coarse to fine, and from thick to thin, with rapidity and without changing the tension.
6. It should be able to make the tension greater or less, on both the under and upper threads, and with uniformity.
7. It should have a straight needle; curved ones are liable to break.
8. The needle should have perpendicular motion. This is absolutely necessary for heavy work.
9. It should be capable of taking in the largest pieces of work
11. It should be always ready to work.
12. It should be capable of using the same size of thread on both sides of the work, and of using different colored thread or silk, above or below, to correspond with any two colors of cloth to be united.
13. It should be able to make a long or short stitch.
14. It should be able to fasten off the seam, and commence sewing tightly at the first stitch.
15. It should run easy and make little noise.
16. It should have a wheel feed; none others are in constant contact with the work.
17. It should not be liable to get out of order.
18. It should not be liable to break the thread nor skip stitches.
19. It should not be necessary to use a screw driver, or wrench to set the needle.
20. It should not be liable to oil the operator's dress.
21. It should not form a ridge on the under side, nor ravel out, nor be wasteful of thread, as is the case with ALL CHAIN STITCH machines.
22. It should not be "more trouble than it is worth."

☞ All these *indispensable* requisites of a *good* sewing machine, will be found embodied in those sold by

LADD, WEBSTER & CO.,

jan26y. 131 BALTIMORE STREET.

Daily's Ventilated Truss.

THIS celebrated Truss has proved by the numerous cures it has effected in the short time since its invention, to be the great improvement of the age for the relief of ruptured persons. Parties on whom I have applied the Truss say they would not take a thousand dollars for it, and yet it is furnished at a fourth the price asked by truss makers in our large cities for an inferior article. I will apply the truss myself either at my store or at the dwellings of persons desiring it. Particular attention paid to children. All children can be cured of this troublesome complaint, by having a proper Truss applied. Ladies' Trusses and bandages will be applied by a competent lady.

Constantly on hand, and made to order, a large and complete assortment of Surgical Instruments, Bandages, Supporters, Braces, in fact every surgical appliance that can be wanted, may be found at my store, or I will make it to suit any special case.
