DARLING'S LIVER REGULATOR, AND LIFE BITTERS.

Are pure vegetable extracts. They cure all billious disorders of the human system. They regulate and invigorate the liver and kidneys; they give tone to the digestive organs; they regulate the secretions, excretions and exhalations; equalize the circulation and purify the blood. Thus, *all billious complaints*—some of which are Torpid Liver, Sick Headache, Dyspepsia, Piles, Chills and Fevers, Costiveness or Looseness—are entirely controlled and cured by these remedies.

DARLING'S

LIVER REGULATOR

Removes the morbid and billious deposits from the stomach and bowels, regulates the liver and kidneys, removing every obstruction, restores a natural and healthy action in the vital organs. It is a superior

FAMILY MEDICINE.

Much better than pills and much cooler to take.

DARLING'S LIVER BITTERS

Is a superior tonic and diuretic; excellent in cases of loss of appetite, flatulency, dyspepsia, costiveness, dyspepsia, for the side and bowels, blind, protruding and bleeding piles, and general debility.

READ THE FOLLOWING TESTIMONY:

Jas. L. Brandey, merchant, 134 Fulton street, New York, writes, August 18, 1860: "I have been afflicted with piles, accompanied with bleeding, the last three years; I used

DARLING'S

LIVER REGULATOR AND Life Bitters,

And now consider myself *entirely cured.*"

Hon. John A. Cross writes, "Brooklyn, March 15, 1860. In the spring of 1859, I took a severe cold, which induced a violent fever. I took two pieces of

DARLING'S LIVER REGULATOR.

It broke up my cold and fever at once. Previous to this attack, I had been troubled with dyspeptic several months; I have felt nothing of it since."

Otis Stanley, Esq., 146 East 26th Street, N.Y., writes: "August 12, 1860.—I had a difficulty with Kidney Complaint three years, with constant pain in the small of my back. I had used most all kinds of medicine, but found no permanent relief until I used

DARLING'S LIVER REGULATOR,

AND

LIFE BITTERS.

I passed clotted blood by the urethra. I am now entirely cured, and take pleasure in recommending these remedies."

Mrs. C. Tobey, 11 Christopher Street, N.Y., writes: "Feb. 20, 1860.—I have been subject to attacks of Asthma the last twenty years. I have never found anything equal to

Darling's Liver Regulator,

in affording immediate relief. It is a thorough Liver and bilious remedy."

Mrs. Young, of Brooklyn, writes: "February 28, 1860. In May last I had a severe attack of Piles, which confined me to the house. I took one bottle of

DARLING'S LIFE BITTERS,

and was entirely cured. I have had no attack since."

D. Westervelt, Esq., of South 5th, near 8th Street, Williamsburg, L. I., writes: "August 5, 1860.—Having been troubled with a difficulty in the Liver, and subject to billious attacks, I was advised by a friend to try

Darling's Liver Regulator.

I did so and found it to operate admirably, removing the bile and arousing the liver to activity. I have also used it as a

Family Medicine.

When our children are out of sorts, we give them a few drops and it sets them all right. I find it meets the general wants of the stomach and bowels when disordered."

HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or the coining puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense sum could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonial of its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to region where fever and ague and various other bilious complaints have equalled their victims by hundreds. To be able to state confidently that the Bitters are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It rouses all morbid matter from the stomach, purifies the blood, and imparts nerve to vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It generally gives the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily, as per directions on the bottle, and the well-timed dose will be found peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this verdant "A Tea" words to the gender sex. There are certain periods when the fair sex are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of healthy strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhœa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

☞ Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, South America, and Germany.
