have advices from London to Monday. An be determined by the Court, but justice of which about two hundred and armistice for four weeks had been agreed to those who are interested, requires that ance is in upon between Prussia and Austria, and was corrected, in order that public opinion regarded as preliminary to a 'lasting peace may not be forestalled before the cases are over the whole Continent of Europe." Aus- finally tried. The questions involved in tria is reported to have consented to her these cases are to be decided by the Court exclusion from Germany. The negotia-tions for peace were progressing, but no tions for peace were progressing, but no newspaper discussion, and I regret to say fruit very superior. A PEAR ORCHARD of details were made public. In the House of Commons, on Friday last, Lord Stanley said the Cabinet were anxious to remove any irritation arising out of cases connected with the war in America between the North and the South. If claims were presented by the American Cabinet, the English Government intended to issue a roy-I commission to inquire into the neutral. ity laws, and, if possible, revise them.
