## HOLLAND BITTERS

THE CELEBRATED HOLLAND REMEDY FOR

**DYSPEPSIA,**
**DISEASE OF THE KIDNEYS,**
**LIVER COMPLAINT,**
**WEAKNESS OF ANY KIND,**
**FEVER AND AGUE,**

And the various affections consequent upon a disordered

**STOMACH OR LIVER,**

Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Dependency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic, and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave, its reputation at home produced its introduction here, the demand commencing with those of the Fatherland scattered over the face of this mighty country, many of whom brought with them and handed down the tradition of its value. *It is now offered to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.*

It is particularly recommended to those persons whose constitutions may have been impaired by the continued use of ardent spirits or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirits, and, in fact, infusing new health and vigor in the system.

NOTICE.—Whoever expects to find this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

**READ CAREFULLY!**

The Genuine highly concentrated Boerhave's Holland Bitters is put up in half-pint bottles only, and retailed at ONE DOLLAR per bottle, or six bottles for FIVE DOLLARS. The great demand for this truly celebrated Medicine has induced many imitations, which the public should guard against purchasing.

*GUM SPRING & GUM FELDER*
**DRILL,**
MANUFACTURED BY
## E. WAGONER.

***The Best Drill ever heard of!***

IT Sows all kinds of Grain perfect, from one peck to four bushels without choaking the Machine. The quantity can be changed when in motion, by a slide. It will sow Wheat, Buckwheat, Rye, Oats, and Barley without choaking by white caps, wheat heads or straws. This Drill feeds by two vulcanized rubber cylinders revolving together. The spring drag bar is very useful in rough land, stumpy or rocky. It will pass over any thing not over fifteen inches high without breaking of pins or anything else. The hoe will pass over, and fall in its proper place. I also build them with Guano or other fertilizer sowers attached, which all farmers who use any of those manures ought to have, as they will save one-half of the manure and have more grain, as it sows direct with the grain. This attachment is warranted to sow correct without choaking or clogging, and will saw from fifty pounds to any number of pounds that is wanted to be sown by a Drill.

Persons wanting an Attachment of this Fertilizer Sower put on their Drills, will please be as early as possible, as I have a great deal of this kind of work to do.

For further particulars, address E. WAGONER, Westminster, Carroll County, Md.

SPALDING'S PREPARED GLUE

meets all such emergencies, and no household can afford to be without it. It is always ready, and up to the sticking point.

"USEFUL IN EVERY HOUSE."

N. B.—A Brush accompanies each Bottle. Price, 25 cents. Address,

HENRY C. SPALDING,
No. 48 CEDAR Street, New-York.

CAUTION.

Ascertain unprincipled persons are attempting to palm off on the unsuspecting public, imitations of my PREPARED GLUE. I would caution all persons to examine before purchasing, and see that the full name, SPALDING'S PREPARED GLUE, is on the outside wrapper; all others are swindling counterfeits. March 29,-1y.
