Daily's Ventilated Truss.

THIS celebrated Truss has proved by the numerous cures it has effected in the short time since its invention, to be the great improvement of the age for the relief of ruptured persons. Parties on whom I have applied the Truss say they would not take a thousand dollars for it, and yet it is furnished at a fourth the price asked by truss makers in our large cities for an inferior article. I will apply the truss myself, either at my store or at the dwellings of persons desiring it. Particular attention paid to children. All children can be cured of this troublesome complaint, by having a proper Truss applied. Ladies' Trusses and bandages will be applied by a competent lady.

Constantly on hand, and made to order, a large and complete assortment of Surgical Instruments, Bandages, Supporters, Braces, in fact every surgical appliance that can be wanted, may be found at my store, or I will make it to suit any special case.
