Chestertown, Sept. 6, 1862

NOTICE TO TAX-PAYERS!

YOUR TAXES FOR 1862 ARE NOW DUE, and the Collector for the Second Tax District of Kent county, hereby gives notice that the tax books are in his hands, and the amounts due by the Tax Payers are made out and he is ready to receive them He most respectfully solicits prompt payment, as the demands upon the Collector for this year, both by the State and County, will not permit indulgence as heretofore. If Tax-Payers desired, there would be no difficulty in settling their Taxes promptly; but neglect of duty often is the cause of expense which in many cases exceed the Taxes itself.

The demands of the State this year, however, must of necessity be met more promptly than heretofore and the wants of those who have claims against the County will compel the Collector to be more rigid in his collections. He hopes, however, that the Tax-Payers will be prompt in their payments, and thus avoid the penalty for neglect of duty.

For the convenience of Tax-Payers, I will be in Chestertown every TUESDAY, THURSDAY and SATURDAY. Office in the Commissioners' Room, at the Court House.

☞A discount of 5 per cent. is allowed on all State Tax paid on or before Sept. 1st; 4 per cent. if paid on or before October 1st; and 3 per cent. if paid on or before November 1st, 1862.

As the State Tax is far greater than heretofore, persons would do well to avail themselves of the discount.

PERE L. LYNCH,
oc4tf. Collector 2nd District.

To the Farmers of Maryland.

THE undersigned having reason to believe certain commission merchants of Baltimore are using old orders of Farmers, exempting their grain from inspection under the law prior to the late amendment, for the purpose of withdrawing it from Inspection or Weighing under the amended law, contrary to the interest and intention of the Farmers,

I respectfully suggest to the Farmers that the amended law being for their protection, and reducing the fee for Weighing and Inspection to one quarter of a cent per bushel, the amount heretofore charged by the unofficial weighers, it is advisable that they revoke the old orders, written before the amendment, as the best way to prevent their being deprived of the benefit of the law so essential to their security, by commission merchants disposed to embarrass its execution.
