U. S. INTERNAL REVENUE.

Annual Assessment of 1863.

ASSESSOR'S OFFICE,
DENTON, Maryland, May 21, 1863.

ALL tax payers within the first District of Maryland, are hereby notified to make returns of the annual assessment of 1863, to the assistant Assessors of the Divisions in which they respectively reside:

Of the amount of Silver and Gold plate kept for use;

Of Carriages kept for use or for hire and their value;

Of Billiard Tables kept for use or for hire;

Of Yachts or pleasure vessels and their value.

The last Assessment on the above classes of property, was made for the year 1862. The assessment now to be made is for 1863.

II.—LICENSES.—All persons engaged in any kind of business for which they are liable to pay license are required to apply for license from May 1, 1863.

Holders of Licenses will be allowed for any time which they may have yet to run before expiration.

III.—INCOME.—*Total Income to be Returned.* Each person will be required to return his total income from January 1, to December 31, 1862, inclusive, so far specifying the sources from which it is derived as to enable the assistant assessor to decide what deductions shall be made therefrom.

All income from whatever source received, prior to September 1, 1862, is taxable, as dividends were not subject to deduction before that date. Interest received from or due by trust companies, saving institutions, insurance and Railroad companies, corporations or associations, prior to the same date is also taxable.

Profits of business, including the profits of manufacturers, are to be taxed. The exemption of profits on manufactures, contained in the original statute, was removed by the amendatory act of March 3, 1863.

The income tax is to be levied upon all persons in the district in which they reside; consequently persons in this district deriving profits or income from investments or business outside of the district must make return of the same here.

Business firms must make such an estimate of their gains for the year 1862, as will enable each member to return his share to the assistant assessor.

Guardians and Trustees, whether such trustees are so by their office as executors, administrators or other fiduciary capacity, are required to make return of the income belonging to minors, or other persons, which may be held in trust as aforesaid; and the income tax will be assessed upon the amount returned, after deducting such sums as are exempted from the income tax as aforesaid; Provided that the exemption of six hundred dollars, under section 90 of the excise law, shall not be allowed on account of any minor or other beneficiary of a trust, except upon the statement of the guardian or trustee, made under oath, that the minor has no other income from which the said amount of six hundred dollars may be exempted and deducted.

FARMERS will be required to make return of the value of the produce of his Farm or plantation, without deduction for the labor or services of himself and family or for any portion of such produce consumed by himself and family.

Persons receiving salaries must return the full amount of the same.

The following deductions will be allowed:

Taxes for 1862, and the amount actually paid for rent of any dwelling house or estate which is the residence of the person assessed.—Persons receiving rent may deduct therefrom the amount paid for necessary repairs, insurance and interest on incumbrances upon such rented property. The cost of new structures or improvements to buildings, shall not be deducted from income.

Interest paid by any person on incumbrances upon the dwelling house or estate on which he resides, also his payments for necessary repairs.

The amount paid by any farmer for hired labor and necessary repairs upon his farm, including the subsistence of laborers.

Also the sum of six hundred dollars.

All persons neglecting or refusing to make returns of any property or business which may be subject to tax or license, for ten days after notified to do so by an assistant assessor, are liable to be assessed by him according to the best information he can obtain, and he is required by law to add fifty per centum to the amount of such assessment. Such persons also become liable to the fines and penalties prescribed by law.

Returns may be made to either of the following assistant assessors, for their respective counties, from whom any further information (and the requisite blanks) may be obtained.

GEORGE LEARY,
A21-tf. near Forktown.

PROCLAMATION!

BE IT KNOWN and remembered that JOS. V. SMITH has removed from his old place of business and permanently located himself and family in Chestertown, where he intends, in connection with his father, ROBERT SMITH, to carry on in all its departments, the CLOCK, WATCH and JEWELRY BUSINESS. Robert & Joseph V. Smith are well known to the citizens of Kent and the adjoining counties, the former having moved to this county when but a young man, and the latter was raised in this neighborhood, and after an absence of many years and a long practical knowledge of the business, we come back and solicit your patronage. It is useless to use the names of any one as reference for we are both well known to most of the citizens of this county, (as well as Queen Ann's,) and the people know that they can trust us with all kinds of work, and the better the watch, or clock, the more easily it is for the practical workman to give satisfaction.

R. Smith & Son,

(SUCCESSORS OF J. FRANK MORGAN,)

have greatly increased the stock as kept by the former, and now offer all kinds of GOLD and SILVER Hunting and open-faced English and American WATCHES, and pledge ourselves to sell them as low as they can be purchased in the city. We keep on hand a large stock of all kinds of CLOCKS, also Silver, Albata and Plated Ware, such as Spoons, Sugar Tongs, Castor Stands, Goblets, Butter Knives, and all things usually found in connection with Watches, Clocks, and Jewelry. The latest styles of JEWELRY, Onix Chains, fine Studs and sleeve buttons, gold silver and gilt; guard, vest and fob chains, and a very large stock of ordinary Jewelry. CALL AND SEE if this is not the largest stock of Jewelry on the Eastern Shore.

ROBERT SMITH,
JOSEPH V. SMITH.
