LADD, WEBSTER & CO.
MANUFACTURERS OF
Improved Tight Stitch
Sewing Machines,
For Families and Manufacturing Establishments.
No. 131 W. Baltimore Street,
Between Calvert and South streets, BALTIMORE.

SAMPLES OF WORK SENT BY MAIL.
Prices from $50 Upwards.

What Constitutes a Good Sewing Machine.

1. It should be well made, simple in its construction, and easily kept in order.
2. It should make a TIGHT LOCK-STITCH, alike on both sides of the material.
3. It should sew any and all materials that can be sewed.
4. It should be able to use Cotton, Thread, or Silk direct from the spool.
5. It should be able to sew from coarse to fine, and from thick to thin, with rapidity and without changing the tension.
6. It should be able to make the tension greater or less, on both the under and upper threads, and with uniformity.
7. It should have a straight needle; curved ones are liable to break.
8. The needle should have perpendicular motion. This is absolutely necessary for heavy work.
9. It should be capable of taking in the largest pieces of work
10. It should be able to bind with a binder, hem with a hemmer; should stitch, fell, run and gather.
11. It should be always ready to work.
12. It should be capable of using the same size of thread on both sides of the work, and of using different colored thread or silk, above or below, to correspond with any two colors of cloth to be united.
13. It should be able to make a long or short stitch.
14. It should be able to fasten off the seam, and commence sewing tightly at the first stitch.
15. It should run easy and make little noise.
16. It should have a wheel feed; none others are in constant contact with the work.
17. It should not be liable to get out of order.
18. It should not be liable to break the thread nor skip stitches.
19. It should not be necessary to use a screw driver, or wrench to set the needle.
20. It should not be liable to oil the operator's dress.
21. It should not form a ridge on the under side, nor ravel out, nor be wasteful of thread, as is the case with ALL CHAIN STITCH machines.
22. It should not be "more trouble than it is worth."

☞ All these *indispensable* requisites of a *good* sewing machine, will be found embodied in those sold by
LADD, WEBSTER & CO.,
jan26y. 131 BALTIMORE STREET.
