A Pointed Dialogue.

"I SAY, Jim, where did you get such a fine looking Hat?"

"Why you know, John, I always go to SIMPSON'S to buy my Hats. I can always get the latest styles and cheapest Hats in town from him, for he makes his own Hats. And, John, you would be surprised if you would see that old slouch hat I had on last week; Simpson has made it look like a new one. Also, this old suit of Clothes, you see Simpson has cleaned and dyed them, and they are good as new. He always gets them done at the time promised." jel-tf.
