THE MAN WHO WAITS FOR SOMEONE ELSE TO DO SOMETHING FOR HIM USUALLY GETS NOTHING DONE

N.C. Officers Battle Mob for Six Hours

ROXBOROUGH, N. C.—Sheriff M. T. Clayton of Person County, State highway patrolmen and Durham police foiled a mob of approximately 500 men who stormed the jail here on Friday night in an attempt to get Cy Winstead, 22, charged with criminal assault involving a young white girl.

The mob which began to form about 10 p.m., armed with guns, stones, bottles and sticks, was dispersed near 4 p.m., when more State highway patrolmen dispatched from Raleigh arrived. Winstead, unharmed, was spirited away to the State Prison in Raleigh after his would-be lynchers left the scene.

"It was the worst night in Person County history," the sheriff is quoted as having said. "The damage to the jail alone certainly is above $1,000."

There were no serious injuries, the sheriff pointed out, although a Roxboro policeman, who stated at least five shots were fired at the courthouse, was slightly injured when a rock struck by flying glass.

It is also reported that at the height of the battle, approximately forty CCC boys from a camp at the edge of the town advanced on the courthouse to aid Winstead. They were said to have been within 150 yards of the building when shots from the mob dispersed them.

Tear Gas Used

The officers, stationed in a room in the jail, kept the mob back with tear gas. A bottling plant across the street from the courthouse was entered and case after case of empty bottles thrown into the jail.

The tear gas, according to reports, apparently bothered the officers more than it did the crowd. Caught in a brisk wind, the gas was carried back into the courthouse where the fumes lingered for hours. Officers leaving the building were red-eyed and tears streamed down their faces.

Scout Leaders Attend Training School

Shown above are the 100 scout leaders, representing twenty States, who attended the Boy Scout Leaders' Training School in Atlanta, Ga., recently, to prepare for jobs as field executives.

At present there are thirty-three colored field executives and 50,000 Boy Scouts in the United States. Scout officials say that an increase of at least 10,000 scouts is expected this year.

Mob Didn't Get Him

CY WINSTEAD, 22, of Roxboro, N.C., who was saved from a mob of 500

Balto. Youths Hold 6 Non-Com Posts at Belvoir

FORT BELVOIR, Va. — The Quartermaster Section of the 1320th Service Unit now has twenty-three non-commissioned officers, including a master sergeant, first sergeant, four staff sergeants, twelve sergeants and five corporals.

Aside from non-commissioned officers, the company has thirty-seven first class privates and twenty-four men with specialists' ratings.

Baltimore is well represented on the company's non-commissioned officers' staff with six members. The company is made up of men from thirteen States and the District of Columbia, ranging from Texas to New York.

Commander Praises Men

Captain L. L. Bittenbender, company commander, recently expressed commendation of the spirit of co-operation between the men and non-commissioned officers.

Baltimore non-commissioned officers are Sergeants Edward T. Mitchell and John A. Gardner, and Corporals Bennie B. Price, James L. France, John Sample, and Herbert C. Graves.

HOW TO KEEP CHEESE

To keep cheese moist and free from mold, wrap it in a cloth dipped in vinegar and keep it in a cool place.

Baltimore Acquitted in July 4th Slaying

The fatal stabbing on July 4 of Mrs. Ruth Thomas, 34, of 673 George Street, was still an unsolved mystery to police here Wednesday, with the acquittal in Criminal Court of Wesley Baltimore, 34-year-old car washer, who faced trial on charges of being her slayer.

Baltimore, who was represented by Michael F. Freedman, was declared not guilty by Judge Emory H. Niles without even having to take the stand in his own defense.

Actual trial proceedings lasted approximately twenty minutes, during which time five witnesses were placed on the stand by Assistant State's Attorney Bernard G. Peter.

Tell of Bloody Knife

Testimony offered by these witnesses was to the effect that, following the stabbing of Mrs. Thomas at her home, Baltimore had later shown his knife which had blood on it and there was also some blood on the doorway to his room.

Further police testimony pointed out that two days after the crime, Baltimore had named Samuel R. Stewart, 34, of 311 Preston Street, manager of the Club Ubangi at 2213 Pennsylvania Avenue, as the slayer of Mrs. Thomas.

However, when witnesses were produced to testify that Stewart was working at the time of the stabbing, he was released by police, it was stated, and then Baltimore is said to have pointed out that he named Stewart because afraid the crime would be fastened on him, as he had a room at the home of the slain woman.

Fail to Show Motive

In response to a query put by Mr. Freedman, police and none of the other witnesses were able to show that there had ever been any other than a casual acquaintance between Baltimore and Mrs. Thomas. Nor could the State show that one accused man had any motive for the crime.

The case was originally scheduled to have been heard last Wednesday, but a postponement was granted by Judge George A. Solter on the plea of Mr. Peter that the State was not yet ready to present its case.

Md. Masons End Annual Grand Lodge Session

A pledge of full co-operation to the national defense program was taken by the Maryland Grand Lodge of Masons which held its ninety-fourth annual session at Grace Methodist Church in Fairmount Heights Sunday and Monday.

The meeting was highlighted by the cornerstone laying at the new hall of Fairmount Lodge and memorial services at the host church, pastored by the Rev. William H. Tyler.

WILLARD W. ALLEN

The sermon was delivered by the Rev. W. J. Winston, pastor of Metropolitan Baptist Church, with the Rev. Joseph M. Lawrence, grand chaplain, also participating. Music was provided by the Masonic choir, William H. Bevans, director.

Grand Master Speaks

The principal address of the meeting, congratulating the organization on its past success and expressing hope for future progress, was made by Harold W. Allen, grand master, who reported that $10,800 had been paid to widows and orphans during the past five years.

Other speakers included:

George Pitchugh, grand treasurer; James T. Beason, secretary-general of the supreme council; Joseph A. Egans, deputy grand master; Emerson Brown, Elmer Hawkins of Chestertown, Md., Alfred Nixon, Alphonse Lee, the Rev. C. C. Ferguson, the Rev. S. W. Hardesty and the Rev. John Warren.

Committee reports were made by Willis J. Winston and Samuel D. Hayward.

Officers Elected

Mr. Allen, grand master, was reelected for the eighteenth term. Other officers named were: Joseph A. Egans, deputy grand master; Bishop Monroe H. Davis, grand senior warden; Robert A. Grigsby, grand junior warden; Alvan S. Stanley, grand secretary; Joshua Robinson, assistant grand secretary; Thomas H. Waters, chairman, board of trustees; Alfred Nixon, chairman of Charity Fund Committee; Samuel D. Hayward, chairman of Committee on Foreign Correspondence.

Trustees elected for three years were Morris Butler, Alphonse Lee and Daniel C. Brewington.

They were installed by William E. Fletcher, past grand master.

The organization will meet next year at Haverre de Grace.

4 Hurt in Auto Trolley Collision

Four persons received various injuries Tuesday when the auto in which they were riding collided with a street car at Gay Street and Fallsway.

The injured, all of whom were treated at Mercy Hospital, are:

Sam McMillan, 25, of 1522 Argyle Avenue, driver of the car, brush burns of the knees and a bruised stomach; Earl Lane, 28, of 1606 McCulloh Street, cuts on left leg and bruised stomach and shoulders; James Boyd, 25, of 536 W. Biddle Street, blow on the head and sprained back; and James Pleasant, 29, of 809 Linden Avenue, brush burns on hips and thighs.

The front trucks of the streetcar, which was operated by Walter Rower, white, of 5117 Ardmore Way, was knocked off the tracks by the force of the impact. McMillan was cited for a traffic court hearing on reckless driving charges at 10:30 a.m., September 17.

Bride Forgot Divorce, Court Annuls Marriage

A decree nullifying the marriage of Cornelius Jones, painter and paperhanger, of 1801 Division Street, to Mrs. Mary C. Jones, was granted last week after evidence was produced showing that she never secured a divorce from her first husband.

Mrs. Jones's address was given as 2439 Druid Hill Avenue. Her husband testified that at the time of their marriage in August, 1926, he though that she was single and, when he heard rumors that she was previously married, she told him that she had been divorced.

Wife Admits Deception

He said that he searched the records at Ellicott City, Md., discovering that in 1923 she was married to Albert Felson, but that no record was found of a divorce. Further testimony revealed that she later admitted her deception. Gregory Hawkins was his attorney.

On testimony that her husband left her practically destitute, which resulted in her being sometimes ill and hungry, Mrs. Florence Chester of 1106 Lafayette Avenue, won weekly alimony of $5.50 in a crosbill to the suit filed by Charles Chester for legal separation.

Says She Stuck by Him

She further testified that because he is sickly she had nursed him conscientiously through the twelve years of their married life, yet he deserted her in September, 1940, after an argument without even leaving the rent money.

A decree of absolute divorce was granted to Mrs. Elsie Griffin of 1243 E. Jefferson Street, from John Griffin of 1212 N. Central Avenue.

Suits for divorce were filed by Charles Starling against Mrs. Claudia Starling of Lincoln Del.; Ralph Blake against Mrs. Mary Blake of New York City, and Rollin Hendrickson against Mrs. Florence Hendrickson of 508 W. Biddle Street, represented by Roy S. Bond, attorney.

POLICE SEEK KIN OF MAN KILLED IN ACCIDENT

The State police at Waterloo, Md., are anxious to locate relatives of Otis Reed, also known as "Baltimore," who was killed in an accident on Wednesday and whose body is now at the Allegheny County, Pa., morgue.

Court Reverses 60-Day Term of Philadelphian

Following an appeal hearing Tuesday before Judge Emory H. Niles in Criminal Court, Booker T. Blocker, 28, of Philadelphia, won a suspension and his freedom on a sixty-day jail sentence given him in Northwestern police court by Magistrate John H. Slanford.

Blocker, who was represented by Michael F. Freedman, was sentenced on August 4 by Magistrate Stanford following his conviction on charges of assaulting and striking Officer Milton Gardner, plainclothes policeman attached to Northwestern District, with a brick.

Given Benefit of Doubt

In suspending Block's sentence, Judge Niles pointed out that, while there was conflicting testimony as to whether or not the accused man actually threw the brick, he apparently did not know that Officer Gardner was a policeman, as the latter was not in uniform and did not reveal his identity when he put in his appearance.

Judge Niles stated further that the suspension hinged on the fact that Blocker was of good character, lived in Philadelphia and had a wife and four children who needed his support.

Had Stopped to Dine

Testimony in the case revealed that Blocker was driving through Baltimore at the time of the incident and had stopped at a lunchroom at Edmondson Avenue and Gilmor Street for a meal. Upon leaving, a fight began near the place and someone threw a brick through the windows of his car.

Crippled South Baltimore Grocer Wins Battle for $12 Weekly Disability Pay

The State Industrial Accident Commission on Tuesday refused a petition of the insurer and employer of George Freeland, a 43-year-old grocer of 114 Henrietta Street, to reopen his case to determine whether or not he had recovered sufficiently to warrant discontinuance of his total disability compensation payments of $12 weekly.

With the issuance of this decision, Mr. Freeland, who received a broken back while working as a truck helper in 1939, will continue to receive his compensation payments in accordance with an SIAS ruling handed down in his favor in June of 1940.

Sues Cop for $10,000

It will be recalled that Mr. Freeland is the crippled grocer who recently filed suit for $10,000 in the Court of Common Pleas against three plainclothes policemen attached to Southern district.

Among his charges were that they beat him and aggravated his old back injury during an unsuccessful attempt through the use of a police informer to plant a numbers charge upon him at his store at 133 W. Hartford Street.

A George J. Roach, his former employer, and the Pennsylvania Threshmen and Farmers Mutual Casualty Company, insurer, sought to have the compensation payments cut on the contention that Mr. Freeland had sufficiently recovered from his injuries to warrant lower compensation adjustments being made.

Suit Defendants Testify

Among those going to testify at the hearing, held last Wednesday before the SIAS examiner, were Mr. Freeland, were Sergeant Edward Dunn and Officer Joseph Kane of the Southern District and Officer Nicholas Compatriotis, now attached to the traffic squad. The officers, against whom he has the damage suit pending.

They pointed out that at the time of their alleged beatings Mr. Freeland was of such strength that he threw two of them around and it took the combined strength of all three to hold him.

However, Paul Berman, attorney for Mr. Freeland, contended that this testimony was absurd, as all of the officers were larger than his client. Mr. Berman further pointed out that his client's physical condition still was such that he was unable to seek gainful employment.

FLUSH KIDNEYS OF POISONS AND STOP GETTING UP NIGHTS

Healthier, Happier Life

Millions of men and women worried by backache bothers them — why not flush the kidneys when sluggish and allow the bladder to work free from minor irritations which may become more serious trouble.

Nature uses waste poisons and acids to irritate the bladder. Flushing will soothe your irritated kidneys and more healthy activity follows.

Into them, get a 35 cent package of GOLD MEDAL Haarlem Oil Capsules and take as directed.

This tried and true medicine should make you feel better in a few days—it's an effective diuretic and kidney stimulant that relieves the pains caused by gravel, phosphates, acidity, smarting and rheumatic joint agony when irritated by excess uric acid.

Don't be an EASY MARK and accept a substitute—Get Gold Medal Haarlem Oil Capsules—the original and genuine. Look for the Gold Medal on the box. 25c.

Dr. G. Lake Imes Named to Head Defense Center

Dr. G. Lake Imes of 1940 Druid Hill Avenue, noted lecturer and writer, who retired in 1935 after serving as assistant to the principal at Tuskegee Institute for twenty-five years, was appointed on Monday as principal of the Vocational Defense Training Center No. 453 at Waesche Street.

Charles W. Sylvester, director of vocational education in the city's public schools, made the appointment.

Dr. Imes began his educational career at Tuskegee Institute in 1910, serving for five years under the late Dr. Booker T. Washington, through the entire administration of Robert R. Moton and retiring in 1935. During this time, he also served as secretary of the institute.

However, in 1937 he joined the staff at Lincoln University as director of public relations and remained there until 1940 when he again retired to devote his time to writing and lecturing.

Vacancies Still Exist

Vacancies still exist in the four of five courses now being offered at the new center, according to Dr. Imes. These courses are: radio servicing, electric wiring, and sheet metal and aircraft riveting. No vacancies exist in the fifth course, small parts assembly for women.

Five teachers are engaged in instruction and seventy persons are already enrolled. The classes, other than the one in small parts assembly which is only from 8 shifts, one from 8 a.m. to 4 p.m. a.m. to 4 p.m., operate in two and the other from 4 to 12 p.m.

Plan 300 Enrollment

When full equipment is installed in this center, courses will also be offered in acetylene and electric welding, drill press operation and lathe operation and provisions will be made for the accommodation of a possible enrollment of 300 persons.

The courses now offered extend for a period of eight weeks and are offered without charge for either tuition or equipment. Interested persons may either register at the center, at the Urban League, 1431 McCulloh Street, or at 3 E. Twenty-fifth Street.

Meanwhile, classes in auto assembly are being taught at the Vocational Annex and others in sheet metal and woodwork are being offered at Douglass High School. Power machine operation for women is also offered at Vocational School.

Recuperating

PROF. ROY W. TIBBS, instructor of organ and piano at the Howard University School of Music, who, according to members of his family, is "recuperating rapidly after a four weeks illness brought on by overwork and nervous strain." Professor Tibbs, who has been a member of the Howard University faculty since 1912, is in his early fifties, his sister stated, and his illness has been complicated by high blood pressure. She belied rumors that he had suffered a stroke. Mr. Tibbs is confined to his home at 601 Howard Place, Northwest.

Va. Union Prexy Spikes Rumor of Fund Shortage

NORFOLK, Va. — Dr. J. M. Ellison, president of Virginia Union University, this week denied the widely circulated rumor that there was a shortage of funds at the university's Norfolk unit.

The Norfolk unit is under the supervision of G. W. C. Brown. Dr. Ellison said the auditor for Union came to Norfolk, examined the books and reported them to be in "excellent" condition.

NYA Earnings "Solicited"

It is reported that several affidavits testifying that a portion of their money received from the NYA had been required for the building program now in progress here.

These affidavits were allegedly sent to Mrs. Mary Bethune in Washington, who is said to have sent Mr. Ira S. Strokes, her assistant, to Norfolk to make an investigation.

Mr. Brown was out of the city and could not be reached for a statement.

Graduate Recalls Request

Miss Marion Etheridge, June graduate of the unit, told the AFRO that students receiving NYA aid were called together last May, reminded that the government was giving them an extra allotment this year, and asked to give a portion of it back to the school.

All the students signed cards to this effect, Miss Etheridge said.

Shooting Cost Youth 3 Years

Following testimony that he shot William Moon, 22, of 209 W. Hill Street, in the stomach after a crap game argment, Robert Carey, 23, of 629 S. Hanover Street, was sentenced in Criminal Court, Wednesday, to serve three years in the penitentiary.

The shooting is said to have occurred on July 19 in front of 209 W. Hill Street, following a crap game in the rear yard of that address, during which it was alleged that Moon refused to pay a wager.

During the subsequent argument, Carey is said to have gone into the house, secured a revolver and shot Moon on returning. The injured youth was taken to South Baltimore General Hospital where he remained for twenty-four days. Carey was arrested immediately after the shooting.

Walter Green Post Asks City for $700 Convention Funds

The Walter Green Post, American Legion drum corps this week requested the board of estimates to grant it $748.80 to attend the American Legion Convention in Milwaukee, Wis., in September.

Two Local Men Among 130 to Pass State Bar Exams

Calvin A. Douglass, 901 N. Fremont Avenue, second colored graduate of the University of Maryland law school, and John B. Duncan, 1328 N. Carey Street, Howard Law School graduate, were among the 130 persons to pass the State bar exam given here in June, it was announced on Thursday.

Both men along with the other successful candidates will be admitted to practice in Maryland courts following their formal presentation before the Supreme Bench. Mr. Douglass will be associated with Josiah F. Henry, Jr. He entered the University of Maryland Law School in 1936, becoming the second colored student in twenty-five years.

Murray First to Enter

Donald Gaines Murray, now a practicing attorney, was the first to be admitted, but only after nine months of litigation in local and State courts when the NAACP compelled the institution to open its doors to all students. A third student, William H. Murphy, is now enrolled there.

A graduate of Shaw University, Mr. Douglass, 34, is a native Baltimorean and since graduation from college has taught in Henderson, N.C., and has been engaged as a motion picture operator here.

Mr. Duncan, who was out of the city when AFRO reporter sought to interview him, is a graduate of Howard University and finished his training at Terrell.

Many Beauticians to Use Sayman's Soap

K. Latimer Green, staff representative of the Booker T. Washington Sales Agency for the T. M. Sayman Products Company of St. Louis, attended the Beauticians' Convention, held in Atlanta, last week.

Beauticians were interviewed by Mr. Green on the subject of handling Sayman's soap and Sayman's beauty preparations in their work. The co-operation of many of those interviewed was pledged, he reports.

Mrs. A. V. Mundy, secretary of the Booker T. Washington Sales Agency, arrived in Baltimore Saturday. In addition to her secretarial duties, Mrs. Mundy written all radio script used by the Sons of the South, including commercials, for Royal Crown Cola.

O'Conor Names 3 Physicians for County Clinics

Gov. Herbert R. O'Conor announced on Thursday the appointment of three colored physicians in veneral disease clinics of the State department of health.

The governor's expressed pleasure over the appointments in a letter to Dr. Lonie R. Harmon, secretary of the Maryland Medical Association. The three physicians appointed are:

Drs. Webster Sewell, Montgomery County; Horace Small, Denton, Caroline County; and J. Johnson, Elkton, Cecil County.

Governor O'Conor assured Dr. Harmon that he intends to continue to give recognition to the Maryland Medical Association and to all its members, including those in the Druid Health Centre.
