A COMPARISON.—When General Sheridan made his famous dash through Virginia the enemy melted before him like snow before the sun. When he marched through the Northern States lately, under the auspices of the radicals, the radical majorities melted away just as rapidly.—The power of his presence was felt as much on one occasion as on the other.—Here in New York, when he stayed longest, came oftenest, and made the most and longest speeches, the radicals were defeated by over sixty thousand majority.—He has just left Massachusetts, and there the radical majority was greatly reduced If he had remained till the election was over, that wool-dyed radical Commonwealth, might have gone for the conservatives. He was induced to go to Pennsylvania just before the election there, and radical defeat followed. So it was everywhere. The name and presence of Sheridan have proved as potent in the field of politics as on the battle field.—*N. Y. Herald.*

A CHANGE FOR THE BETTER.—The Boston *Journal* counts it one of the good results of the recent elections that the number of candidates for the Presidency is greatly decreased. Last winter, the *Journal* remarks, every United States Senator had his hopes of the Presidency. But that was not all; there was a time last winter when almost anybody, it seemed, had a chance to be President. Fortunately that time is past, and a considerable number of gentlemen who for several months took a lively interest in the situation and surroundings of the White House have had their ambition quieted.

Thanksgiving Proclamation.
STATE OF MARYLAND,
EXECUTIVE DEPARTMENT.
The President of the United States having appointed the 28th day of November instant as a day of thanksgiving, to be observed throughout the country, the people of the State of Maryland have abundant reason to co-operate in humbling themselves before Almighty God for the many bounties which have been so liberally bestowed upon them during the past year.—Our whole land has been blessed with plenty. Especially have we reason to be thankful for the healthy growth of our material interests, in the continued advancement within our borders of agriculture, commerce and the varied pursuits of labor. Nor is it less a cause for thanksgiving and praise that we are steadily progressing in moral and religious culture, illustrating the virtues of charity and brotherly love, and maintaining our character as a just and Christian people.
Profoundly grateful for all these manifestations of the Divine favor, I, THOMAS SWANN, Governor of the State of Maryland, do request that
THURSDAY,
The 28th day of November, instant,
be set apart as a day of Thanksgiving and Praise to the Giver of all good, and that the people of the State of Maryland do abstain from all secular pursuits on that day.
Given under my hand and the great seal of the State of Maryland, at the city of Annapolis, this eleventh day of November, in the year of our Lord one thousand eight hundred and sixty-seven. (SEAL)

JOHN M. CARTER,

A NEW STORE
TO BE ADDED TO THE MULTITUDE ALREADY IN CHESTERTOWN.

The subscribers have Leased a part of the
NEW BUILDING,
BELOW THE BANK,
for the purpose of engaging in the MERCANTILE BUSINESS.

They will keep a GENERAL STOCK OF MERCHANDISE, such as is usually kept in a country store, except Boots and Shoes, that branch of the business in the New Building will be supplied by Mr. J. W. COLLINS, on the Corner.

For the present the business will be conducted on the CASH SYSTEM, or its equivalent, not because we are unwilling to accommodate our friends and the public, (for the credit business is desirable because it is decidedly more profitable,) but simply for the want of means to do so.

We will purchase our goods at nett cash prices, as near first hands as possible, and sell them at
SMALL PROFITS FOR CASH,
PRODUCE, and under some circumstances, thirty and sixty days.

We intend to do a legitimate business, not selling some goods below cost to make an impression, but the ENTIRE STOCK will be offered at small profits, and always at ONE PRICE.

We will do our best to make it the interest of the public to deal with us.

We have made arrangements to supply
THE LADIES
WITH FINE GOODS
such as cannot be kept in sufficient quantities in the country, from a
Five Hundred Dollar Shawl
A SILK DRESS, A LACE COLLAR OR HANDKERCHIEF,
down to a pair of JOUVIN'S BEST KID GLOVES of any size or color.

We will consider it no trouble to show our goods, and when desired goods purchased of us will be sent to any part of the town if it is not convenient for our customers to send for them. Persons from the country purchasing goods from us can have them delivered at the Hotels, or at the end of the Bridge, in Queen Anne's. We consider it at present unnecessary to enumerate articles.

☞ Our friends and the public are invited to call and examine our stock.

FURTHER:
We are of the opinion that the demand for FURNITURE, particularly of the better grades, has not been supplied to this market We intend to keep a well selected Stock of
CHEAP and GOOD SUBSTANTIAL
FURNITURE,
which will be bought of the manufacturers at the lowest nett cash prices, and sold at moderate profits. Samples of many kinds will be on hand, and arrangements will be made with manufacturers to fill orders for any description of Furniture, at CITY PRICES. Furniture sold to go to Queen Anne's, will be delivered at the end of the bridge in Queen Anne's, or on the Steamboats, free of charge, securely packed, and warranted to be as represented.

CARPETS
AND
OIL CLOTHS.
We will also have connected with the Store A ROOM FOR CARPETINGS AND OIL CLOTHS, and many other goods in that line. OIL CLOTHS for Halls and rooms in one piece, all at *CITY PRICES.*

And last but not least:
We have been appointed agents for two First Class Sewing Machines, the
GROVER & BAKER,
AND THE
HOWE SEWING MACHINE.
The GROVER & BAKER is used in the family of the Rev. Mr. GOODWIN, pastor of the Prot. Episcopal Church; Rev. Mr. MURRAY, pastor of the Meth. Prot. Church, and the Rev. Mr. QUIGG, pastor of the Meth. Epis Church, to whom we refer by permission.
The HOWE MACHINE is made by the company of which Elias Howe, the inventor of the Sewing Machine, was the President, (lately deceased,) it must be supposed that he knew how to make a Sewing Machine, and it only needs to be tried.
The Sewing Machines will be kept in a room fitted up for that purpose, where persons desiring to purchase will be instructed how to use them. All the necessary supplies will be kept for these Machines, and we will guarantee the price at which the Machines are sold to be the same as the City Price—from $55 up Ladies will feel at liberty to visit the Sewing Machine Room whenever inclined to do so.

WHY YOU SHOULD BUY
AT
MASTBAUM'S
Clothing Store.

1st.—We have the most Fashionable Clothing of any Establishment on the Eastern Shore.

2nd.—Ours is the Oldest Established House on the Shore.

3rd.—We Manufacture all our own Goods, and we are thus enabled to sell and do sell much cheaper than those who buy to sell again, as we prevent the imposition of but one profit on our customers, whereas every other Clothing Store in Town is obliged to impose TWO.

4th.—Our Goods are well and tastefully made, by the most skillful artists Philadelphia can furnish.

5th.—We sell nothing but what we can recommend, and we defy any man to show where he has once been deceived by our recommendation.

6th.—Our Goods always
Fit a *little* closer,
And loook a *little* neater,
And wear a *little* better,
And last a *little* longer,
And are sold a *little* cheaper
Than any other Goods in Town!
And THIS is the "REASON WHY" our Establishment is patronized by all who desire to get the full value of their money and to present a neat and gentlemanly appearance.

7th.—We have just received a NEW STOCK, embracing every variety which the most fastidious can desire and the most critical can demand.

8th.—We make it our particular endeavor to pay the strictest attention to all our customers.

These reasons are, we think, sufficient to explain that the popularity which we enjoy, and which is an enigma to many, is not undeserved, and also warrants us in the hope of a continuation of it.

BEALE'S
(Late Powell's)
EMBROCATION,
FOR ALL DISEASES INCIDENT TO
HORSES, CATTLE,
AND
THE HUMAN FLESH,
REQUIRING THE USE OF AN EXTERNAL APPLICATION.
THIS new compound, prepared by a practical Chemist, having a full knowledge of all the medical virtues of each ingredient that enters into its composition, is warranted to exceed anything of the kind ever yet offered to the public as an external application for the diseases for which it is recommended. We are satisfied that it will work its own way into the confidence of all who use it, and those who
Try It Once
will never be without it, and therefore we rely on experience as the best test of its usefulness. It is pronounced by Farriers, and all who have tried it, to be the *best application* ever used.
This Embrocation has been put up for over eight years, and it is only through the increasing demand and urgent request of my friends and the public that I send it forth as the
Grand Remedial Agent
for the various diseases to which that noble and useful animal, the horse, is subject.
Many remedies have been offered to the public under different forms, some of these are injurious, others at best of little use, and many wholly improper to answer the purposes for which they are recommended.
A judicious and really useful composition, free from those objections, has therefore long been desired by many gentlemen who have valuable horses, and are unwilling to trust them to the care of designing and pretended ferriers. Their wishes are at length fully gratified, by (Dr. Beale) being prevailed upon to allow this VALUABLE EMBROCATION, which has proved so efficacious to the various diseases, to be prepared and brought out to the public.
This Embrocation was extensively used by the Government during the war.
Address all orders to
