and may get into the thick of the fight someday, though it isn't likely. The job they do is too important. If their work stops even for an hour, the fighting would probably stop for an equal length of time somewhere down the line.

The supplies must go through and their work is the first step on this side of the ocean in getting them to the front lines. Daily ship convoys dingdorge mountains of equipment and supplies and these men handle the unloading.

2 Officers from Baltimore

COLOR HAIR JET BLACK!

Gives the hair of dull brunette, auburn or gray a natural, even, jet black shade. Not a rinse, not a tint, not a dye. It's a compound, a prepared formula and is comparatively easy to apply. Comes in two parts, one part to be used in your bathroom and another part to be used in your kitchen. Comes with complete directions. Gives you the very first application colors your hair beautifully, yet leaves it soft and pliable. Does not rub off on anything, not even your pillow. Does not stain the skin. Does not leave your hair looking "painted." Does not rub off or fade. Does not wash out. Does not leave your hair looking "dyed." Does not fade in the sunlight. Does not fade in the shampoo. Does not fade in the ocean water. Does not fade in the chlorine water in swimming pools. Does not fade in the perspiration. Does not fade in the permanent wave solution. Does not fade in the hair waving solution. Does not fade in the hair straightening solution. Does not fade in the hair bleaching solution. Does not fade in the hair tinting solution. Does not fade in the hair dyeing solution. Does not fade in the hair coloring solution. Does not fade in the hair shampoo solution. Does not fade in the hair conditioner solution. Does not fade in the hair rinse solution. Does not fade in the hair setting solution. Does not fade in the hair curling
