A CARD.

CHESTERTOWN, January 24, 1862.

THE present distracted condition of our once prosperous and happy country—my advanced age—the uncertainty of life—my duty to my creditors, friends and family, all admonish me of the necessity of closing my business, which I shall proceed to do with all the means in my power.

I have therefore concluded to discontinue the practice of Medicine, or so abridge my field of operations as to enable me to devote some time to the collection of my dues, and payment of my debts. If there are any entertaining a particular preference for me, and are willing to pay me half-yearly, or yearly, I will for such, still endeavor to discharge my professional duty. I will not decline without returning my kind acknowledgments to the community for the pleasant intercourse I have so long enjoyed and most earnestly hope that they will find some one who will more successfully and faithfully discharge the arduous and responsible duties of so extensive a practice as I have had for the last twenty years.

If after getting my affairs in a more tangible or intelligible form, the community should stand in need or wish my professional services, I may conclude to resume.

THOS. H. WHALAND.

DR. J. BOVEE DODS' IMPERIAL WINE BITTERS!

ARE made from a pure and unadulterated Wine, which is about double the usual strength of other Wines, and is imported by only one house in the United States. Also, from the following valuable Roots, Herbs, &c., viz: Solomon's Seal, Spikenard, Comfrey, Camomile Flowers, Gentian, Wild Cherry Tree Bark, and Bayberry.

WE CHALLENGE THE WORLD TO PRODUCE THEIR EQUAL!

We do not profess to have discovered some Roots, "known only to the Indians of South America," and a cure for "all diseases which the flesh is heir to," but we claim to present to the public a truly valuable preparation, which every intelligent Physician in the country will approve of and recommend. As a remedy for

INCIPIENT CONSUMPTION,

Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles, Diseases peculiar to Females, Debility, and all cases requiring a Tonic, they are

UNSURPASSED!

For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm, or for persons of a weak constitution—for Ministers of the Gospel, Lawyers and all public speakers—for Book-Keepers, Tailors, Seamstresses, Students, Artists and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilerating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to excessive use of strong drink, and wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only CURE, but PREVENT Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen and temperance advocates, as an act of humanity, should assist in spreading these truly valuable BITTERS over the land, and thereby essentially aid in banishing Drunkenness and Disease.

Daily's Ventilated Truss.

THIS celebrated Truss has proved by the numerous cures it has effected in the short time since its invention, to be the great improvement of the age for the relief of ruptured persons. Parties on whom I have applied the Truss say they would not take a thousand dollars for it, and yet it is furnished at a fourth the price asked by truss makers in our large cities for an inferior article. I will apply the truss myself either at my store or at the dwellings of persons desiring it. Particular attention paid to children. All children can be cured of this troublesome complaint, by having a proper Truss applied. Ladies' Trusses and bandages will be applied by a competent lady.

Constantly on hand, and made to order, a large and complete assortment of Surgical Instruments, Bandages, Supporters, Braces, in fact every surgical appliance that can be wanted, may be found at my store, or I will make it to suit any special case.
