Pacific Guano Company's

(CAPITAL $1,000,000,)

SOLUBLE

PACIFIC GUANO!

THE VALUE of this Guano is now so well known and appreciated, that it does not require further commendation from us.

The Company owns the Guano Islands, and other sources of supply from which its raw material is drawn. Hence, this Guano, possessing such high excellence, can be brought into market at a price not exceeding that of the ordinary Super-Phosphates of Lime.

The large capital invested by this Company affords the surest guarantee of the continued excellence of their fertilizer, as the safety of their capital depends upon continued and permanent business.

Experience has shown that this Guano ripens the Wheat crop from five to six days earlier than the Super-Phosphates.

It is the policy and purpose of the Company to furnish the best fertilizer that enterprise and capital, aided by the best scientific ability, can bring into market, at the lowest possible cost to consumers.

Another New Store in Chestertown.

I WOULD respectfully announce to my friends and the public generally that I have opened a new store in Mr. J. H. Burchinal's building, adjoining Mr. B. Strauss' Clothing Store, near the corner of High and Cross Streets, where I intend to keep for sale

DRY GOODS, NOTIONS, Boots and Shoes, GROCERIES AND PROVISIONS, Queens-ware, Cedar-ware, Smoking and Chewing Tobacco, Cigars, Pipes, and Confectionaries,

in fact most everything that I think will be needed in a country store, all of which will be sold at a small profit for cash or country produce. All kinds of Country Produce taken in exchange for goods.

I would further say to my old customers that are indebted to me, that I need money and will take it as a great favor if they will come in and settle with me without delay. I accommodated you when you came to me without the money, and now you ought to accommodate me and let me have the money, as it is the time for settling up. Yours respectfully,
