Hopes of Radicals Regarding Maryland.

It has been a cherished hope with Maryland radicals, still entertained by them, that negro suffrage would be eventually secured in this State, and, consequently, such political reform as must secure a new constitution, and place the political ascendency and official control of the commonwealth again in their hands. This is what they all expect—hope for. Towards that end their leading journals and politicians have sought every available opportunity to attack the existing constitution, and if possible prejudice people against it. It requires no argus eyes to see the motives underlying these onslaughs.

Reduced to substance we may sum it up in a few words. The outs want to get in. They are hungry for offices, and, to secure them, must make places for themselves. This can only be done by overthrowing our present admirable, and almost faultless constitution. It is expected, if we correctly interpret movements in Congress, that the colored people of Maryland, and those of all the other States, will, at no distant period, be given the right to vote. This done the supposition is there will be strength enough added to the radical organization to give it a majority, in which case a legislature is soon gained, and finally, another convention to amend the constitution and thereby secure State reform.

We are not, however, of those who place much faith in the extension of negro suffrage in this country much, if any, beyond the point it has already reached. There is more probability, indeed, of its abridgement than of its extension. Time is the great arbiter of events, and the hope of a few more years, arguing from certain developments, will possibly restrict to a prodigious extent the political franchises and privileges now exercised by colored men in all the Southern States. Georgia has already repudiated them as State legislators, and, at the earliest practical moment, when left unrestricted, the white men of every other Southern State will take the management of their own domestic affairs to themselves, even if this has to be accomplished by using the negro in his simplicity and ignorance towards that end. There is not a commonwealth South of Mason and Dixon's Line, regardless of the negro majority therein, but will, in less than ten years from now, be wholly and entirely controlled by its white inhabitants. It would be safe we think to name half that time as the epoch of its accomplishment. All that is required is a little more liberty and the opportunity of making a commencement. This is sure to come, and speedily.

If manhood suffrage should, perchance, be inaugurated in Maryland and the negro be made an element in politics, the probabilities are in less than two years he will be found voting largely with the democracy. This he is certain to do in the thickly populated counties, where almost the entire white citizenship is democratic.

So far, then, as any reform in Maryland, through colored influence, profitable to radicalism, is concerned, our democratic friends need give themselves no uneasiness.—*Maryland Republican.*

GRANT AND BANKS.—There seems yet to be quite a fog in regard to the story about Banks having been ordered to supersede Grant before Vicksburg. Though it is explained that the whole matter grew out of orders for Banks to join his forces, then at Port Hudson, with Grant's, at Vicksburg, and by which Banks would have become the superior in command, as he outranked Grant, yet a correspondent of the New York Herald, signing himself "W.," states the following:

"While General Grant was operating in front of Vicksburg, I was employed as clerk in Secretary Stanton's office at the War Department, Washington. Secretary Stanton wrote two orders, directing me to make two copies of them, one for telegraphing and one for filing. The first of these orders was addressed to General Banks, directing him to proceed at once to Vicksburg and relieve General Grant. The second order was addressed to Gen. Grant, directing him to turn over his command to General Banks on the arrival of the latter, who had been ordered to relieve him. I do not pretend to give the literal wording of these orders. I have given their exact substance, and they should be on file, unless removed. The copies of these orders to be transmitted by telegraph I sent by messenger to the War Department telegraph office, by order of Secretary Stanton. These copies should also be on file."

It is stated that the correspondence in the Banks-Grant affair will be given to the public from army head-quarters.

CONSTITUTIONALITY OF THE INCOME TAX.—The Supreme Court on Monday made an important decision. The case came up from California, where it was held that an income tax is a direct tax within the meaning of the Constitution, and that the tax laid by the Internal Revenue law is unconstitutional, because it is upon property and not divided *pro rata* among the States according to their representation in the lower House of Congress. The Court decided against this ruling, and affirmed the constitutionality of the tax in its present form.

THE New York *Evening Post* says that its Radical co-laborer, the *Tribune*, "is engaged, in company, with a set of unscrupulous and greedy lobbyists, in an attempt to misuse the power and influence of the Republican party for private ends." The Radical machine will run on no other track. Once put it on the broad guage of Union and honesty, and there will be a collapse of the concern in less than a fortnight.

STATE ELECTIONS.—The political campaign of 1869 will open with the following State elections: New Hampshire, March 9; Connecticut, April 4; Rhode Island, April 7. A Governor is to be choson in each.

DR. MUDD.—It is said that the President has directed that a pardon be issued for Dr. Mudd, one of the alleged conspirators at the Dry Tortugas.

HARRIET JOHNSON,
vs.
JAMES JOHNSON.
On the Equity Side of the Circuit Court for Kent County, Dec 26th, 1868.

THE object of this bill is to procure a Decree for a divorce *a vinculo matrimoni* from James Johnson.

The Bill states that on or about the year eighteen hundred and fifty-six the complainant was lawfully united in marriage with James Johnson, then of Kent county, in the State of Maryland. That they cohabited and lived together as man and wife, from that period until about the month of January, in the year eighteen hundred and sixty-three, when the Defendant left and abandoned the home and board of the Complainant without any sufficient or reasonable cause, and that since said abandonment and desertion the said defendant has contributed in no wise to the support and maintenance of the complainant, and that since said desertion and abandonment the complainant has never heard of and does not now know the whereabouts of the said defendant, James Johnson

The Bill further shows that during the time of her marriage and up to this time that the complainant has resided in Chestertown, Kent county, Maryland, and she is advised that she is entitled to a divorce *a vinculo matrimoni* from the said James Johnson.

It is thereupon, by me, Jesse K. Hines, Clerk of the Circuit Court for Kent county, adjudged and ordered, that the complainant, by causing a copy of this order to be inserted in some newspaper published on the Eastern Shore of Maryland once in each week for four successive weeks before the sixth day of February next, give notice to the absent defendant of the object and substance of this bill; and warn him to appear in this Court in person or by solicitor, on or before the seventh day of May next, to answer the premises and show cause if any he has, why a decree ought not to pass as prayed. JESSE K. HINES, Clerk.

THEY CURED YOUR
FATHERS AND MOTHERS,
And will cure you and your children. They are entirely different from the many preparations now in the country called Bitters or Tonics. They are no tavern preparation, or anything like one; but good, honest, reliable medicines. They are
The greatest known remedies for

Nervous Debility,
JAUNDICE,
Diseases of the Kidneys,

and all Diseases arising from a Disordered Liver, Stomach, or
IMPURITY OF THE BLOOD.
Constipation, Flatulence, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the Sight, Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and Great Depression of Spirits.
All these indicate disease of the Liver or Digestive Organs, combined with impure blood.

Hoofland's German Bitters
is entirely vegetable, and contains no liquor. It is a compound of Fluid Extracts. The Roots, Herbs, and Barks from which these extracts are made are gathered in Germany. All the medicinal virtues are extracted from them by a scientific chemist. These extracts are then forwarded to this country to be used expressly for the manufacture of these Bitters. There is no alcoholic substance of any kind used in compounding the Bitters, hence it is the only Bitters that can be used in cases where alcoholic stimulants are not advisable.

Hoofland's German Tonic
is a combination of all the ingredients of the Bitters, with PURE Santa Cruz Rum, Orange, etc. It is used for the same diseases as the Bitters, in cases where some pure alcoholic stimulus is required. You will bear in mind that these remedies are entirely different from any others advertised for the cure of the diseases named, they being scientific preparations of medicinal extracts, while the others are mere decoctions of rum in some form. The TONIC is decidedly one of the most pleasant and agreeable remedies ever offered to the public. Its taste is exquisite. It is a pleasure to take it, while its life-giving, exhilarating, and medicinal qualities have caused it to be known as the greatest of all tonics.

DEBILITY,
There is no medicine equal to Hoofland's German Bitters or Tonic in cases of Debility. They impart a tone and vigor to the whole system, strengthen the appetite, cause an enjoyment of the food, enable the stomach to digest it, purify the blood, give a good, sound, healthy complexion, eradicate the yellow tinge from the eye, impart a bloom to the cheeks, and change the patient from a short-breathed, emaciated weak, and nervous invalid, to a full-faced, stout, and vigorous person.
Weak and Delicate Children are made strong by using the Bitters or Tonic. In fact, they are Family Medicines. They can be administered with perfect safety to a child three months old, the most delicate female, or a man of ninety.
These Remedies are the best
Blood Purifiers
ever known, and will cure all diseases resulting from bad blood. Keep your blood pure; keep your Liver in order; keep your digestive organs in a sound, healthy condition, by the use of these remedies and no disease will ever assail you. The best men in the country recommend them. If years of honest reputation go for anything you must try these preparations.

FROM HON. GEO. W. WOODWARD,
Chief Justice of the Supreme Court of Pennsylvania.
PHILADELPHIA, March 16, 1867.
I find "Hoofland's German Bitters" is not an intoxicating beverage, but is a good tonic, useful in disorders of the digestive organs, and of great benefit in cases of debility and want of nervous action, in the system.
Yours truly,
GEO. W. WOODWARD.

FROM HON. JAMES THOMPSON,
Judge of the Supreme Court of Pennsylvania.
PHILADELPHIA, April 28, 1866.
I consider "Hoofland's German Bitters" a valuable medicine in case of attacks of Indigestion or Dyspepsia, I can certify this from my experience of it. Yours, with respect,

FROM REV. JOSEPH H. KENNARD, D. D.,
Pastor of the Tenth Baptist Church, Philadelphia.
DR. JACKSON—DEAR SIR:—*I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that for general debility of the system and especially for Liver Complaint, it is a valuable and valued preparation. In some cases it may fail; but usually I doubt not it will be very beneficial to those who suffer from the above causes. Yours, very respectfully,*
J. H. KENNARD,
Eighth, below Coates street.
