May 25th, 1869.

WE have this day completed extensive repairs on the MILL, which enables us to grind more than ten bushels of good Meal in one hour, and more than eight bushels Wheat. If any one doubts it, I invite him to call, and I promise to convince him We can accommodate all that may find it convenient to send, in the best possible manner. We have also repaired the Mill for grinding Plaster, and Corn in the ear, etc.

N. B.—I have been compelled to expend quite a large amount of money in the repairs, or incur great loss and the public much inconvenience; I would therefore take it as a great favor for any one owing me to call and pay their indebtedness, or any part of it. I have called where I thought it most likely to succeed and failed, and am discouraged from further attempts. This may find some prepared whom I least suspect. If so, I shall be spared the mortification of selling paper or borrowing money.
Most respectfully,
my29-tf. THOS. H. WHALAND.

To My Friends and the Public.

FEARING that I may not be able to undergo the arduous duties of my profession, I have this day associated with me Dr. J. A. PERKINS. From my knowledge of Dr. Perkins, I without hesitation recommend him to my patients. If any one should object to the services of either, they will so state when sending, that anything unpleasant may be avoided. The one preferred will give all or most attention. Consultations will be held without the consultation fee. Our charges will correspond with those who practise around us. We hereby offer our services and pledge our best efforts to discharge our duty.
T. H. WHALAND.

N. B.—I shall proceed to settle my old books, by legal process, upon all accounts remaining unsettled for more than two years.
