Diarrhea Cases Increase, But Medics Deny Epidemic Exists

Contending there is no actual epidemic of diarrhea, several local physicians and druggists agree, however, that reports of the malady have increased appreciably during the past two weeks.

Some blame the water, others attribute it to improperly cured meats, while over-indulgence in rich foods, particularly those which have recently been plentiful are thought to have effected whole families in various sections of the city.

During the most serious stages of the ailment, it is suggested that the person infected abstain from all foods.

Suggested Antidotes

Two teaspoons of sugar and a half teaspoon of salt, dissolved in a quart of water, should be taken as a form of nourishment. when some relief has been obtained, crushed very ripe bananas or apple scrapings may be eaten.

One half teaspoon of milk of bismuth dissolved in water, and taken every half hour also is suggested for relief of the disorder.

City Councilmanic Victory Predicted

Rev. Payne to Succeed, Marse Callaway Says

Marse S. Callaway predicts that new spring Fourth District residents will have their first colored City Council member since Warner T. McGuinn and Walter Emerson were in that body some 16 years ago.

The Republican leader referred to the prospects of the Rev. Arthur J. Payne's being elected. The candidate was endorsed by the Baptist Ministers' Conference on Monday.

Healthy Outlook

Corralling the support of the ministers, plus plans to consolidate their efforts behind a lone candidate, presents one of the healthiest outlooks in his 25 years of political activity, Mr. Callaway stated.

John L. Berry and William I. Gosnell, previously mentioned as being considered to run for the post, withdrew in favor of the Enon Baptist Church pastor.

Philly Legislation Aids

Behind these moves as the campaign shapes up, is seen the strategy of Mr. Callaway, who brought the Rev. Clarence M. Smith, Philadelphia legislator, here to address the ministers Monday.

One of seven persons elected to the Pennsylvania State Legislature last month, the Rev. Mr. Smith was credited with doing much to arouse political interest among the Baptist clergy in Baltimore.

20th Century Laundry Sold

First photo shows Alex Cooper, professional auctioneer, as he sold antiquated pressing machine for $5. The sale marked the liquidation of the laundry opened 10 years ago at Pennsylvania Ave. and Green willow St. The entire equipment brought approximately $4,000.

In the second scene are shown John W. Pyles, and Drs. Bernard N. Hatcher and John R. Coasey, vice president and manager, president and treasurer, respectively. In a prepared statement the owners blamed lack of supplies due to the war crisis for closing.

Pastor, Gospel Singers to Appear at Ebenezer

The Rev. Harold Williams and the Vashti Gospel Singers will appear Sunday at 3:30 p.m., at Ebenezer AME Church

The group will begin a week's revival services Monday night at Brown's Memorial Church, Gilmor and Franklin Sts.

THE MAN ON THE JOB

Happy days bring happy memories
Memories of a woodlawn trail
Winding over hills and valleys
Thru the deep and grass-grown dale;
To the pool where crowds in wonder
Watch the swift and splashing seal
As he snatches fish in mid air
With a sharp and barking squeal.

Down the hill and past the wires,
Where the deep and sullen mood
Stands the shaggy headed bison
Once the monarch of the wood.
He who roamed the plains in millions,
Shook the earth with thunderous tread,
Now behind these wire fences
Numbering scarce a dozen head.

Taking memories of the plains king
To the pit where growling bears,
Draw the crowd to line the railing
For the sight of clumsy pairs.
While anon from rocks and cages
Comes a muffled, throaty roar
From the place where tawny Leo
Growls his protests by the score.

Past the birds and deer, and fishes
By the hippo's ponderous bulk,
Next to meet the solemn camel
Near great Jumbo's swaying hulk.
Till at last we meet the burlesque,
Masters of the Knockabout
To the cages filled with monkeys
Making crowds to roar and shout.

Pastor Ordained

THE REV. JAMES TILLERY,

son of the late Rev. A. C Tillery of North Carolina, was ordained to the Gospel Ministry, Friday night, Nov. 29, 1946 at Royal Baptist Church, 24 North Eden St.

At the call of this church, of which Rev. Tillery is pastor, a group of ministers met and formed a Presbytery to inquire into the Church's necessity.

The ministers were the Revs L. A. Williams, pastor of Mt. Hebron Baptist Church, acting as moderator; W. H. Pettis, corresponding secretary of Independent Colored Baptist Convention; N. T. Ford, pastor of First Baptist Church, Belair, Md.; S. H. Nelson, pastor of Home Baptist Church; W. D. Leighton, pastor of Elizabeth Baptist Church; Matthew Marcus, pastor of Little Ark Baptist Church; S. P. Browne and Calhoun E. Greene, ex-president of Jones-Williams University acting as catechiser.

Rev. Tillery gave a brilliant and sophisticated exposition of the doctrines of his church as formulated by the New Hampshire Convention, the authoritative standard of the Baptist Church.

Apparently he brings to the church an intelligent concept of ministerial fitness and efficiency.

Grocer Appeals License Decision

Denied permission to sell bottled liquors in his grocery at 604 N. Carey St., J. Steadman Greig has filed an appeal in the Baltimore City Court to be heard within the next two weeks.

The grocer's attorneys, the Murray-Douglass-Perkins law firm, are contending that even though similar establishments are in the neighborhood, all are operated by whites.

Heads Grocers

Mr. Greig already is operating under a license which permits the sale of beer and wine, and desires to add liquors to his wares. All alcoholic sales are off-the-premises transactions.

The merchant, a grocer for 10 years, is president of the United Negro Grocers' Association.

Do you think steel profits are *big?*

Recently in a nation-wide poll most people guessed that steel profits were about 20 cents on each dollar of sales. They said 10 cents would be about right.

Actually, for the past ten years steel company profits have averaged less than 5 cents on each dollar of sales.

Although profits continue low, wages, employment and production are near record levels.

EMPLOYMENT

The number of wage earners is not far from the highest in peacetime steel history—20 per cent above the 1929 level.

PRODUCTION

Despite strikes earlier in the year, steel production in 1946 was headed toward a new peacetime record until the November coal strike.

WEEKLY WAGES

Weekly wages in steel industry in the third quarter of 1946 were 63% higher than in 1939.

STEEL COMPANY PROFITS

Average profit per dollar of sales in 1946 is lower than it was in most good prewar years.
