U. S. INTERNAL REVENUE.
Annual Assessment of 1863.

ASSESSOR'S OFFICE,
DENTON, Maryland, May 21, 1863.

ALL tax payers within the first District of Maryland, are hereby notified to make returns of the annual assessment of 1863, to the assistant Assessors of the Divisions in which they respectively reside:

Of the amount of Silver and Gold plate kept for use;

Of Carriages kept for use or for hire and their value;

Of Billiard Tables kept for use or for hire;

Of Yachts or pleasure vessels and their value.

The last Assessment on the above classes of property, was made for the year 1862. The assessment now to be made is for 1863.

II.—LICENSES.—All persons engaged in any kind of business for which they are liable to pay license are required to apply for license from May 1, 1863.

Holders of Licenses will be allowed for any time which they may have yet to run before expiration.

III.—INCOME.—*Total Income to be Returned.* Each person will be required to return his total income from January 1, to December 31, 1862, inclusive, so far specifying the sources from which it is derived as to enable the assistant assessor to decide what deductions shall be made therefrom.

All income from whatever source received, prior to September 1, 1862, is taxable, as dividends were not subject to deduction before that date. Interest received from or due by trust companies, saving institutions, insurance and Railroad companies, corporations or associations, prior to the same date is also taxable.

Profits of business, including the profits of manufacturers, are to be taxed. The exemption of profits on manufactures, contained in the original statute, was removed by the amendatory act of March 3, 1863.

The income tax is to be levied upon all persons in the district in which they reside; consequently persons in this district deriving profits or income from investments or business outside of the district must make return of the same here.

Business firms must make such an estimate of their gains for the year 1862, as will enable each member to return his share to the assistant assessor.

Guardians and Trustees, whether such trustees are so by their office as executors, administrators or other fiduciary capacity, are required to make return of the income belonging to minors, or other persons, which may be held in trust as aforesaid; and the income tax will be assessed upon the amount returned, after deducting such sums as are exempted from the income tax as aforesaid; Provided that the exemption of six hundred dollars, under section 90 of the excise law, shall not be allowed on account of any minor or other beneficiary of a trust, except upon the statement of the guardian or trustee, made under oath, that the minor has no other income from which the said amount of six hundred dollars may be exempted and deducted.

FARMERS will be required to make return of the value of the produce of his Farm or plantation, without deduction for the labor or services of himself and family or for any portion of such produce consumed by himself and family.

Persons receiving salaries must return the full amount of the same.

The following deductions will be allowed:

Taxes for 1862, and the amount actually paid for rent of any dwelling house or estate which is the residence of the person assessed.—Persons receiving rent may deduct therefrom the amount paid for necessary repairs, insurance and interest on incumbrances upon such rented property. The cost of new structures or improvements to buildings, shall not be deducted from income.

Interest paid by any person on incumbrances upon the dwelling house or estate on which he resides, also his payments for necessary repairs.

The amount paid by any farmer for hired labor and necessary repairs upon his farm, including the subsistence of laborers.

Also the sum of six hundred dollars.

All persons neglecting or refusing to make returns of any property or business which may be subject to tax or license, for ten days after notified to do so by an assistant assessor, are liable to be assessed by him according to the best information he can obtain, and he is required by law to add fifty per centum to the amount of such assessment. Such persons also become liable to the fines and penalties prescribed by law.

Returns may be made to either of the following assistant assessors, for their respective counties, from whom any further information (and the requisite blanks) may be obtained.

A HIGHLY CONCENTRATED VEGETABLE EXTRACT.

A PURE TONIC,

THAT WILL RELIEVE THE AFFLICTED AND NOT MAKE DRUNKARDS.

DR. HOOFLAND'S
GERMAN BITTERS,

Prepared by Dr. C. M. Jackson, Philadelpia, will effectually and most certainly cure all Diseases arising from a

DISORDERED LIVER, STOMACH, OR KIDNEYS.

Thousands of our citizens are suffering from Dyspepsia and Liver Diseases. We guarantee *Hoofland's German Bitters will cure them.*

Hoofland's German Bitters will cure every case of Chronic or Nervous Debility, Disease of the Kidneys, and Diseases arising from a Disordered Stomach. Observe the following symptoms resulting from Disorders of the Digestive Organs: Constipation, Inward Piles, Fulness or Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for food, Fulness or weight in the stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying posture, Dimness of Vision, Dots or Webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, chest, limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and great Depression of Spirits.

PARTICULAR NOTICE.

There are many preparations sold under the name of Bitters, put up in quart bottles, compounded of the cheapest whiskey or common rum, costing from 20 to 40 cts. per gallon, the taste disguised by Anise or Coriander Seed.

This class of Bitters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alcoholic Stimulants of the worst kind, the desire for Liquor is created and kept up; and the result is all the horrors attendant upon a drunkard's life and death.

For those who desire and will have a Liquor Bitters, we publish the following receipt. Get one bottle Hoofland's German Bitters and mix with three quarts of good Brandy or Whiskey, and the result will be a preparation that far excels in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of Liquor, at a much less price than these inferior preparations will cost you.

HOOFLAND'S GERMAN BITTERS
WILL GIVE YOU
A GOOD APPETITE,
Will give you *Strong Healthy Nerves,*
Will give you *Brisk and Energetic Feelings,*
Will enable you to *SLEEP WELL,*
And will positively prevent
Yellow Fever, Bilious Fever, &c.

Those suffering from Broken down and Delicate Constitutions, from whatever cause, either in Male or Female, will find in Hoofland's German Bitters a Remedy that will restore them to their usual health. Such has been the case in thousands of instances, and a fair trial is but required to prove the assertion.

REMEMBER,

That these Bitters are NOT ALCOHOLIC, and not intended as a Beverage.

The Proprietors have thousands of Letters from the most eminent
CLERGYMEN,
LAWYERS,
PHYSICIANS,
AND CITIZENS,
testifying of their own personal knowledge, to the beneficial effects and medical virtues of these Bitters.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them. J. NEWTON BROWN.

Philadelphia, June 23, 1861.

Diseases of Kidneys and Bladder, in young or aged, male or female, are speedily removed, and the patient restored to health.

DELICATE CHILDREN,

Those suffering from Marasmus, wasting away, with scarcely any flesh on their bones, are cured in a very short time; one bottle in such cases will have a most surprising effect.

Parents having suffering children as above, and wishing to raise them, will never regret the day they commenced with these Bitters.

LITERARY MEN,
STUDENTS,

And those working hard with their brains, should always keep a bottle of HOOFLAND'S BITTERS near them, as they will find much benefit from its use, to both mind and body, invigorating and not depressing.

IT IS NOT A LIQUOR STIMULANT,
And Leaves no Prostration.

ATTENTION, SOLDIERS!

AND THE FRIENDS OF SOLDIERS.

We call the attention of all having relations or friends in the army, to the fact that "Hoofland's German Bitters" will cure nine-tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise would be lost.

The proprietors are daily receiving thankful letters from sufferers in the army and hospitals, who have been restored to health by the use of these Bitters, sent to them by their friends.

BEWARE OF COUNTERFEITS!

Robert & Joseph V. Smith are well known to the citizens of Kent and the adjoining counties, the former having moved to this county when but a young man, and the latter was raised in this neighborhood, and after an absence of many years and a long practical knowledge of the business, we come back and solicit your patronage. It is useless to use the names of any one as reference for we are both well known to most of the citizens of this county, (as well as Queen Ann's,) and the people know that they can trust us with all kinds of work, and the better the watch, or clock, the more easily it is for the practical workman to give satisfaction.
