GRAND, SQUARE AND UPRIGHT
**PIANO-FORTES.**
WAREROOMS—350 West Balt. St., near Eutaw,
BALTIMORE, MD.

THESE instruments have been before the public for nearly thirty years, and upon their excellence alone attained *an unparalleled pre-eminence* which pronounces them unequaled.

Their TONE combines great power, sweetness and fine singing quality, as well as great purity of intonation, and evenness throughout the entire scale.

Their TOUCH is pliant and elastic, and entirely free from the stiffness found in so many Pianos. In WORKMANSHIP they are unexcelled, using none but the very best seasoned material, the large capital employed in our business enabling us to keep continually an immense stock of lumber, etc., on hand.

All our Square Pianos have our new Improved Overstrung scale and the Agraffe Treble.

We would call special attention to our late improvements in Grand Pianos and Square Grands, patented August 16, 1866, which bring the Piano nearer perfection than has yet been attained.

## The Morning Star Bitters Co.,
HAVE determined to present their Bitters to the public, knowing that they will sustain the merits claimed for them. This is no novelty in the market, having been before the public for the last ten years, and has everywhere stood the test of the most searching scrutiny. This Medicine is accurately compounded from the purest ingredients by experienced chemists. Neither is it claimed that the ingredients were hitherto unknown to the medical profession, on the contrary the various component parts have for a long time (some for centuries) been used by the most skeptical and experienced Physicians as a Specific in cases of Dyspepsia, Poverty of the Blood, Nervous and Bilious Headache, and many diseases arising from derangement of the Digestive Apparatus. It is not claimed for this article that it will cure all diseases. In BILIOUS FEVER and CHILLS AND FEVER, its value not only as a relief, but as an actual cure, has been fully proved. It is especially recommended in all diseases resulting from an impoverished state of the Liver, such as Hepatic Congestion, Biliary Obstruction, excess of Bile, &c.

It is recommended by prominent Medical men, who though opposed in principle to all patent or proprietary Medicines, have been forced by the result of their experience with the M. S. BITTERS, to recommend its use to their patients and the general public. We append a few of their certificates:

CHURCH CREEK, Aug. 15, 1866.

Having been made acquainted with the composition of the "Morning Star Bitters," I have no hesitation in stating that they are well adapted to cases of debility of the digestive organs, in which a purely vegetable tonic is required. THOS. KING CARROLL, M. D.

No. 230 BARRE ST., BALT., MD.

I hereby certify that for a number of years I was afflicted with Dyspepsia, it resisted all treatment and finally became so bad that I was compelled to abandon my business, regarding the case as hopeless. A persevering use of the M. S. Bitters completely removed the troubles.

my22-6m. WM. H. SMITH.

## THE GREAT VEGETABLE
BLOOD PURIFIER.

**COMPOUND FLUID EXTRACT**
OF THE
**IRIS VERSICOLOR**
OR
**BLUE FLAG.**

The most powerful, safe and reliable remedial agent discovered for the healing of man. The wonderful properties of the Iris Versicolor, hitherto unknown or undeveloped, has been brought within the control of science, and is now taking its stand as principal among the blessings of medicine.

**AS AN ALTERATIVE,**
it acts directly upon the blood, cleansing and purifying the vital current of all the humors and taints which disease or malarious influences have planted there, and eradicating and neutralizing the effects of mercury or other poisons which may have been taken into the system. For this reason it is infallible as a remedy for SCROFULA, ERUPTIONS OF THE SKIN, INCIPIENT CONSUMPTION, DROPSY, &c., and will cure the most virulent and obstinate cases of

**RHEUMATISM AND GOUT.**
It is an unfailing preventative and cure for NEURALGIA, SICK HEADACHE AND NERVOUS AFFECTIONS, and in

**DISEASES OF WOMEN**
it has no equal. Its action upon the *Liver* and *Kidneys* is prompt, salutary and effective, and it is this property which renders it one of the safest and most reliable

**DIURETIC REMEDIES**
known in the practice of medicine. Its excellent and skillful combination with other ingredients imparts to it

**TONIC QUALITIES**
of the highest order—not temporarily stimulating, but permanently invigorating the digestive organs, and rendering it a most valuable curative agent in cases of

**Dyspepsia and General Debility.**
By taking IRISIN the blood—which permeates all the tissues and is the life and nutrition thereof—is purified, rendering the whole system perfectly healthy.

REMEMBER.—This medicine is no offshoot of quackery, but the regular formula of a distinguished practitioner now a resident of Baltimore city, and so high does it stand in the favor and esteem of the intelligent and scientific that it has been adopted by physicians in their practice, and is daily being prescribed and recommended by the most eminent of the profession throughout the country. The better it becomes known the more highly is it praised and the more extensively is it used.

BALTIMORE, Febuary 15, 1869.
Messrs. Lieutaud & Co., Dear Sirs:—The "Antidote" which you sent me for examination, and aplication to any obstinate case of Intermittent Fever which might come under my notice, has been received. I have analyzed the contents, and after discovering the ingredients, and recognizing them as applicable to the disease in question, I determined to give it a trial. I did so, and found the therapeutic effects precisely in accordance with the character claimed for it by you; in no instance has it failed, frequently half a bottle being sufficient for the complete cure of cases of long standing; even those in which chronic enlargement of the Liver and Spleen had been superinduced. I regard it as a decidedly scientific discovery. I would recommend it to all sufferers of Chills and Fevers. WM. D. M. LARKIN, M. D.
