Sessions Eighteen Hundred and
of Baltimore City

And we do hereby further Certify and make k
made by John Bouldon Surveyor under our direction contain
metes and bounds of the City of Baltimore as enlarged by the said
Assembly and we have placed suitable boundary Stones at the Beginni
of each line and marked the same as boundaries of the said City in manner desc
in the aforegoing Certificate of Survey.

And we have also placed boundary Stones at the distance of Fifty per
from each other on all the lines which are not in the water. And we have also ca
Two plats of the said Survey to be made which we herewith returned to the Mayor and Co
Council of Baltimore to be recorded as directed by said act entitled An Act to enlarge
bounds of Baltimore City.

Witness our hands and Seals this Fourth day of October
in the year of our Lord Eighteen hundred and Seventeen, and of the Independence
the United States the Forty Second.
