Its investments are in Mortgages, Ground Rents and other first class securities, according to its charter, which expressly prohibits the Company from investing money "in the purchase or discount of, or advance upon promissory notes, bills of exchange or negotiable paper,"—and is considered one of the most liberal and reliable companies in this country.

The Morning Star Bitters Co.,

HAVE determined to present their Bitters to the public, knowing that they will sustain the merits claimed for them. This is no novelty in the market, having been before the public for the last ten years, and has everywhere stood the test of the most searching scrutiny. This Medicine is accurately compounded from the purest ingredients by experienced chemists. Neither is it claimed that the ingredients were hitherto unknown to the medical profession, on the contrary the various component parts have for a long time (some for centuries) been used by the most skeptical and experienced Physicians as a Specific in cases of Dyspepsia, Poverty of the Blood, Nervous and Billious Headache, and many diseases arising from derangement of the Digestive Apparatus. It is not claimed for this article that it will cure all diseases. In BILIOUS FEVER and CHILLS AND FEVER, its value not only as a relief, but as an actual cure, has been fully proved. It is especially recommended in all diseases resulting from an impoverished state of the Liver, such as Hepatic Congestion, Biliary Obstruction, excess of Bile, &c.

It is recommended by prominent Medical men, who though opposed in principle to all patent or proprietary Medicines, have been forced by the result of their experience with the M. S. BITTERS, to recommend its use to their patients and the general public. We append a few of their certificates:

CHURCH CREEK, Aug. 15, 1866.

Having been made acquainted with the composition of the "Morning Star Bitters," I have no hesitation in stating that they are well adapted to cases of debility of the digestive organs, in which a purely vegetable tonic is required. THOS. KING CARROLL, M. D.

NO. 230 BARRE ST., BALT., MD.

I hereby certify that for a number of years I was afflicted with Dyspepsia, it resisted all treatment and finally became so bad that I was compelled to abandon my business, regarding the case as hopeless. A persevering use of the M. S. Bitters completely removed the troubles.

BALTIMORE, Febuary 15, 1869

Messrs. Lieutaud & Co., Dear Sirs:—The "Antidote" which you sent me for examination, and aplication to any obstinate case of Intermittent Fever which might come under my notice, has been received. I have analyzed the contents, and after discovering the ingredients, and recognizing them as applicable to the disease in question, I determined to give it a trial. I did so, and found the therapeutic effects precisely in accordance with the character claimed for it by you; in no instance has it failed, frequently half a bottle being sufficient for the complete cure of cases of long standing; even those in which chronic enlargement of the Liver and Spleen had been superinduced. I regard it as a decidedly scientific discovery. I would recommend it to all sufferers of Chills and Fevers. WM. D. M. LARKIN, M. D.

SHRINER'S BALSAMIC COUGH SYRUP

Will cure the ASTHMA, BRONCHITIS, BLOOD SPITTING, DIFFICULTY OF BREATHING, PAIN and WEAKNESS IN THE CHEST, TROUBLESOME COUGHING AT NIGHT, &c. It will effectually remove the Cough that frequently follows Measles, and any affection of the respiratory organs, no matter of how long standing, or whatever the age of the person. It acts as a specific, is purely vegetable, and is pleasant to the taste. Its effect is soothing, allaying the violence of the cough, facilitating expectoration, quieting the nerves and exhilirating the system.

Mothers, Save Your Children!

No child need die of CROUP, if this Syrup is used in time: *this is a fact demonstrated by experience.* No family should be without this Syrup, as that fatal disease, CROUP, comes like a thief in the night, to steal away your little ones, when regular medical aid cannot be obtained.

THE GREAT VEGETABLE BLOOD PURIFIER.

COMPOUND FLUID EXTRACT

OF THE

IRIS VERSICOLOR OR BLUE FLAG.

The most powerful, safe and reliable remedial agent discovered for the healing of man. The wonderful properties of the Iris Versicolor, hitherto unknown or undeveloped, has been brought within the control of science, and is now taking its stand as principal among the blessings of medicine.

AS AN ALTERATIVE,

it acts directly upon the blood, cleansing and purifying the vital current of all the humors and taints which disease or malarious influences have planted there, and eradicating and neutralizing the effects of mercury or other poisons which may have been taken into the system. For this reason it is infallible as a remedy for SCROFULA, ERUPTIONS OF THE SKIN, INCIPIENT CONSUMPTION, DROPSY, &c., and will cure the most virulent and obstinate cases of

RHEUMATISM AND GOUT.

It is an unfailing preventative and cure for NEURALGIA, SICK HEADACHE and NERVOUS AFFECTIONS, and in

DISEASES OF WOMEN

it has no equal. Its action upon the *Liver* and *Kidneys* is prompt, salutary and effective, and it is this property which renders it one of the safest and most reliable

DIURETIC REMEDIES

known in the practice of medicine. Its excellent and skillful combination with other ingredients imparts to it

TONIC QUALITIES

of the highest order—not temporarily stimulating, but permanently invigorating the digestive organs, and rendering it a most valuable curative agent in cases of

Dyspepsia and General Debility.

By taking IRISIN the blood—which permeates all the tissues and is the life and nutrition thereof—is purified, rendering the whole system perfectly healthy.

REMEMBER.—This medicine is no offshoot of quackery, but the regular formula of a distinguished practitioner now a resident of Baltimore city, and so high does it stand in the favor and esteem of the intelligent and scientific that it has been adopted by physicians in their practice, and is daily being prescribed and recommended by the most eminent of the profession throughout the country. The better it becomes known the more highly is it praised and the more extensively is it used.
