THE CONVENTION BILL.

A BILL entitled, An Act to provide for the taking the sense of the people upon the call of a Convention to frame a new Constitution and form of government for this State, to provide for the election of Delegates to said Convention and the assembling thereof.

SECTION 1. Be it enacted by the General Assembly of Maryland, That on the first Wednesday of April next, at the same places where the polls are by law held in the several counties and the city of Baltimore for the election of delegates to the General Assembly, every person entitled to vote for delegates to the General Assembly, shall vote upon the question of the call of a Convention to frame a new Constitution and form of government, by expressing in writing or in printed form, on the same ballot he may cast for delegates to said convention, the words, "for a Convention," or "against a Convention," as the case may be, and in case there should be any ballots cast without the designation hereinbefore prescribed, the same shall not be counted either for or against a Convention, but a separate return shall be made of the same by the judges of election as aforesaid; and that at the same election the legal voters of this State shall, by ballot, elect delegates to the said Convention, whose qualifications shall be the same as those now required for a seat in the House of Delegates, and each county and the city of Baltimore shall be entitled to elect the same number of delegates to the said Convention as they now have respectively in both Houses of the General Assembly of Maryland; and it shall be the duty of the sheriffs of the several counties and of the city of Baltimore, to give notice of said election, in the same manner and for the same length of time as is now required in the election of delegates to the General Assembly of this State, and that the several judges of election of this State shall receive, accurately count, and duly return, the number of ballots so cast, to the several clerks of the Circuit Courts of this State, and to the Clerk of the Superior Court of Baltimore city, respectively, who shall, within ten days after said election, make a due return to the Governor, of the number of ballots cast for and against the call of a Convention, and of the number of blank ballots cast, and also of the number of ballots cast for the several persons voted for as delegates to said Convention; and in case any organized military or armed force of the United States shall appear at the places where the polls shall be held, and shall interfere with said election, unless such military or armed force shall be called out by the judges of election or other civil authority charged with the preservation of the peace, the said judges of election shall, under oath certify to the Governor such unwarranted military interference with said election in such election district or precinct, and the Governor shall immediately thereupon order a new election for delegates to said Convention, after ten days' notice, to be given by the sheriff as aforesaid, in such election district or precinct, and such new election shall be held and conducted in the manner and form hereinbefore provided; and the Governor shall order a new election of delegates from time to time, as often as such illegal military or armed interference with the election shall be certified to him as aforesaid; but such order or orders for such new election or elections shall not interfere with, hinder or delay the assembling of said Convention, as herein provided, if it shall appear from the count that a majority of all the votes cast in the election districts and precincts, where no such illegal military or armed interference shall be certified to have taken place, are in favor of the call of such Convention under this act; the said judges in the said return shall certify that no organized military or other armed force had appeared at the place where the polls had been held and interfered with the said election, unless such military force shall be called for by the said judges of election, or by other civil authority charged with the preservation of the peace, and in case of such military interference within any election district of the counties or precinct in the city of Baltimore, to be certified by the judges of election, under oath, it shall be the duty of the Governor to order a new election, after ten days' notice in said election district or precinct, but such return and order of a new election shall not interfere with the assembling of the Convention as herein provided: provided, however, that at least sixty-five members shall be elected according to the provisions of this act, before said Convention shall organize, and proceed to business: provided further, that fifty members at least shall be necessary to constitute a quorum after organization; and the judges of election shall at said election administer the oath or affirmation to every person offering to vote, whose vote shall be challenged on the ground that such person has served in the rebel army, or has either directly or indirectly given aid, comfort or encouragement to those in armed rebellion against the Government of the United States, or is for any other reason not a legal voter in the manner and form provided by section twenty-one, of article thirty-five, of the Code of Public General Law, relating to elections; and a judge or judges of election, failing to comply with the provisions of this act, shall be liable to the same penalties as he or they would be by the non-compliance with the existing election laws of this State.

SECTION 2. And be it enacted, That as soon as the Governor shall receive the return of the number of ballots cast in this State for or against a Convention, and the blank ballots cast, it shall be the duty of the Governor to count and cast up the same; and if, upon casting up and counting said returns so as aforesaid made to him, it shall appear to the Governor that more votes have been cast by the legal voters of this State in favor of the call of a Convention than have been cast against the call of a Convention, then it shall be the duty of the Governor to issue his proclamation for the holding and assembling of said Convention, and of the delegates duly elected thereto, at the time and place hereinafter specified.

SECTION 3. And be it enacted, That in case a majority of the ballots cast shall be in favor of the call of a Convention as aforesaid, then the said Convention shall meet in the city of Annapolis, on the last Wednesday of April, in the year eighteen hundred and sixty-four, and shall continue in session from day to day until the business for which said Convention shall have been assembled shall be fully completed and finished, and said Convention shall have full power and authority to determine on the validity of the election and qualification of its members; and the compensation of the delegates to said Convention shall be five dollars per day, and the mileage allowed to members of the General Assembly of this State; and the said Convention shall have power to appoint such clerks and other officers as may be deemed necessary to facilitate the transaction of the business of the Convention, and to fix their compensation, and the Treasurer of the State of Maryland shall, upon the order of the President of said Convention, pay to each member thereof their per diem and mileage as hereinbefore provided, and shall also pay to the officers of said convention, upon the order of the President, such compensation as the Convention shall allow; provided, it shall be the duty of the Speaker of the House of Delegates, and of the President of the Senate, to provide a reporter of the debates and proceedings of said Convention, who shall act until the said Convention shall provide its own officers.

SECTION 4. And be it enacted, That before any member or officer of said Convention shall enter upon the discharge of his duties, he shall take and subscribe before the Governor of this State, who is hereby authorized to administer the same, the following oath or affirmation:—"I do swear or affirm that I will, to the best of my skill and judgment, diligently and faithfully, without partiality or prejudice, discharge the duties of member of the Convention to frame a new Constitution and form of government; that I will support the Constitution of the United States, and will be faithful and bear true allegiance to the State of Maryland and the Government of the United States, any law or ordinance of any State to the contrary notwithstanding; and that I have never, either directly or indirectly, by word, act or deed, given any aid, comfort or encouragement to those in rebellion against the Government of the United States; and this I swear voluntarily, without any mental reservation or qualification whatever, so help me God;" and that the Governor shall transmit to the said Convention, as soon after the organization thereof as may be practicable, a list of the members and officers who shall have taken and subscribed the oath as aforesaid; and that no person elected as a delegate to said Convention shall be authorized or deemed qualified to enter upon the discharge of his duties as such until he shall have taken and subscribed the oath as aforesaid; and that any Senator or Delegate may be eligible to a seat in said Convention, but that no Senator or Representative in the Congress of the United States, or Judge of any Circuit Court, Superior Court, Court of Common Pleas, or Criminal Court of the city of Baltimore, Clerks of said Courts, Register of Wills, or Sheriff, shall be eligible to said Convention.

SECTION 5. And be it enacted, That if any vacancy or vacancies occur by death, resignation, or otherwise, in either of the delegations herein before provided for, either before or after the qualification of said delegates, the sheriff of the county or city of Baltimore, in whose delegation such vacancy may occur, shall, upon information thereof by said delegation, by the president of said convention, or by the Governor of the State, immediately issue public notice for a special election to be held at the usual places for holding elections in said county or city, not less than five or more than ten days after said notice, for the purpose of supplying such vacancy.

SECTION 6. And be it enacted, That the Constitution and form of Government adopted by the said Convention, as aforesaid, shall be submitted to the legal and qualified voters of the State, for their adoption or rejection, at such time, in such manner, and subject to such rules and regulations as said Convention may prescribe; and the provisions hereinbefore contained, for the qualification of voters, and the holding of the elections provided in the previous sections of this act, shall be applicable to the election to be held under this section.

SECTION 7. And be it enacted, That in case of any refusal or neglect of any of the judges of election, or of any clerks of the courts, or of any sheriff of any county or Baltimore city, to make any of the returns, or perform any of the duties required of them respectively by the provisions of this act, such judge, clerk or sheriff, so refusing or neglecting, shall be liable to indictment for such offence, and upon conviction thereof, shall be deemed guilty of a misdemeanor, and be sentenced to a fine of not less than five hundred dollars, and to imprisonment in the jail of the city or county where such offence may have been committed, for a term of not less than six months.

SECTION 8. And be it enacted, That when the Governor shall receive the return of the number of ballots cast in this State for the adoption or rejection of the Constitution submitted by the Convention to the people, if upon counting and casting up the returns as made to him as hereinbefore prescribed it shall appear that a majority of the legal votes cast at said election are in favor of the adoption of the said Constitution, he shall issue his proclamation to the people of the State, declaring the fact, and he shall take such steps as shall be required by the said Constitution to carry the same into full operation, and to supersede the old Constitution of this State.

SECTION 9. And be it enacted, That all ballots cast at any of the elections to be held under the provisions of this law, shall be written or printed on white paper, and any ballot or ballots written or printed on colored paper, shall not be received by said judges of election; and this act shall be published under the order of the Governor, in three of the newspapers in the city of Baltimore, one of them to be a paper printed in German, and one in each County where a newspaper is printed, once a week for three weeks before the day of election.

SECTION 10. And be it enacted, That this act shall take effect from the day of its passage.

* * * "I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to many others, and know that they would operate in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended, to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is "not a rum drink."

Yours, truly,

From the Rev. Joseph H. Kennard, Pastor of the 10th Baptist Church:

Dr. Jackson:—

Dear Sir:—I have been frequently requested to connect my name with commendations of different kinds of medicines but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly by my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, *for general debility of the system and especially for Liver Complaint, it is a safe and valuable preparation* In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above cause.

Yours, very respectfully,
J. H. KENNARD,
Eighth below Coates Street, Philadelphia.

From Rev. Warren Randolph, Pastor of Baptist Church, Germantown, Penn.

Dr. C. M. Jackson:—

Dear Sir:—Personal experience enables me to say that I regard the German Bitters prepared by you as a most excellent medicine. In cases of severe cold and general debility I have been greatly benefitted by the use of the Bitters, and doubt not they will produce similar effects on others.

From Rev. J. H. Turner, Pastor of Hedding M. E. Church, Philadelphia.

Dr. Jackson:—

Dear Sir:—Having used your German Bitters in my family frequently, I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system it is the safest and most valuable remedy of which I have any knowledge.

From the Rev. Thos. Winter, Pastor of Roxborough Baptist Church.

Dr. Jackson:—Dear Sir:

"I feel it due to your excellent preparation, Hoofland German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters. I did so, and have experienced great and unexpected relief; my health has been very materially benefitted. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects.

TO FARMERS.

THE undersigned having associated Hudson Steel with him in business, intends to continue the manufacture of MOWERS AND REAPERS, RAKES, &c., in the name of CASHO & STEEL. He therefore takes this occasion to return thanks to his former patrons and solicit their favors and that of their friends for the new firm. JACOB CASHO.

Being satisfied from long experience in manufacturing, selling and using Reapers and Mowers, (and in this opinion we believe the best farmers agree with us,) that it requires two separate and distinct machines for reaping and mowing, especially on large farms; the high speed of motion requied for mowing will so shake and rack the Machine when reaping with the same, the bolts are continually wearing and finally something breaks and then comes the delay so much dreaded by the farmer.

This we are fully convinced is obviated by the macnine we are now building, viz:

DORSEY'S PATENT

SELF RAKING REAPER

of which we have secured the right for the Eastern Shore of Maryland.

This Reaper we have been using for four years in trial with others, and are so well satisfied of its superiority in point of speed and ease in cutting, lightness of draft and strength, that we have no hesitation in saying it is superior to any reaping machine in use. Every part that we thought required to be strengthened has been done, and in sustainance of these views we refer to the following persons, who have bought and used them, each and every one of them have said that it more than met their expectations:

Wm. P. Richardson,	New Castle Co.,	Del.
James Brown,	"	"
George T. Townsend,	"	"
Sylvester Townsend,	"	"
Giles Lambson,	"	"
Joseph L. Foreman,	"	"
Geo. W. Karsner,	"	"
Thos. McConaughey,	"	"
Enoch D. Tagart,	Cecil county,	Maryland.
Joseph Coudon,	"	"
Isaac Titter,	"	"
George W. Bennett,	"	"
Richard Frazier,	Kent county,	"

Many others could be named, but as these are well known, we think it useless. We will also continue to manufacture

PRATT'S PATENT

STEEL TOOTH HORSE RAKE,

AND

Johnson's Revolving Hay Rake.

These articles are so well known that it is useless to say anything about them. No farmer should be without one or the other. Send your orders soon or you may be disappointed.

To farmers wanting a Mowing Machine we will furnish them either Kirby's or Wood's Mower, at manufacturer's prices.
