Scale of 20 feet in an inch.

Surveyed 24th May, 1816.
John Boulden

Accommodation Alley as Located by the City Commissioners on the 24th day of May, 1816, and as conveyed to the Mayor and City Council on the day of May, 1816, by Joseph Jemison, John Boodwin and Thomas Fenton, the three proprietors of the Ground, through which the said Alley is laid out —

A shows the South West corner of Joseph Jemisons Brick Dwelling House, at which corner the north side of the Alley commences and runs along the end wall of said house and a yard wall &c to the South East corner of Joseph Jemisons Smoke house at the Letter B, thence to Harrison Street at C, passing nine feet and six inches northwardly from the North West corner of John Boodings brick dwelling house at E, thence along Harrison Street to D, in a direct line with the North end wall of John Boodings Dwelling House aforesaid, - thence from D, running along the end wall of said House to E, thence to F, and from thence to G, intersecting the East side of Frederick Street nine feet Southerly from the place of beginning. —

City Commissioners Office.

Baltimore, May 29, 1816.

It is hereby Certified that the City Commissioners did on the 24th. day of May. Instant cause to be Surveyed and laid out an Alley extending from Frederick Street to Harrison Street, through the ground of Joseph Jamison, John Boodwin and Thomas Fenton agreeably to a conveyance from the said Joseph Jamison, John Boodwin and Thomas Fenton to the Mayor and City Council bearing even date herewith. —

We have caused a platt thereof to be made agreeably to the location aforesaid. Beginning for the North side of said alley at the South West corner of Joseph Jamison's Brick Dwelling House on Frederick Street and running with the South wall of said House and yard wall, North Seventy seven and a half Degrees East one hundred and four feet four inches to the South East corner of Joseph Jamisons Smoke House, thence North seventy four and a quarter Degrees East one Hundred and eighteen feet to Harrison Street, passing nine feet six inches northerly from the North West corner of John Boodings Brick Dwelling House at the Letter E, thence along Harrison Street to the Letter D on the platt, it being on a direct line with the North end wall of John Boodings Brick Dwelling House, thence along said wall South Seventy eight Degrees West thirty nine feet to the North West corner thereof, thence South Seventy four and a half Degrees West, seventy eight feet to the Letter F, thence South seventy seven and a half West One Hundred and eleven feet nine inches to Frederick Street at the distance of nine feet from the South West corner of Joseph Jamisons Dwelling House aforesaid and thence to the beginning. —

In Witness whereof, we, the City Commissioners, have hereunto set our Hands & Seals the day and year first above written. —

Henry Stauffer (Seal)
Nathaniel Hynson (Seal)
James Morton (Seal)
