Universal Knowledge.

An Encyclopædia in 20 VOLS. over 16,000 PAGES, 10 per cent more extensively used by the best Farmers of Talbot county as a superior wheat matter than any Encyclopædia ever before published in this country, and sold, handsomely and well bound, in cloth for \$10, in half morocco for \$15, and printed on fine heavy paper, wide margins, bound in half Russia, gilt top, for \$20 - an enterprise so extraordinary that its success, beyond all precedent in book publishing, may be fairly claimed to inaugurate a Literary Revolution. THE LIBRARY OF UNIVERSAL KNOWLEDGE is a reprint entire of the last (1879) Edinburgh edition of "Chambers's Encyclopædia," with about 40 per cent of new matter added, upon topics of special interest to American readers, thus making it equal in character to any similar work, better than any other suited to the wants of the great majority of those who consult works of reference, and altogether the latest Encyclopædia in the field. Specimen Volumes in either style will be sent for examination with priviledge of return on re-
