GEN. BUTLER AND HIS NEW PARTY.—General B. F. Butler always makes a stir in whatever he engages. He is now the centre of a considerable political agitation in Massachusetts. A Boston correspondent of the N. Y. *Tribune* says:

"Gen. Butler's self-nomination for the gubernatorial chair has exploded nearly all the political magazines in the State, and is producing the same uproar which, like an echo, follows most of his proclamations. He is regarded by the old and tried members of the republican party as an extremely dangerous man at any time. But just now his actions are looked upon with more than usual distrust, on account of his absurd ideas upon some important matters of public policy. His ideas of public faith in financial matters are particularly mistrusted. He desires the formation of a "new party." He has a platform of his own, conglomerated of labor theories, partial repudiation, and a war with somebody, which he believes will be the foundation of the new party. Butler's own declaration, that the possibility of his rejection by the republican convention was a contingency not worth considering, shows full well that he is basing his hopes of success upon the support of the new party, whether he is nominated by the republicans or not."

"RUM SHOPS" IN PHILADELPHIA.—In the report of the Philadelphia grand jury, just presented, they express the opinion that "ninety per cent. of the offenses charged arise directly or indirectly from the immoderate use of intoxicating liquors, and in this connection would recommend a more stringent enforcement of the law both against selling liquors on Sunday, and without a license, and also new legislation to further restrict the sale. It is stated in the report of William J. Mullen, Esq., prison agent, that there "are about 8,000 rum shops in our city." The clerk of the court has just reported to us 4,103 as the number of licenses taken out to date, thus showing that one-half of the liquor dealers pay nothing towards alleviating the miseries produced by their business."

MRS. FAIR'S CASE.—A San Francisco correspondent of the N. Y. Herald has had a somewhat remarkable interview recently with Mrs. Fair, the murderess of Crittenden, in her cell in the San Francisco jail. This strange woman, it seems, contested the right of Crittenden to live with his wife because they did not love one another, and holds to it that she (the murderess) and Crittenden were the lawful pair because they did love one another. Accordingly, in a moment of temporary insanity, she shot Crittenden, and now regretted only one thing—that he was not present to defend her. She feels confident of a final reprive, because, as she says, her case is a political one, and when she is tried again there will be a new judge on the bench.

AT the Corporation election on Thursday, in Charleston, South Carolina, the Citizens' ticket overwhelmingly defeated the Radicals, and elected the Mayor, Councilmen, and everything. Even in South Carolina—carpet-bag-ridden South Carolina—the Radical party is going to the dogs. Even the darkies are becoming disgusted with it. By 1872 it will be as dead as a door nail.

J. MARION EMERSON, Esq., editor and proprietor of the Denton (Md.) *Union*, has severed his connection with that journal, and accepted the position of assistant editor of the Wilmington (Delaware) *Commercial*.

A WHITE man and a colored woman visited Snow Hill, Maryland, on Thursday, for the purpose of being married.—No preacher could be found to perform the ceremony.

THE dwelling of Mr. Charles A. Murphey, in Cecil county, about two miles from Newark, was considerably shattered by lightning, on Sunday last.

Debility and Emaciation

Both result from the lack of ability to convert the food into nutriment. How necessary, then, for those suffering from these alarming symptoms to immediately resort to a remedy that will strengthen the stomach and digestive organs. For, as soon as this desirable object has been accomplished the health improves, and the patient resumes his usual personal appearance. Hostetter's Stomach Bitters have attained a world-wide popularity in such cases, and have been proven the best and safest means of removing constipation, toning the stomach, giving energy to the liver, and relieving every symptom of nervousness and depression of spirits. Its cheering and beneficial effects are highly spoken of by thousands, who owe to it their restoration to health. No restorative in the annals of medicine has attained the same popularity in the short space of time it has been before the public, or has won the high endorsement as accorded to this excellent tonic. Many other preparations, purporting to be correctives and restoratives, have been introduced, and have perished one by one, while the popularity of Hostetter's Stomach Bitters continues to increase, and is now recognized as a standard household medicine. The success which attends the use of the Bitters evinces at once its virtues in all cases of debility and disease of the stomach. Certificates, almost without number, have been published, attesting its truly miraculous power in removing those painful and fearful diseases. And at this time it seems idle to do more than call attention to the great remedy of the age, in order to awaken public attention to its excellence. It is the only preparation of the kind that is reliable in all cases, and it is therefore worthy of the consideration of the afflicted.

No Boiling!

No Washboards!
No Blueing!
No Injury to Garments or Hands!

No. 33 South Eutaw St.

The above firm having secured the exclusive right to manufacture and sell

Warfield's Patent Cold Water Self-Washing Soap,

in and for the State of Maryland and District of Columbia, invite the attention of the public to this very superior SOAP, which washes thoroughly in any kind of water—hard, soft or salt—*without boiling*. They also guarantee that it will not injure even the finest fabrics.

Not only does it save labor, fuel, clothes, &c., but by using it housekeepers get rid of the discomfort of hot water in summer, which causes frequent colds, especially to those who go from a steaming hot wash-room to hang out clothes.

Thousands of testimonials to its great excellence are at hand, but no evidence can equal that derived from one's own observation and experience. To *know* the virtues of this Soap you have only to try it. A single bar is sufficient for the ordinary week's washing of a family of eight persons.

By its own action it dissolves the grease and other things that soil, and liberates them from the garment, thus quietly and quickly accomplishing that which is usually done with labor and hard usage of the clothes by means of a washboard or machine. Very little hand-rubbing is required with this Soap, except when the clothes are much soiled, or the dirt firmly imbedded in the fabric.

The clothes require no blueing if dried in the sun, as they are bleached every time they are washed. Clothes washed with this soap will last *fully* twice as long as when washed in the ordinary way with the Soaps hitherto most popular. To consumers, therefore, it is unquestionably the CHEAPEST SOAP ever manufactured. The usual discount to the Trade.

VINEGAR BITTERS

VEGETABLE. FREE FROM ALCOHOL. PURELY. CALIFORNIA. DR. WALKER'S. VINEGAR BITTERS

J. WALKER, Proprietor. R. H. McDONALD & Co., Druggists and Gen. Ag'ts, San Francisco, Cal., and 32 & 34 Commerce St. N. Y.

MILLIONS Bear Testimony to their Wonderful Curative Effects.

They are not a vile **Fancy Drink**, Made of **Poor Rum, Whiskey, Proof Spirits and Refuse Liquors,** doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, **free from all Alcoholic Stimulants.** They are the **GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE,** a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these **Bitters** have been most successful. **Such Diseases** are caused by **Vitiated Blood,** which is generally produced by derangement of the **Digestive Organs.**

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequaled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Pin, Tape and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist, there is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of Medicine, no vermifuges, no anthelmintics, will free the system from worms like these Bitters.

Sold by all Druggists and Dealers.

WE offer to the Farmers of Kent and the adjoining counties our well-known

Cultivator Teeth,

which have been used for some years with entire satisfaction. They have stood the test, and are considered far superior to the old three-cornered teeth. The old teeth always wear round and blunt, and have no point, while our tooth wears to a point. Their regular crook from the frame to the point makes them draw to the ground and run deep, while they run close to the plant without covering it up.

They are Made of the Best Steel,

and can be bought as cheap here as elsewhere, having reduced the price on them as on the rest of our work.

OUR CULTIVATORS

are of greater length, which makes them run steadier than other Cultivators.

BLACKSMITHING, &c.

We do Blacksmithing in all its branches—Carriage and Machine Smithing—Repairing Reapers and Machines of all kinds.

WHEELWRIGHTING done at reduced prices, with seasoned lumber. Farm, Peach and Express Wagons and Dearborns made to order. Everything needful for the farm.

Orders by mail promptly attended to.
