DAILY LINE FROM
Sassafras River to Philadelphia

DURING THE PEACH SEASON.

The subscribers having procured the swift steamers VINELAND and JOSEPH HALL for freighting during the Peach Season from SASSAFRAS RIVER to PHILADELPHIA, will run one of their boats each way daily, leaving Wilson's Point at 10½ A. M., for Philadelphia, touching at Georgetown, Fredericktown, Rasin's Wharf, Shallcross' Landing, Turner's Creek and Betterton.

Personal attention will be given by one of the charterers to the prompt and safe delivery of Peaches and all other freight, and to the prompt return of peach boxes. Shippers of Peaches will find it to their interest to encourage this enterprise. Thankful for past favors, we hope by strict attention to business to receive a liberal share of the public patronage.

N. B.—These boats being regularly licensed for passengers, it will be a convenient route for travelers to Philadelphia.

A Card.
To our Friends and the Public.

THERE appears to exist a determination with a certain party in this place to break down all opposition and monopolise the whole business, by not only renting our Store over our head, but also by attempting to rent every other available store which may answer our business. By these proceedings you might be induced to believe that we propose to give up our business. We therefore wish to state that we by no means intend to quit our business here, but shall persist in our so far successful endeavor to oppose extravagant prices, and enter our solemn and most effectual protest against monopoly, extortion and imposition.

For Sale or Rent.

THE subscriber offers at private sale, or for rent, the place on which he now resides, situated on Swan Creek, formerly called Page's Point, and now known as Humphrey's Point, containing *TEN ACRES,* more or less, of EXCELLENT LAND.

The Improvements consist of a substantial and commodious two-story

BRICK DWELLING,

containing six rooms, with a two-story back building, all in good repair, together with a good Stable and Shedding. The location is exceedingly beautiful and pleasant. Oysters and Fish may be had in abundance There are on the premises small Apple, Peach, and English Walnut Orchards. It is a good stand for a store, and a profitable business might be done.

There is a large Granary and good WHARF on the premises, affording every facility for running grain and marketing of all kinds to the city of Baltimore, distant only about twenty-five miles.

It is an excellent location for a Canning Establishment, for either Oysters or Fruit, or both. There are many fine Peach Orchards in the vicinity, and fruit in abundance could be obtained at reasonable prices; and Oysters also, which can be delivered at the wharf. The advantages of the situation for a business of this kind cannot be too highly appreciated. Possession can be given at any time.
