FOUTZ'S Celebrated Horse and Cattle POWDERS.

HORSES. CATTLE. HOGS.

THESE Powders have proved, after a trial of several years, to be superior to any preparation of the kind in use.—The chief superiority of these Powders arises from the fact that they are composed of Medicines that have Laxative, Tonic and Purifying properties. The Laxative ejects crudities from the stomach and intestines, the Tonic gives strength to the system of the Horse, and the purifying medicines contained in them cleanse the blood, and lay the foundation for a healthy and vigorous circulation. The use of them improves the wind, strengthens the appetite and gives the horse a fine, smooth and glossy skin—thus improving the appearance, vigor and spirit of this noble animal. These Powders are not intended, as most powders are, to bloat the animal, so as to give him the appearance of being fat when not really so—but, to remove the disease and promote his general health.

These Powders will strengthen the stomach and intestines, cleanse them of offensive matter, and bring them to a healthy state. They are a sure preventive of Lung Fever, and a certain remedy for all diseases of the Horse, as Glanders, Yellow Water, Distempers, Founder, Heaves, Slavering Coughs, Fevers, Loss of Appetite, and Vital Energy, &c. These Powders, if used two or three times a week through the winter and spring, your horses will never get the Lung Fever, Colic or Botts. A few doses of these Powders will remove the worst cough on any horse. Were owners of Horses to feed a few doses of these Powders every year they might save the lives of many valuable Horses.

MILCH COWS.

The properties this Powder possesses in increasing the quantity of Milk in Cows give it an importance and value which should place it in the hands of every person keeping a Cow. In fattening cattle, it gives them an appetite, loosens their hide, and makes them thrive much faster.

HOGS.

In all diseases of Swine, as Coughs, Ulcers in the Lungs and Liver, &c., by putting from half a paper to a paper of these Powders in a barrel of Swill, the above diseases can be cured or entirely prevented. By using these Powders the Hog Cholera can be prevented. Prepared by

NOTICE TO FARMERS.

Pennington's Improved Reaper

WE call the attention of the farmers of Kent and the adjoining counties to the fact that PENNINGTON & ELLIOTT having established a MACHINE SHOP AND FOUNDRY

At Galena, Kent county, Md.,

are manufacturing for the harvest of 1864,

Pennington's Improved Reaper.

This machine is very durable, runs light, has a central draft, and cuts with Sickle Knives a swath 6 feet 6 inches. It has a KEEL, and when required a MOWER can be attached—it is then a COMPLETE MOWER AND REAPER.

We refer to the following certificates from well known gentlemen of Kent and Cecil:

NEAR CHESTERVILLE, Kent Co., Md., April 30th, 1864.

Messrs. Pennington & Elliott:—Gentlemen—The Pennington Improved Reaper which I purchased of you was used at my last harvest with entire satisfaction. It cut cleaner, I think, than any Reaper I have ever used, runs light, and is easily managed. I cut 160 acres without a single breakage, which is to me sufficient evidence of the high character and durability of the machine. I have no hesitation in recommending it to farmers. Respectfully, yours,

C. W. SPRY.

This certifies that I have used the Pennington Improved Reaper, manufactured in Galena, by *Pennington & Elliott,* and am glad to say that it gave entire satisfaction, and recommend it to others. THOS. C. KENNARD,

Still Pond, Kent Co., Md., April 19, 1864.

This is to certify that I have used the kind of Reaper manufactured by Pennington & Elliott, at Galena, Kent Co., for several years, both as a Reaper and Mower, and that it has rendered entire satisfaction. It is centre draft, and I believe one-third lighter on horses than any Reaper I have ever used. I have been dealing with Messrs. Pennington & Elliott for several years, and have received entire satisfaction from them in every respect. WILLIAM KNIGHT,

Near Cecilton, Cecil Co., Apr. 13, 1864.

This is to certify that I have used Pennington & Elliott's Reaper for a number of years, with great satisfaction, and purchased it after inspecting many others. I can recommend it in good faith. C. H. B. MASSEY,

Masseys X Roads, Kent Co., Apr. 23, 1864.

This is to certify that I have used the Reaper manufactured by Messrs. Pennington & Elliott, of Galena, Kent Co., Md., and consider it one of the best machines of the kind I have ever used. I have had a number of business transactions with them, which have always proved perfectly satisfactory. JAS. W. YEAZEY,

Near Cecilton, Md., April 13, 1864.

This is to certify that I have used the *Pennington Reaper,* (one of the first put up,) and that I have had more satisfaction with it than any Reaper I have ever used for the same number of years. It has since been strengthened where it was required. I believe the Reaper now put up by Messrs. Pennington & Elliott, at Galena, one of the best in use. D. C. BLACKISTON.

April 25ih, 1864.

GALENA, Kent Co., Apr. 26, 1864.

I hereby certify that I purchased and used the Pennington Improved Reaper, manufactured by *Pennington & Elliott,* at this place, during last harvest, cutting more than one hundred acres of grain, in the best manner, and good time, without a single breakage, and with perfect satisfaction. It cut clean, fast and run light, and is, I think, very durable. It will cut with a good team and driver, 25 acres per day, cutting as it does, a swath of 6 feet or 6½ feet wide. It give me pleasure to recommend it.

J. M. ARMSTRONG.

I certify that I bought one of Messrs. Pennington & Elliott's Reapers for my last harvest, and used it for cutting my Wheat and Oats with entire satisfaction. It runs light, and cuts the grain better than any Reaper I ever used, and I take pleasure in recommending it as the best Reaper in use. I have done business with Mr. Elliott of that firm, for a number of years, and have always found him perfectly satisfactory and reliable. RICHARD C. JOHNSON,

Near Millington, April 25, 1864.

Woods' Combiued Reaper and Mower, a light two-horse Machine.

MANNY'S Combined Reaper and Mower.

Extras for the *Manny* and all the above named Machines kept on hand for repairs.

Descriptive Pamphlets and Circulars furnished upon application.

THOMAS NORRIS,

141 PRATT STREET, near LIGHT, Baltimore

CHESTERTOWN, MD., Mar. 15, 1864.

Mr. Thomas Norris.—Dear Sir: I now reply to your request to say how I liked Woods' Reaper. I have been using it two years with great satisfaction, and without the cost of a cent for repairs. As a Self-Raker I think it has no equal. I believe mine was worth one hundred dollars to me the first harvest, as the wheat was down and tangled the worst I ever saw.—Five hundred dollars in gold would not buy mine to-day, were I sure I could not get another. Very respectfully, yours,

apr16tf. JOHN F. MELVIN.

From the Rev. Levi G. Beck, Pastor of the Baptist Church, Pemberton, N. J., formerly of the North Baptist Church, Philadelphia.

* * * "I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to many others, and know that they would operate in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended, to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is "not a rum drink."

Yours, truly,

LEVI G. BECK.

From the Rev. Joseph H. Kennard, Pastor of the 10th Baptist Church:

Dr. Jackson:—

Dear Sir:—I have been frequently requested to connect my name with commendations of different kinds of medicines but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly by my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, *for general debility of the system and especially for Liver Complaint, it is a safe and valuable preparation* In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above cause.

Yours, very respectfully,

J. H. KENNARD,

Eighth below Coates Street, Philadelphia.

From Rev. Warren Randolph, Pastor of Baptist Church, Germantown, Penn.

Dr. C. M. Jackson:—

Dear Sir:—Personal experience enables me to say that I regard the German Bitters prepared by you as a most excellent medicine. In cases of severe cold and general debility I have been greatly benefitted by the use of the Bitters, and doubt not they will produce similar effects on others.

Yours, truly,

WARREN RANDOLPH,

Germantown, Pa.

Dr. Jackson:—

Dear Sir:—Having used your German Bitters in my family frequenly, I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system it is the safest and most valuable remedy of which I have any knowledge.

From the Rev. Thos. Winter, Pastor of Roxborough Baptist Church.

Dr. Jackson:—Dear Sir:

I feel it due to your excellent preparation, Hoofland German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters. I did so, and have experienced great and unexpected relief; my health has been very materially benefitted. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects.

Respectfully, yours,

T. WINTER, Roxbourough, Pa.
