Board of Special Commissioners &c.

Whereas it hath been represented to this Board by the Inhabitants & Proprietors of Lots of Ground on Pratt Street that that part of said Street situate between Hanover Street & the West side of Sharp Street is in extreme bad Order and almost impassable for Waggons, Carts & Horses which is very Detrimental to the Inhabitants thereof. We are of Opinion therefore that the same ought to be paved. Given under our Hands this 5th day of February 1791 —
