A LAWYER SHOT AT THE BAR.—A dispatch from Memphis states that on Monday last, at Lonoke, James Sullivan, son of Parson Sullivan, of Lonoke, Ark., shot and killed Nathan Byrd, an attorney who was employed for the plaintiff in a case in which the Rev. Mr. Sullivan was defendant. In the midst of a somewhat violent harangue addressed to the negro magistrate, Wm. Read, Esq., the lawyer, Byrd, assailed the parson. The son, James Sullivan, was looking on, and the father said to Byrd "that he must not speak so hardly of me." "What did you say"? demanded Byrd, "I say," answered the preacher, "that you shall not speak thus falsely of me." Byrd struck the old man, who is very frail, while Byrd weighs 250 pounds. The son, sitting hard by, drew a Colt's repeater and shot the lawyer, first through tht breast and again through the lower part of the body. The wounded man soon died in great agony and the murdered fled.

THE PHILADELHHIA OARSMAN.—Cloud, who started from Philadelphia a month ago to row to New Orleans in one hundred and forty-five days, arrived in Cincinnati on Saturday somewhat ahead of time. At Rome he broke one of the row locks of his boat, and leaving the boat there for repairs, he went to Cincinati by steamer, returning to Rome by Monday. The total distance from Philadelphia to New Orleans is four thousand miles. Cloud was thirty-two days only in reaching Rome. His second appearance may be expected soon, as he will doubtless make good time for a few days, in order that this unavoidable delay may not in any way detract from the advantage he has already gained. Cloud is bound by his wager to sleep in his boat during the whole of his journey, and in order to comply with this requirement as nearly as possible, he found lodging while in Cincinnati in a skiff at the boat house, which is at the foot of Broadway.—*Cincinnati Gazette.*

IS CHEATING WITH CARDS GAMBLING?—A gambler in New York on Thursday was convicted and sentenced to two years imprisonment and $1,000 fined, and the New York papers are congratulating themselves that at last justice has begun to exert herself in that city. In the report of the case it appears that the counsel for defense, to get his client off, used the ingenious argument that the game which was being played was with "marked cards," and therefore, cheating; cheating and gambling are two different things, and that the offence was therefore not within the statue, because, instead of men playing at a "game of chance," they played at a "dead sure thing." This failed to effect either court or jury, for the gambler, as already mentioned, was convicted and sentenced.

A SHORT TEMPERANCE LECTURE.—Three fatal accidents, one murder and one probable murder, caused by drunkenness, were reported one day this week by telegraph. In Kentucky a drunken colored man attempted to get on a train of the Louisville and Nashville railroad, fell under the wheels and was cut in two, and a couple of drunken section hands on the same road laid down and were crushed to death while asleep on the track. In New York, during a drunken quarrel in a liquor store, John MacNamara, keeper of a soda stand at the Staten Island ferry, was kicked to death by James Lyons, fireman of one of the Liverpool steamers.—The murderer was arrested. Charles Thomas, a colored man, was shot and seriously wounded in the throat and breast in a circus riot at Granby, Mo., by drunken rowdies.

WORTHY COLORED MAN DEAD.—There died at Rockville, Md., on Thursday, a colored man named Samuel Martin, who had reached the age of 73 years. Born as a slave near the spot where he died, he had served his masters, the Nichols family, until he reached his twenty-ninth year, when he was set free. Being then married, he remained among those who knew him, and not only made a living for himself and family, but succeeded in accumulating considerable money, which he invested in property. His children are fourteen in number. The old man remained a respected resident of the village of his birth until his death.

Excitement at Drug Stores.—There has been a general rush the last month at the Drug stores in Kent county for Dr. A. Boschee's German Syrup. It has been lately introduced in this country from Germany, and for any person suffering with a severe cough or heavy cold settled on the breast, consumption or any disease of the throat and lungs it has no equa in the world. Our regular size bottles are 75 cts. Two doses will relieve any case. Try it. Sample bottles free of charge. L. M. Green & Son, Proprietor, Woodbury, N. J. The Wear and Tear of Life.

The cares, anxieties and misfortunes of life, have as much to do with shortening it as disease. They are in fact the source of many ailments and physical disabilities. Nervous weakness, dyspepsia, affections of the liver, disturbances of the bowels, headache, hypochondria and monomania are among these distressing fruits. It is, therefore, of great importance that persons whose minds are oppressed with heavy business responsibilities, or harrassed by family troubles, or excited by speculation, or perplexed by a multiplicity of enterprises, or in any way overtaxed or overworked, should keep up their stamina by the daily use of a wholesome tonic. Thousands of persons thus circumstanced are enabled to bear up against the difficulties in which they are involved, and to retain their strength, health and mental clearness, by regular use of Hostetter's Stomach Bitters. Diseases which are prone to attack the body when debilitated and broken down by over-much brain work or exhausting physical labor, are kept at bay by the resistant power with which this incomparable tonic endows the nervous system and the vital organs. At this season, when the heat is evaporating the elements of strength from every pore, an invigorant is absolutely essential to the safety and comfort of the public, and is required even by the more robust if they desire to keep their athletic capabilities in status quo. Hence a course of Hostetter's Bitters is particularly useful at this period of the year as a defence against the invisible disease aflloat in a sultry atmosphere. It is the most potent of all preventive medicines, and for all complaints which affect the stomach, the liver and the bowels, and interfere with the perfect digestion and assimilation of food, it is the standard remedy.

Notice to Tax-Payers

OF the FIFTH ELECTION DIST.

THE tax-payers of the 5th Election District are respectfully informed that I have received my books, and all taxes for the present year are now due. It is important that Taxpayers should be prompt in settling their taxes, as the demands upon me, and the present stringent tax laws positively prohibit my indulging were I ever so disposed. Delay in the payment of taxes is not only annoying to the collector, but against the interest of the tax-payer, and I hope none in my district will compel me to run them to cost by forcing payment.

For the accommodation of tax-payers I will be at Grey's Inn Wharf every WEDNESDAY morning, and at Edesville and Rees' Corner alternate Saturdays.

IMPORTANT to FARMERS

The Great Fertilizers!

WHANN'S

Raw Bone Super Phosphate

FARMERS who are about purchasing Fertilizers for seeding their WHEAT should by all means use

WHANN'S

RAW BONE SUPER PHOSPHATE,

which for the past thirteen years has met with unexampled success on this important crop.

WHANN'S RAW BONE SUPER PHOSPHATE is not a mere temporary stimulant, but an active and lasting manure, showing its beneficial effects throughout several seasons. It produces large crops of Wheat and a great yield of clover.

Farmers who have been disappointed in the use of other Fertilizers are invited to give WHANN'S a trial alongside of any manure in the market.

The following testimonials from two well known Farmers in this neighborhood, will be appreciated:

LYNCH'S STATION, KENT CO., MD., July 31, 1873.

Messrs. Walton, Whann & Co.,

Gentlemen:—I have used Whann's Raw Bone Super Phosphate on my wheat for the past two years. I am exceedingly well pleased with its action and regard it as an excellent article.

Yours, respectfully,
JAMES A. ROSEBERRY.

CHESTERTOWN, KENT COUNTY, MD., Nov. 23, 1873.

Messrs. Walton, Whann & Co.,

Gentlemen:—I have been using Whann's Raw Bone Super Phosphate on my Farms near Chestertown for seven or eight years, and while I have made changes in some other Fertilizers, *Whann's has given me so much satisfaction that I have continued its use.* I believe it to be a permanent improver of the land while it is prompt and reliable in its action on crops. Yours, truly, S. LECATES.

"Excelsior,"

1873. 1873.

Composed of 800 pounds of No. 1 Peruvian Guano, and 1200 lbs. of Soluble Phosphate of Lime, (bones dissolved in sulphuric acid,) Potash and Soda,

Forming the most concentrated, universal and durable fertilizer ever offered to the farmers, combining all the stimulating qualities of Peruvian Guano, and the ever durable fertilizing properties of Bones.

"EXCELSIOR"

is in fine dry powder, prepared expressly for drilling, and can be applied in any quantity however small, per acre, and it is the opinion of many close calculating Farmers, after 14 years experience in testing it side by side with other popular fertilizers, that an application of 100 pounds of Excelsior is equal to from 200 to 300 pounds of any other fertilizer or guano offered for sale, therefore is fully 100 to 200 per cent. cheaper.

☞Look out for imitations and counterfeits. The popularity of Excelsior has induced *unscrupulous* parties in this and other cities to copy our trade mark, and resort to other *dishonorable* means to sell their *worthless* compounds.

Read the following Testimonials:

CHESTERTOWN, May 12, 1873.

Mr. C. P. Knight, Baltimore, Md.—I bought your Bradley's Patent Enamel Paint of Messrs. C. F. Stam & Bro., Chestertown, and found it to be all you recommend.

Respectfully,
CHAS. G. RICAUD,
School Examiner, Kent Co., Md.

BALTIMORE, Dec. 10th, 1872.

Mr. C. P. KNIGHT—Dear Sir:—It affords me much pleasure to say to you that the Bradley's Patent Enamel Paint far exceeds my expectations in economy, beauty, and I have every reason to believe, in durability.

More than twelve months since I painted the roof of my Hotel (Mansion House) with the Bradley's Patent Enamel Paint, and I was so well pleased with it I determined to paint the outside of the Hotel, and am most happy to say it gives me perfect satisfaction. In conclusion I will say if this testimonial will be any advantage to you, you are at liberty to use it. Yours, most respectfully,

ISAAC ALBERTSON,
Mansion House Hotel, corner Fayette and St. Paul streets, Baltimore.

FROM HON. JOHN WETHERED.

Mr. C. P. Knight:—At the recommendation of a friend, I was induced to apply your patent "Bradley's" paint to my house. I have pleasure in stating that it has proved highly satisfactory, covering more surface than you promised, is more economical, carries better gloss than any other paint and is freer from disagreeable odor. Yours, respectfully,

JOHN WETHERED.

THE PLAINS, Fauquier County, Va., February 6th, 1873.

C. P. KNIGHT—Dear Sir:—The Paint came safely to hand, as ordered, two kegs, five gallons each, and three buckets, one gallon each. As practice was slack I did the job myself.—Two weeks not constant work completed the house two coats, the last coat applied thick, and it is now generally conceded that for "Enamel" like hardness and body and harmony of colors there is not a handsomer job in the place. I saved sixty-five ($65) dollars by the operation, which is an item just now with Southern people." It should be generally adopted in this State; any country lad can apply it. I have never dabbled in such stock as Testimonials, but I feel so forcibly the great adaptability of your "Enamel Paint" to the wants of our people in excellency of material, in beauty of color, and the fact of its being "Ready Mixed," that I give you free permission (if it is desirable to you,) to make what use you think proper of this letter.

Very truly, S. McGILL, M. D.

Pleasantville, Harford Co., Md.

C. P. Knight—Dear Sir:—I am happy to inform you that your Patent Enamel Paint has given entire satisfaction. I prefer it to any paint I have ever seen used, and recommend it for durability and beauty as paramount to any other. Very respectfully,

R. DICKEY, M. D.

Belair, March 3d, 1873.

Mr. C. P. Knight—Dear Sir:—I have been using, since last Spring, Bradley's Patent Enamel Paint, and am happy to say that it gives entire satisfaction wherever I have used it, and to parties to whom I have furnished it for other painters to use. Mr. John I. Street, who I furnished with the paint last Fall, says if his name is of any use you can use it with pleasure in recommending so good a paint. S. H. Montague, Painter, agrees with me as to the durability of your most excellent Paint. I hope that those who have painting to do, will look to their advantage and apply Bradley's Patent Enamel Paint, which is the most durable Paint now in use. It holds its gloss longer than any other Paint that I have ever used.

Yours truly, E. C. GARRETTSON,

C. P. KNIGHT, Esq.—Dear Sir:—I have had the Bradley's Patent Enamel Paint, which I purchased from you, used inside and outside both at my dwelling and store for two seasons. It gives me great pleasure to be able to say it comes fully up to your recommendations in facility of use, economy, durability and beauty.

Yours, truly, THOS. J. IRVING,

Mr. C. P. Knight—Dear Sir:

The paints we received from you have been applied to several of our own buildings, and to those of our friends, and have given satisfaction in covering qualities, in gloss and in adaptability to all kinds of surface or material, and we cheerfully recommend it, especially to that class of consumers who have to depend upon unknown parties or painters to mix and furnish materials, wherein we have found the most deception.

Yours, truly,
JACOB STOUFFER & SON.

A CARD

To my Fellow-Citizens of Kent County:

I am induced by many considerations to announce myself to you as an INDEPENDENT CANDIDATE FOR THE HOUSE OF DELEGATES of Maryland. There is no reason why labor should not be represented in the State Legislature by one of her own sons and not always by a gentleman of property.—I am not ashamed to be the poor man's candidate. I am opposed to all cliques, rings and conventions, by means of which the few rule the many, taking care to provide office and emolument for themselves to the exclusion of the rank and file. I am against all party machinery and trickery, and am not a caucus candidate, but simply ask and hope for the support of all independent men.

I am your ob't servant,

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.
