TAX-PAYERS,

SHOULD UNDERSTAND that Taxes are due on the FIRST OF JULY, and not, as many seem to think, on the 1st of January. I desire to collect all the taxes in my District *before the first of January next*, so that I may be prepared to pay promptly all levies when demanded. It cannot be expected that I should wait with tax-payers until the first of January, as at that time all levies upon me are due.

This notice is deemed sufficient to show the necessity of prompt payment, and parties need not flatter themselves with long indulgence, as I am determined to collect the taxes within a reasonable time, and will resort to the law in every case where it may be necessary.

For the convenience of tax-payers, I will be (until further notice,) at CHESTERVILLE every Saturday, from 9 o'clock, A. M., to 12 M., and in MILLINGTON on the same days, from 1 to 6, P. M.; at home and GALENA the balance of the week.

HIGHEST PREMIUM

Sewing Machine!

The Lock Stitch made by this Machine cannot be raveled, and presents the same appearance upon each side of the seam, a single line of thread extending from stitch to stitch. It is formed with two threads, one upon each side of the fabric, and interlocked in the centre of it. The beauty and regularity of the stitch will be observed, also the firmness of the seam, in which respects it excels hand sewing.

Buy a good one or none.—Many absolutely worthless sewing-machines are now before the public, to purchase which would result in nought but vexation and disappointment to the owner. A *cheap* sewing-machine generally proves a *dear* bargain. *Grover & Baker's* have stood the test for many years; and but one opinion prevails as to their worth. The advantages they possess for Embroidering, Braiding, Hemming, &c., and their wonderful simplicity renders them the best in use. What other machine will embroider so beautifully, braid so elegantly, hem so faultlessly, quilt so evenly, stitch so accurately, gather so regularly, operate so easily? *None*, we conscientiously affirm.

Send for a Circular with description, prices, &c. Call and examine the machines and work executed by them, at our office,
