MARYLAND FINANCES.—Tax payers of Maryland, read the following statement of the Comptroller of the Treasury of Maryland, and contrast the condition of the Treasury under Radical rule, with what it is under Democrtic rule, and say to which party you would rather entrust the management of your monetary affairs. At a meeting at Upper Marlborough, Col. Woolford contrasted the expenditures in this State under Radical and Democratic rule as follows:

In 1865 the expenditures under Radical rule were $3,125,565.53, In 1866, $3,390,617.58. In 1873 the expenditures under Democratic rule $2,287,038.36.and in 1874, $2,270,969.35.

In 1861, under Democratic rule, the State tax was 10 cents on the hundred dollars. In 1862, under the Radicals, it was raised to 25 cents. In 1865 they further raised it to 30 cents. In 1867 the Democrats regaining power lowered the rate to 20 cents. In 1868 again to 19 cents, in 1872 again to 17 cents, in 1874 owing to the debt incurred for the Deaf and Dumb Asylum, by the House of Correction and the State Normal School the tax was increased somewhat and 2 cents was added for the benefit of our admirable school system, making it in all 20 5-16 cents.

He said that the Treasury of Maryland had never been in as prosperous condition as at this day. The balance in the Treasury on September 30, including the funds laid aside for building the House of Correction and the Normal School, were upward of $1,062,000, which is larger than any balance that ever has been in the Treasury since the State was organized.

The receipts from corporations had increased wonderfully under the new revenue system, inaugurated by the Democratic party. And this increase from tax upon capital promises to relieve very sensibly the taxes upon property, real and personal. Every man owning a house or any other species of property is interested in this matter.

You Have no Excuse.

Have you any excuse for suffering with Dyspepsia or Liver Complaint? Is there any reason why you should go on from day to day complaining with Sour Stomach, Sick Head-ache, Habitual Costiveness, palpitation of the Heart, Heart burn, Water-brash, Gnawing and burning pains at the pit of the Stomach, Yellow Skin, Coated Tongue and disagreeable taste in the mouth coming up of food after eating, Low spirits, &c. No! It is positively your own fault if you do. Go to your Druggist, C. F. Stam. & Bro., and get a bottle of GREEN'S AUGUST FLOWER for 75 cents, your cure is certain, but if you doubt this, get a Sample Bottle for 10 cents and try it. Two doses will relieve you.

The most concentrated, universal and durable Fertilizer ever offered to the farmer—combining all the stimulating qualities of Peruvian Guano, and the ever durable fertilizing properties of Bones. In fine dry powder, prepared expressly for drilling, and can be applied in any quantity, however small, per acre. It is the opinion of many close calculating Farmers after SEVENTEEN YEARS' experience in testing it side by side with other popular fertilizers, that an application of 100 pounds of Excelsior is equal to Two hundred pounds of any other fertilizer or Guano, and therefore fully 100 per cent. cheaper.

WHEAT SEEDING!

WHANN'S
Raw Bone Super Phosphate

MANUFACTURED BY

WALTON, WHANN & CO.,

WILMINGTON, DEL.

In the culture of Wheat, true economy implies the use of such manures as produce the greatest yield, and at the same time leaves the land in the best condition for grass.

Whann's Raw Bone Super Phosphate

is extensively used on this important crop for the reason that it fulfills these conditions.—The grass often paying for the fertilizer, leaving the increased yield of wheat clean profit. No fertilizer has ever excelled it. Combining the active qualities of the best Peruvian Guano with the most lasting properties of dissolved bone, it is unexcelled as a manure for wheat.

Those farmers who have used

WHANN'S RAW BONE

Super Phosphate

need no reminder as to its worth. Their continued use of it year after year is the strongest argument which can be brought to prove its merits.

Farmers who have not yet used this renowned fertilizer are earnestly requested to

TRY IT!

Its mechanical condition is excellent, especially fitting it for use with the Drill.
