BEALE'S

(Late Powell's)

EMBROCATION,

FOR ALL DISEASES INCIDENT TO

HORSES, CATTLE,

AND

THE HUMAN FLESH,

REQUIRING THE USE OF AN EXTERNAL APPLICATION.

THIS new compound, prepared by a practical Chemist, having a full knowledge of all the medical virtues of each ingredient that enters into its composition, is warranted to exceed anything of the kind ever yet offered to the public as an external application for the diseases for which it is recommended. We are satisfied that it will work its own way into the confidence of all who use it, and those who

Try It Once

will never be without it, and therefore we rely on experience as the best test of its usefulness. It is pronounced by Farriers, and all who have tried it, to be the *best application* ever used.

This Embrocation has been put up for over eight years, and it is only through the increasing demand and urgent request of my friends and the public that I send it forth as the

Grand Remedial Agent

for the various diseases to which that noble and useful animal, the horse, is subject.

Many remedies have been offered to the public under different forms, some of these are injurious, others at best of little use, and many wholly improper to answer the purposes for which they are recommended.

A judicious and really useful composition, free from those objections, has therefore long been desired by many gentlemen who have valuable horses, and are unwilling to trust them to the care of designing and pretended farriers. Their wishes are at length fully gratified, by (Dr. Beale) being prevailed upon to allow this VALUABLE EMBROCATION, which has proved so efficacious to the various diseases, to be prepared and brought out to the public.

This Embrocation was extensively used by the Government during the war.

Address all orders to

DR. EDMOND BEALE,

Tobacco and Segars.

Lovers of GOOD SEGARS and CHEWING TOBACCO can always be supplied at my store with the best brands of these articles.

A share of public patronage is solicited.

☞ Store on Main St., nearly opposite the Market House. aug18y.

A LARGE LOT OF GOVERNMENT HARNESS AND SADDLES, NEARLY NEW,

for sale at considerably less than their value Persons in want of good, serviceable Wagon, Dearborn or Plough Harness, would find it to their interest to call and examine the above named articles.

Also, a lot of good Government Plow Bridles, Halters, Collars, Breast & Halter Chains. I will guarantee to sell them as low as they can be bought in the city.

nov16-3m. A. M. RUSSELL.

A Pointed Dialogue.

"I SAY, JIM, where did you get such a fine looking Hat?"

"Why you know, John, I always go to SIMPSON'S to buy my Hats. I can always get the latest styles and cheapest Hats in town from him, for he makes his own Hats. And, John, you would be surprised if you would see that old slouch hat I had on last week; Simpson has made it look like a new one. Also, this old suit of Clothes, you see Simpson has cleaned and dyed them, and they are good as new. He always gets them done at the time promised." sep28-tf.

THE SUREST

Exterminator of Rats

EVER OFFERED TO THE PUBLIC.

READ the following Certificates from our own citizens as to its merit as a Rat destroyer:

Baltimore, May 14, 1867.

Messrs. Clotworthy & Co.—*Gent:* My warehouse on Howard street, was completely overrun by Rats. I used a bottle of "Dr. Stonebraker's" Rat Exterminator; and truly it is an Exterminator. It cleared the warehouse of Rats, and have had no return of them, and it has been four months since I used it.

WM. T. LANDSTREET,
Corner Howard and German Streets.

Baltimore, May 13, 1867.

Messrs. Clotworthy & Co.—*Gent:* We were very much troubled with Rats in our Store.—"Dr. Stonebraker's" Rat Exterminator being highly recommended to us, we used one bottle of it, and it proved itself worthy the high recommendation it had received as a Rat Destroyer. We have not been troubled with Rats since the first night we used it.

HOPKINS, HARDEN & KEMP,
—— Baltimore Street.

Baltimore, May 15, 1867.

Messrs. Clotworthy & Co.—*Gent:* The bottle of "Dr. Stonebraker's" Rat Exterminator, purchased of you, has proved to be death to Rats. I used it only one night, according to directions, and the next morning I counted nine dead Rats in the yard. They come out of their holes to die.

Jefferson, Frederick Co., Md., July 22, '67.

Messrs. Clotworthy & Co., Baltimore.—*Gent:* The wonderful cures which have been made by your Poulterer's Friend, cannot fail to interest all who raise poultry. A gentleman of this village has been experimenting on chickens with the gapes. He tried your Poulterer's Friend, according to the directions, and it had the desired effect in removing the worm, effectually relieving the chicken at once. Since then I have had many calls for it, and it has been used extensively with the same result. It is of incalculable value to all who raise Poultry. Respectfully, A. SPENCER.

The advantages they possess for Embroidering, Braiding, Hemming, &c., and their wonderful simplicity renders them the best in use. DAILY'S VENTILATED TRUSS.

RUPTURE CURED.

I BELIEVE there never has been a Truss to compare with my improvement, not only for a perfect and radical cure but also for the comfort and convenience of the wearer; of the thousands on whom I have applied this Truss in Baltimore and vicinity, nearly all have been relieved. Where the rupture is not complicated with other disease any one wearing the Truss may be cured, some in the short space of three months, especially young persons, although many over fifty years of age have also been cured. THE CLEANLINESS OF THE PAD, not absorbing the sweat, but being ventilated, permitting the air to circulate around the injured part, makes it essential to the comfort of the wearer. It will be the only Truss worn in the world. Physicians and persons who have worn it say there is no room for further improvement. Call and see it.
