The Kent News.

SATURDAY - - - - JULY 22, 1876

THE republican politicians are beginning to turn from the setting to the rising sun. At the Hayes ratification meeting in Cincinnati the other evening ex-Governor Noyes, among other promises for the candidate, said if elected President, "it is not likely he will ever be seen on the avenue four-in-hand, and it is certain that his friends, associates and advisers will be selected from among men of upright character and high attainments."—This is, of course, a direct slap at Grant. Noyes would not have dared to talk in this strain a few months ago. He would not have dared to talk in this strain a few months ago. He would have been read out of the party by the organs. General Grant will soon begin to experience the ingratitude of politicians, and those who are loudest in his praise to-day will be the severest in his condemnation to-morrow.

FOOD PRICES IN PHILADELPHIA.—It seems that the centennial exhibition so far from increasing food prices in Philadelphia, has actually had the effect, by attracting larger supplies, of reducing them. The commercial List gives a comparison of wholesale prices for some staple articles now, compared with the quotations at the close of May last year, which shows the market decline. New York or Bradford county butter then was quoted at 20 and 31 cents a pound, now the figures range from 23 to 28 cents; good quality Pennsylvania eggs, by the barrel, then brought 17 and 18 cents a dozen, now the rate is 12 and 13. Spring chickens, then 35 and 40 cents a pound, are now quoted at 19 and 20 cents. Butchers' meat also shows a decline though not to this extent. These are, of course, the wholesale figures.

THE MAN WHO FIGHTS CORRUPTIONISTS.—Govenor Tilden was elected to his present office by 50,000 majority over Governor John A. Dix, a decisive test of personal popularity. After Mr. Bristow, he is the only man in high place who has risked anything in a fight against corruptionists. The Tweed and canal rings have attracted about as much attention as the whiskey ring. Mr. Bristow has resigned, and President Grant is pardoning the men whose conviction Bristow secured. Governor Tilden more fortunate than Bristow, had his foot on both of the New York rings, and was able to triumph over them at St. Louis.—*The Methodist.*

CHARLES FRANCIS RIGHT THIS TIME.—Charles Francis Adams, before the St. Louis nominations were made, said that Mr. Tilden has shown himself a reformer, and has incurred active opposition in his own party; that if nominated for the presidency he would have to encounter the opposition of corrupt men, but that he would receive a large but quiet support of the independent voters. The enthusiastic reception which the nomination has met shows that Mr. Adams was quite right in saying that Mr. Tilden will be a powerful candidate.—*Detroit Free Press.*

TILTON AT HOME.—The New York Sun says Theodore Tilton has returned to Brooklyn from his lecture tour, having spoken 217 nights, or fifty nights more than any other lecturer has done in a single season. His agent says that he has been more successful financially than ever before, and that already an extensive tour has been marked out for the next season. Mr. Tilton has gained twenty-five pounds, has made enough money to pay all of his debts, and has settled down to a summer of hard literary work.

Order of Publication.

JEREMIAH PEACOCK,
vs.
GEO. DAVIS, et. al.

In the Circuit Court for Kent County, in Equity, April Term, 1876.

THE object of the Bill filed in the above entitled case is to procure a Decree for the sale of certain Real Estate and its appurtenances, lying and situate in Kent county, Maryland, which are particularly described in said Bill.

The Bill states that a certain Wm. Davis, late of Kent county, aforesaid, deceased, was in his life time indebted to one Jeremiah Peacock, in the sum of Thirty-one dollars current money, on a store bill or account for goods sold and delivered, with interest thereon from March 24th, 1874, which said account is marked "Exhibit A," and filed with the said bill.

The Bill further states that the said Davis being indebted as aforesaid, departed this life in the year 18—, leaving a last Will and Testament, which has been duly proved and recorded, whereby he nominated his wife, Rachel Jane Davis, his Executrix, and devised to his said wife all his real and personal property for and during her natural life, and after her death to be equally divided among his children, Rachel Jane Anderson, Margaret Emma Anderson and Geo. Davis, and to their heirs forever; and left a charge on said heirs that they pay to his son Joseph Davis, the sum of fifty dollars, all of whom are adults above the age of twenty-one years, a copy of which said Will is marked "Exhibit B," and filed with the said Bill.

The Bill further states that the said Rachel Jane Davis has since departed this life, and that letters of administration on the personal estate of said Wm. Davis hath been granted by the Orphans' Court of Kent county aforesaid, unto Harrison W. Vickers of said county, who has failed to possess himself of any personal estate, and that the want thereof ought to be supplied by a sale of the real estate of said Wm. Davis, and that the said George Davis, Rachel Jane Anderson and Margaret Emma Anderson, are non-residents, living without the limits of the State of Maryland.

It is thereupon adjudged and ordered, that the complainant, by causing a copy of this order to be inserted in some newspaper printed in Kent county once in each of four successive weeks before the Third day of August next, give notice to the said absent defendants of the object and substance of this Bill and warn them to appear in this Court in person or by solicitor, on or before the Third day of November next, to answer the premises and show cause, if any they have, why a Decree ought not to pass as prayed.
