Here is a story of an epoch naking battle of right against | wrong, of honesty against corruption, of simplicity and sincerity against deceit, bribery and intrigue. It is the story of today in this country. It vitally concerns every man, woman and child in the United States, so far-

reaching is its influence. The warfare is now going onthe warfare of honest men against corrupt political machines.

The story tells the "inside" of the political maneuvers in Washington and of the workings of bosses there and elsewhere - how they shape men and women to their ends, how their cunning intrigues isn't anybody's, a fine scheme so long Again it was Norton's turn to be you've heard of Jim—was clerk o' Fenextend into the very social life hands off and doesn't"—
