Old Abe on Carpet-Baggers.

The following letter of President Lincoln is explanatory of his sentiments in reference to carpet-baggers:

EXECUTIVE MANSION,
WASHINGTON, November 21, 1862.

Dear Sir:—Dr. Kennedy, bearer of this, has some apprehension that Federal officers, not citizens of Louisiana, may be set up as candidates for Congress in that State. We do not particularly need members of Congress from these States to enable us to get along with legislation here. What we do want is the conclusive evidence that respectable citizens of Louisiana are willing to be members of Congress, and to swear support to the Constitution, and that other respectable citizens there are willing to vote for them and send them. To send a parcel of Northern men here as Representatives, elected, as would be understood, (and perhaps really so,) at the point of the bayonet, would be disgraceful and outrageous; and were I a member of Congress here, I would cast my vote against admitting any such man to a seat.

Yours, very truly, A. LINCOLN.
Hon. G. F. SHIPLEY.

RADICAL ESTIMATE OF THE RADICAL CANDIDATE.—The *Commercial* and the *Times* are very fond of quoting from the New York *Tribune*. Suppose they quote the following paragraph, from the editorial columns of that paper, before the Chicago Convention. The effect might be wholesome:

"General Grant we esteem by no means a great man, nor even a very great general. We want a statesman; we want Mr. Chief Justice Chase. The Republican party contains no purer, no worthier, no more gifted man. In what respect does General Grant surpass Mr. Chase? "Is he a better Republican?" we ask General Grant. No reply. If we want, then, to talk about horses and tobacco, we may find him the most valuable of men. *Not one word upon the question that breaks the heart of the country!* "Take me, if you will, as Ulysses S. Grant, General, and when I am President, I shall do as I please." Perhaps we must take him, but we do not feel like cheering over it; certainly not so long as great statesmen remain in our ranks. "Give us Grant because we can elect him." Again that cowardly argument. Is there nothing in this great party but office hunger? Is the chief end of man the post office and revenue service? Are we willing to follow a doubtful leader to an uncertain battle for unknown principles?"

THE tea for which we pay $1.50 a pound, cost eighteen cents in China. The molasses for which we pay eighty cents a gallon, cost ten cents in Cuba. What is the cause of this monstrous advance in price? Radical recklessness, corruption, and taxation. They have increased the expenditures of the government more than four fold. They keep a large army in the South to force negro equality upon white men, and they feed, clothe, and house thousands of idle negroes, at a cost of from ten to fifteen millions of dollars per year. To do this, money is needed in immense amounts, and this must be raised by taxation upon all articles used by the people.

SINGULAR WILL.—A maiden lady of New York city has made a will in which she bequeaths all her property to a religious corporation to build a church. She furthermore directs her executors, in due process of time, to use her dust and entire remains to make mortar with which to lay the corner-stone. Her name is for the present withheld. Not until the will is presented for probate will the curious be able to satisfy themselves.

YOU ALL

HAVE HEARD OF

HOOFLAND'S GERMAN BITTERS,

AND

HOOFLAND'S GERMAN TONIC,

Prepared by Dr. C. M. Jackson, Philadelphia. Their introduction into this country from Germany occurred in

1825.

THEY CURED YOUR

FATHERS AND MOTHERS,

And will cure you and your children. They are entirely different from the many preparations now in the country called Bitters or Tonics. They are no tavern preparation, or anything like one; but good, honest, reliable medicine. They are

The greatest known remedies for

Liver Complaint,
DYSPEPSIA,
Nervous Debility,
JAUNDICE,
Diseases of the Kidneys,
ERUPTIONS OF THE SKIN,

and all Diseases arising from a Disordered Liver, Stomach, or

IMPURITY OF THE BLOOD.

Constipation, Flatulence, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the Sight, Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and Great Depression of Spirits.

All these indicate disease of the Liver or Digestive Organs, combined with impure blood.

Hoofland's German Bitters

is entirely vegetable, and contains no liquor. It is a compound of Fluid Extracts. The Roots, Herbs, and Barks from which these extracts are made are gathered in Germany. All the medicinal virtues are extracted from them by a scientific chemist. These extracts are then forwarded to this country to be used expressly for the manufacture of these Bitters. There is no alcoholic substance of any kind used in compounding the Bitters, hence it is the only Bitters that can be used in cases where alcoholic stimulants are not advisable.

Hoofland's German Tonic

is a combination of all the ingredients of the Bitters, with pure Santa Cruz Rum, Orange, etc. It is used for the same diseases as the Bitters, in cases where some pure alcoholic stimulus is required. You will bear in mind that these remedies are entirely different from any others advertised for the cure of the diseases named, these being scientific preparations of medicinal extracts, while the others are mere decoctions of rum in some form. The TONIC is decidedly out of the most pleasant and agreeable remedies ever offered to the public. Its taste is exquisite. It is a pleasure to take it, while its life-giving, exhilarating, and medicinal qualities have caused it to be known as the greatest of all tonics.

DEBILITY;

There is no medicine equal to Hoofland's German Bitters or Tonic in cases of Debility. They impart a tone and vigor to the whole system, strengthen the appetite, cause an enjoyment of the food, enable the stomach to digest it, purify the blood, give a good, sound, healthy complexion, eradicate the yellow tinge from the eye, impart a bloom to the cheeks, and change the patient from a short-breathed, emaciated, weak, and nervous invalid, to a full-faced, stout, and vigorous person.

Weak and Delicate Children are made strong by using the Bitters or Tonic. In fact, they are Family Medicines. They can be administered with perfect safety to a child three months old, the most delicate female, or a man of ninety.

These Remedies are the best

Blood Purifiers

ever known, and will cure all diseases resulting from bad blood. Keep your blood pure, keep your Liver in order; keep your digestive organs in a sound, healthy condition, by the use of these remedies, and no disease will ever assail you. The best men in the country recommend them. If years of honest reputation go for anything you must try these preparations.

FROM HON. GEO. W. WOODWARD,

Chief Justice of the Supreme Court of Pennsylvania.

PHILADELPHIA, March 16, 1867.

I find "Hoofland's German Bitters" is not an intoxicating beverage, but is a good tonic, useful in disorders of the digestive organs, and of great benefit in cases of debility and want of nervous action in the system.

Yours truly, GEO. W. WOODWARD.

FROM HON. JAMES THOMPSON,

Judge of the Supreme Court of Pennsylvania.

PHILADELPHIA, April 28, 1868.

I consider "Hoofland's German Bitters" a valuable medicine in cases of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it. Yours, with respect, JAMES THOMPSON.

FROM REV. JOSEPH H. KENNARD, D. D.,

Pastor of the Tenth Baptist Church, Philadelphia.

DR. JACKSON—DEAR SIR:—*I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that for general debility of the system and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes.* Yours, very respectfully, J. H. KENNARD.

Eighth, below Chestnut st.

CAUTION.

Hoofland's German Remedies are counterfeited. The genuine have the signature of C. M. Jackson on the front of the outside wrapper of each bottle, and the name of the article blown in each bottle. All others are counterfeit.

Price of the Tonic, $1 50 per bottle; Or, a half dozen for $7 50.

The tonic is put up in quart bottles.

Recollect that it is Dr. Hoofland's German Remedies that are so universally used and so highly recommended; and do not allow the Druggists to induce you to take anything else that he may say is just as good, because he makes a larger profit on it. These Remedies will be sent by express to any locality upon application to the
