A PROPOSED NATIONAL CONVENTION.—The New York Tribune says it has been asked to publish a call for a national convention of Union men, to meet in Washington city December 9th, then and there to consider what legislative or other action is needed to protect the lives, liberty and property of loyal citizens in the late rebel States. The Tribune then adds:

"We decline to print the call, because it is not responsibly signed, and because we trust no such convention is required. The better part of those at the South who supported Seymour and Blair in our late struggle seem now desirous to unite in efforts to secure peace and prosperity to the South and to the whole country. We trust those efforts, heartily seconded by those of General Grant and his supporters, will prevail. At all events, let us wait and note carefully the effect produced at the South by General Grant's election.—Congress will need no prompting to do what is right. Let us not provoke further turbulence and outrage by needlessly anticipating them.

BUTLER BECOMING CONSERVATIVE—*His Feelings for the South.*—The Louisville Courier publishes a private letter from Gen. Butler, in which he says:

"That we are politically opposed, I think, must arise from the different light in which we see the same thing. The South has no firmer friend than I am, and ever have been. It is a part of my country, and although I may misjudge in the best way to preserve the South from the consequences of what I must regard as a great crime, and, still worse, a blunder, yet I would do anything I could be convinced would tend to the prosperity, quiet and regeneration of the South as a part of my country. I bear no hatred towards the South or Southern men as such, if I know my own heart. But I am opposed only to those who still war upon the best interests of the country, as I understand them, and that opposition, from the very necessities of my nature, will be a stern and unyielding one. I hope to see you, and assure you in person that I can be as ardent a friend in peace as I was a determined and unrelenting foe in war."

SILLY WAGERS.—It is gratifying to notice the general condemnation that is measured out to those individuals who make themselves conspicuously ridiculous by doing some ridiculously conspicuous thing in payment of an election wager.—Recently a Senator of the United States walked through the streets of Leavenworth bareheaded, in fulfillment of a promise to do so in the event of Grant's election; and it is universally conceded that the silly performance not only showed that he was bareheaded, but also empty-headed, and that he had as sparse a quantity of brains inside of his cranium as he had covering on the outside. Such exhibitions are, in most cases advertising dodges, and are only performed to give publicity to the actor. Their object is usually to make notorious what otherwise could not attract the public eye. The business of the party doing the foolish act is, of course, stated, and he gets a first-rate advertisement gratis, at the expense of his own personal self-respect, and amidst the jeers and gibes of every sensible person in the community. The public can easily put an end to such follies by taking no notice of them, but simply leaving the performers "severely alone."—*Phila. Age.*

METHODIST MISSIONARY SOCIETY.—The General Missionary Committee of the M. E. Church reports the receipts of the last fiscal year at $614,000, and the appropriations at $671,000, the deficiency of $57,000 being taken from an unexpended surplus in the treasury. An expenditure of the same amount will be required, and also a further sum for the extension of the foreign missions. The Society employs 410 missionaries in its foreign missions, and 1,834 in its domestic missions. The appropriations from 1850 to the close of the present missionary year have amounted to $3,160,983, about three-fifths of which have been spent on the home missions of the church.

THE wedding of Speaker Colfax with Miss Nellie Wade took place on Wednesday at Andover, Ohio, the home of the bride, who resided with her step-mother, her father and mother both being dead. Miss Wade is the niece of Senator Wade. She is about thirty years of age, of medium size, good figure, dark hair, brown eyes, and has a pleasing face.

THE discussions now going on about railway safety brings to mind *Punch's* prescription for preventing railway accidents. It was as follows: Tie a director of the company in front of every locomotive drawing a passenger train. If collisions should happen under this plan, the directors on the colliding locomotives would be personally liable.

DIVISION OF TEXAS.—The Houston *Union* says that the question of dividing Texas into three States will be agitated on the reassembling of the convention in December next. The bill failed by a moderate majority before, and it is said that several of the delegates who voted against division then will vote in favor of it this time.

"LET US BE FRIENDS."—The Republicans of Hartford, Conn., had a grand procession one night last week, which was headed by a Seymour & Blair club carrying a banner inscribed 'Let us be Friends.'

General Grant will have control of 53,000 offices and officers, whose annual compensation amounts to thirty millions of dollars.

SEWING MACHINES.

It is now generally admitted that a good Sewing Machine is a valuable aid in a family. Few men would decline purchasing a machine of any kind that would enable them to perform their labor in half the time required by other means, and we think the Ladies have as much claim to be relieved from their toil. It has been demonstrated that a GROVER & BAKER SEWING MACHINE will save more than half the time and labour and do the work better. This is the best family sewing machine, because it is simple, and Ladies have no trouble to manage them.

If a sewing machine is too complicated to be used, except by experienced operators, it has very little value as a family machine. We never knew a Lady who had any difficulty in using a Grover & Baker Machine.

B. B. PERKINS & SON,

YOU ALL

HAVE HEARD OF

HOOFLAND'S GERMAN BITTERS,

AND

HOOFLAND'S GERMAN TONIC.

Prepared by Dr. C. M. Jackson, Philadelphia. Their introduction into this country from Germany occurred in

1825.

THEY CURED YOUR

FATHERS AND MOTHERS,

And will cure you and your children. They are entirely different from the many preparations now in the country called Bitters or Tonics. They are no tavern preparation, or anything like one; but good, honest, reliable medicines. They are

The greatest known remedies for

Liver Complaint,
DYSPEPSIA,
Nervous Debility,
JAUNDICE,
Diseases of the Kidneys,
ERUPTIONS OF THE SKIN,

and all Diseases arising from a Disordered Liver, Stomach, or

IMPURITY OF THE BLOOD.

Constipation, Flatulence, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the Sight, Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes; Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and Great Depression of Spirits.

All these indicate disease of the Liver or Digestive Organs, combined with impure blood.

Hoofland's German Bitters

is entirely vegetable, and contains no liquor. It is a compound of Fluid Extracts. The Roots, Herbs, and Barks from which these extracts are made are gathered in Germany. All the medicinal virtues are extracted from them by a scientific chemist. These extracts are then forwarded to this country to be used expressly for the manufacture of these Bitters. There is no alcoholic substance of any kind used in compounding the Bitters, hence it is the only Bitters that can be used in cases where alcoholic stimulants are not advisable.

Hoofland's German Tonic

is a combination of all the ingredients of the Bitters, with PURE *Santa Cruz Rum, Orange, etc. It is used for the same diseases as the Bitters, in cases where some pure alcoholic stimulus is required. You will bear in mind that these remedies are entirely different from any others advertised for the cure of the diseases named, these being scientific preparations of medicinal extracts, while the others are mere decoctions of rum in some form. The* TONIC *is decidedly one of the most pleasant and agreeable remedies ever offered to the public. Its taste is exquisite. It is a pleasure to take it, while its life-giving, exhilarating, and medicinal qualities have caused it to be known as the greatest of all tonics.*

DEBILITY,

There is no medicine equal to Hoofland's German Bitters or Tonic in cases of Debility. They impart a tone and vigor to the whole system, strengthen the appetite, cause an enjoyment of the food, enable the stomach to digest it, purify the blood, give a good, sound, healthy complexion, eradicate the yellow tinge from the eye, impart a bloom to the cheeks, and change the patient from a short-breathed, emaciated, weak, and nervous invalid, to a full-faced, stout, and vigorous person.

Weak and Delicate Children are made strong by using the Bitters or Tonic. In fact, they are Family Medicines. They can be administered with perfect safety to a child three months old, the most delicate female, or a man of ninety.

These Remedies are the best

Blood Purifiers

ever known, and will cure all diseases resulting from bad blood. Keep your blood pure; keep your Liver in order; keep your digestive organs in a sound, healthy condition, by the use of these remedies and no disease will ever assail you. The best men in the country recommend them. If years of honest reputation go for anything you must try these preparations.

FROM HON. GEO. W. WOODWARD,

Chief Justice of the Supreme Court of Pennsylvania.

PHILADELPHIA, March 16, 1867.

I find "Hoofland's German Bitters" is not an intoxicating beverage, but is a good tonic, useful in disorders of the digestive organs, and of great benefit in cases of debility and want of nervous action, in the system.

Yours truly,
GEO. W. WOODWARD.

FROM HON. JAMES THOMPSON,

Judge of the Supreme Court of Pennsylvania.

PHILADELPHIA, April 28, 1866.

I consider "Hoofland's German Bitters" a valuable medicine in case of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it. Yours, with respect,

JAMES THOMPSON.

FROM REV. JOSEPH H. KENNARD, D. D.,

Pastor of the Tenth Baptist Church, Philadelphia.

DR. JACKSON—DEAR SIR:—*I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that for general debility of the system and especially for Liver Complaint, it is a most safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes.*

Yours, very respectfully,
