The Kent News.

SATURDAY - - - - - NOV. 9, 1878.

THE BIBLE IN THE SCHOOLS—*A Peculiar Phase of the Question.*—Some time since the school board of New Haven, Conn., voted to discontinue religious exercises in the public schools. This raised a whirlwind in the city, and at an election held several weeks ago a party in favor of the restoration of the Bible in the public schools, composed of Protestants and Catholics, triumphed, the latter fighting as manfully as the former for the restoration of religious exercises in the schools. Since then a plan has been prepared and submitted to the school board which proposes two manuals to be used in the schools, one for the Protestants and the other for the Catholics, which its authors claim would be satisfactory to the great body of friends of religion and of the public schools. The plan submitted to the board is signed by forty-one clergymen, including ex-President Woolsey, President Porter, Dr. Bacon, Dr. Harwood, five pastors of Catholic churches, one Universalist clergyman, the prominent Baptist and Methodist clergymen, many of the Congregational and Episcopal clergymen, and the pastor of the Yale College Church. The board has not yet acted on the plan.

ACCIDENT—*A Heavy Wagon Runs over a Man.*—Mr. John Whitby, a young man in the employ of Mr. Wm F. Parrott, was on Tuesday proceeding to the Centreville Landing with a wagon load of 50 bushels of wheat, Mr. Whitby at the time riding on the tongue. His reins dropping he stooped over to gather them up, when he lost his balance and fell to the ground, two of the wheels of the wagon passing over his body, striking him at the hips and passing over his stomach, breast and head. The young man was much injured by the accident, but it is thought will come out all right. He was taken to Mr. Hopper's drug store, where Dr. Bordley attended him. At last accounts he was doing well.—*Observer.*

A RICH JOCKEY.—Wm. Barrett, one of Mr. Pierre Lorillard's jockeys, is said to be the richest jockey in America, being worth over $20,000, and there is but one richer jockey in the world, Archer of England. Barrett, who weighed but 97 pounds when he rode in Baltimore week before last, has increased rapidly in flesh, now weighs 115 pounds, and is too heavy too ride. It is ascertained that Barrett had been starving himself this season to keep down to the required weight, such being the custom of all jockeys. When they quit riding they become heavy very rapidly.

THE President of the Howard Association of New Orleans has written a letter in reply to Secretary Evarts, denying the report that a large surplus remains in their hands of the relief fund, and states that the demands from other points had swelled their obligations one hundred thousand dollars beyond the calculations made when they desired the contributions to be suspended. They are now striving hard to meet their obligations and come out clear of debt. They have as yet paid nothing to the doctors, sixty in number, employed by them.

BUILDING IN CHURCH HILL.—This town has taken a start lately. Five new houses will be commenced there this week, one for Wm. W. Bowen, one for Geo. E. Gleaves, one for Jos. Guest, one for James H. Williamson, Jr., and one for John Loller. Capt. John H. Evans will also commence at once to re-build the property recently purchased there by him from the Messrs. Brown as agents for Mrs. Frances E. Dillen. Thus the "Hub," as they call it, shows signs of renewed life and vigor, which all good citizens will be gratified to observe.—*Observer.*

A WAR between the Roman Catholics and Episcopalians of Wilmington has broken out in such a way that a local controversy of unprecedented vigor is looked for. Bishop Lee, just returned from Europe, recently preaced an ultra anti-Catholic sermon. On Wednesday Rev. Benjamin I. Keiley printed a letter in the *Every Evening*, attacking Bishop Lee, and last Sunday Bishop Becker followed up Father Keiler in a sermon.

A PRAYER meeting was in progress in the church in Mount Vernon, Ind., and a political procession, mistaking the lighted edifice for the hall in which the mass meeting was to be held, marched in with banners flying, to the music of a full band, and gave three cheers for its candidate. The clergyman invited the politicians to remain "for their souls' sake," but they declined.

CROAKING is not confined to the Frog Ponds. At this season almost everybody is hoarse. The bleating of distressed lungs is heard everywhere. Why is this, when *Hale's Honey of Horehound and Tar* will cure any cough, cold or hoarseness in 48 hours? Sold by all druggists. Pike's Toothache Drops cure in 1 minute.

THE surplus of the Manhattan Savings Bank of New York is said to be so large, that the late robbery of $3,000,000 will not impair the interests of the depositors.

By Universal Accord, AYER'S CATHARTIC PILLS are the best of all purgatives for family use. They are the product of long, laborious and successful chemical investigations, and their extensive use, by Physicians in their practice, and by all civilized nations, proves them the best and most effectual purgative Pill that medical science can devise. Being purely vegetable no harm can arise from their use. In intrinsic value and curative powers no other Pills can be compared with them, and every person, knowing their virtues, will employ them, when needed. They keep the system in perfect order, and maintain in healthy action the whole machinery of life. Mild, searching and effectual, they are specially adapted to the needs of the digestive apparatus, derangements of which they prevent and cure, if timely taken. They are the best and safest physic to employ for children and weakened constitutions, where a mild but effectual cathartic is required.

DISEASES OF THE
Eye, Ear and Catarrh
A SPECIALTY.
Persons suffering from weak, watery, inflamed, ulcerated and granulated Sore Eyes, can be speedily and permanently cured, no matter how bad the case may be. (*No Blue Stone or Caustic*) nor anything else, which will cause pain or injury to the Eyes. Diseases of the Ear also treated and cured in a very short time; as most of them are dependent on Catarrh in the head, from the fact that persons who are hard of hearing, feel considerably worse after taking a fresh cold, and wet, cloudy days.
CATARRH
Treated on entirely new and Scientific principles. Fluids are not forced (in any way) into the head by the NASAL EOUCHE; or any other instrument used for that purpose. It has been demonstrated by some of the most celebrated Doctors, both of this country and Europe, that fluids forced into the head will often cause serious injury to the ears, and in many cases total loss of hearing is the consequence.
Symptoms of Catarrh.
Dull, heavy headache; obstructions of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery and acrid, at others thick, tenacious, mucous, purulent, bloody and putrid; the eyes are weak, watery & inflamed; there is ringing in the ears, deafness, hacking or coughing to clear the throat; expectoration of offensive matter together with scabs from ulcers; the voice is changed and has a nasal twang, the breath is offensive, smell and taste are impaired, there is a sensation of dizziness, mental depression, hacking cough and general debility. Only a few of the above named symptoms are, however, likely to be present in any one case. Patients suffering with Catarrh can be treated by mail. *Consultation free.* Board furnished if required.

Manhood: How Lost, How Restored!
Just published, a new edition of *Dr. Culverwell's Celebrated Essay* on the radical cure (without medicine) of Spermatorrhœa or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc., also, Consumption, Epilepsy and Fits, induced by self-indulgence, sexual extravagance, &c.
The celebrated author, in this admirable Essay, clearly demonstrates, from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.
This Lecture should be in the hands of every youth and every man in the land.
