determined to take a manly stand, against these Manstealers, and Pirates of the Orion. — We consider it the duty of every true American, to Rally around the Government, in support of their Measures. —

Therefore Resolved, that this Troop called the Republican Light Dragoons, — Will Volunteer, & do tender their services under the present Requisition, to Government as part of the quota demanded of General Stansbury from the Eleventh Brigade — and hold themselves bound to march when ever called on for that purpose — with a hope, & wish, to continue under the command of their own Officers — in Witness our hands this — day of May 1812 —
