ROBBERY OF THE PHILADELPHIA AND BALTIMORE RAILROAD COMPANY.—The Wilmington (Delaware) Commercial of Monday afternoon says:

A heavy robbery was committed at the depot of the Philadelphia, Wilmington and Baltimore Railroad Company, in this city, on Saturday night. William Jamar, paymaster of the road, brought down here $15,000 to pay off the employees, which he deposited, with some other money, in the safe in the office of J. Mahoney, road master. Some one effected an entrance into the office and unlocked the safe with a skeleton key, taking over fifteen thousand dollars from it. The only clue to the thief yet found is the skeleton key, which was picked up on Fourth street, below Pine. This, however, affords no evidence of the identity of the criminal.—The robbery is quite a mysterious one, especially when we consider the public place at which it was committed, and the fact that portions of the building are occupied day and night the year round.

The "job" must have been well planned and skilfully executed, as the office where it was committed is within a short distance of the railroad telegraph office, which is always occupied.

A MANIAC'S ATTEMPT ON THE LIFE OF THE PRESIDENT—*An Insane Woman in the White House.*—A little after 8 o'clock on Wednesday evening a young woman named Annie O'Niell was discovered in one of the corridors of the White House, moving towards the private apartments of the President, who, when asked what she wanted replied, "I am sent by God Almighty to kill Andrew Johnson." Being taken into custody, an old-fashioned double-barreled pistol was found in her possession, which, however, was not loaded.

It appears that she entered the White House during the afternoon, and concealed herself in the meantime. She was evidently laboring under an attack of insanity, which is said to have been caused by her apprehension that she would lose the entire savings of herself and sister, gained in the Treasury Department during several years past, and invested in a little homestead for her family.

THE SATE OF PENNSYLVANIA ON FIRE.—We learn from reliable parties, that a great conflagration is now at the heighth of its progress in the celebrated Millar coal mines on the Monongahela river, fifteen miles southeast of Pittsburg. The fire began sometime since, and great efforts have been made to extinguish it, but to no purpose. An attempt to check its fierce career was made by the erection of mud walls and the pumping in of large quantities of water, and by this means the fire was partially smothered, but the heat became so intense and the pressure of gas so great that the walls were burst, and the flames are now sweeping onward with greater force than ever. It is spreading through the old mines at the rate of sixty yards per day, and it is feared the entire field may be destroyed.

The coal field over which this great subterranean deluge of fire is sweeping, is one of the most valuable on the Monongahela, and extends a distance of some eight or ten miles. It is difficult to say what will be the result of this underground conflagration if it is not checked very soon. Wherever a vein of coal extends the fire must follow it, and the whole Pittsburg coal region may yet be endangered. Let some great lake of Pennsylvania oil be touched by the resistless stream of fire, let the underground gasses be turned on, let the vast beds of coal throw out their strength, and the old Keystone State, or at least a portion of it, will form the vent of a subterranean hell inferior only to those which in other quarters of the globe break out in blazing volcanoes from the surface of the earth.—*Washington Review and Examiner.*

CRIME IN NEW YORK.—It is asserted by the New York journals that no similar period of time has been so fruitful in daring robberies and burglaries in that city as the past ten days. All the criminals of the country, it is stated, have made a preconcerted raid on the metropolis. The audacity and boldness of the robbers and burglars are reported to be unparalleled, and the arrest of any of their number, it is contended, has apparently no effect in deterring the remainder. The operations of the law in New York are ordinarily so slow, that they entertain hopes of escape even if so unfortunate as to be arrested. The courts are, therefore, advised to enforce the law with vigor, and one judge is especially praised for disposing of over one hundred cases of felony within three weeks' time.

PETITION FOR THE PARDON OF SPANGLER.—A petition numerously signed by the most prominent officials of Baltimore, and influential and respectable citizens of Maryland, asking the pardon of Spangler, one of the prisoners confined at Dry Tortugas for complicity in the assassination of Mr. Lincoln, was presented to the President of last Saturday.

NEW YORK NEWSPAPER RECEIPTS.—The following are the receipts of the principal New York daily journals for the past three months, as reported to the internal revenue officers; Herald, $189,615; Times, $130,938; Tribune $131,859; Journal of Commerce, $25,500; Express, $24,106, Evening Post, $28,106; Commercial, $6,841; Pomeroy's Democrat, $10,558.

GEN. GRANT IN NEW YORK.—General Grant visited the St. Paul's Meth. Epis. Church, in New York, on Sunday, with Gen. Badeau, and heard Rev. Dr. Ridgeaway's sermon. In the afternoon he was closeted sometime with Mr. Bonner, and afterwards took dinner with Mr. A. T. Stewart and his family.

PROPOSED CANAL.—There is a memorial before the Delaware Legislature asking a charter for a company to build a canal from Lewes creek through to Indian river, and thence south to the waters of the Chesapeake.

THE remains of Mrs. Surratt have, by order of the President, been delivered up to her daughter, and reinterred in the family burial ground.

Hon. John Stephen Sellman, a well-known citizen of Anne Arundel county, residing on South river, died a few days ago, at an advanced age.

THE Delaware Legislature has re-elected Robert Lamden to be State Auditor, and Wm. J. Clark to be State Treasurer.

Hoofland's German Bitters
is entirely vegetable, and contains no liquor. It is a compound of Fluid Extracts. The Roots, Herbs, and Barks from which these extracts are made are gathered in Germany; All the medicinal virtues are extracted from them by a scientific chemist. These extracts are then forwarded to this country to be used expressly for the manufacture of these Bitters. There is no alcoholic substance of any kind used in compounding the Bitters, hence it is the only Bitters that can be used in cases where alcoholic stimulants are not advisable.

Hoofland's German Tonic
is a combination of all the ingredients of the Bitters with PURE Santa Cruz Rum, Orange, etc. It is used for the same diseases as the Bitters, in cases where some pure alcoholic stimulus is required. You will bear in mind that these remedies are entirely different from any others advertised for the cure of the diseases named, these being scientific preparations of medicinal extracts, while the others are mere decoctions of rum in some form. The TONIC is decidedly one of the most pleasant and agreeable remedies ever offered to the public. Its taste is exquisite. It is a pleasure to take it, while its life-giving, exhilerating, and medicinal qualities have caused it to be known as the greatest of all tonics.

DEBILITY,
There is no medicine equal to Hoofland's German Bitters or Tonic in cases of Debility. They impart a tone and vigor to the whole system, strengthen the appetite, cause the enjoyment of food, enable the stomach to digest it, purify the blood, give a good, sound, healthy complexion, eradicate the yellow tinge from the eye, impart a bloom to the cheeks, and change the patient from a short-breathed, emaciated weak, and nervous invalid, to a full-faced, stout, and vigorous person.
Weak and Delicate Children are made strong by using the Bitters or Tonic. In fact, they are Family Medicines. They can be administered with perfect safety to a child three months old, the most delicate female, or a man of ninety.
These Remedies are the best
Blood Purifiers
you can produce, and will cure all diseases resulting from bad blood. Keep your blood pure; keep your Liver in order; keep your digestive organs in a sound, healthy condition, by the use of these remedies, and no disease will ever assail you. The best men in the country recommend them. If years of honest reputation go for anything you may rely upon these preparations.

FROM HON. GEO. W. WOODWARD,
Chief Justice of the Supreme Court of Pennsylvania.
PHILADELPHIA, March 16, 1867.
I find "Hoofland's German Bitters" is not an intoxicating beverage, but is a good tonic, useful in disorders of the digestive organs, and of great benefit in cases of debility and want of nervous action, in the system.
Yours truly, GEO. W. WOODWARD.

FROM HON. JAMES THOMPSON,
Judge of the Supreme Court of Pennsylvania.

FROM REV. JOSEPH H. KENNARD, D. D.,
Pastor of the Tenth Baptist Church, Philadelphia.
DR. JACKSON—DEAR SIR:—*I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that for general debility of the system and especially for Liver Complaint, it is a valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes.* Yours, very respectfully,
J. H. KENNARD,
Eighth, below Coates street.
