WAREROOMS—350 West Balt. St., near Eutaw, BALTIMORE, MD.

THESE instruments have been before the public for nearly thirty years, and upon their excellence alone attained *an unpurchased pre-eminence* which pronounces them unequaled.

Their TONE combines great power, sweetness and fine singing quality, as well as great purity of intonation, and evenness throughout the entire scale.

Their TOUCH is elastic and elastic, and entirely free from the stiffness found in so many Pianos. In WORKMANSHIP they are unexcelled, using none but the very best seasoned material, the large capital employed in our business enabling us to keep continually an immense stock of lumber, etc., on hand.

All our Square Pianos have our new Improved Overstrung scale and the Agraffe Treble.

We would call special attention to our late improvements in Grand Pianos and Square Grands, patented August 16, 1866, which bring the Piano nearer perfection than has yet been attained.

Pacific Guano Company's
(CAPITAL $1,000,000,)
SOLUBLE PACIFIC GUANO!

THE VALUE of this Guano is now so well known and appreciated, that it does not require further commendation from us.

The Company owns the Guano Islands, and other sources of supply from which its raw material is drawn. Hence, this Guano, possessing such high excellence, can be brought into market at a price not exceeding that of the ordinary Super-Phosphates of Lime.

The large capital invested by this Company affords the surest guarantee of the continued excellence of their fertilizer, as the safety of their capital depends upon continued and permanent business.

Experience has shown that this Guano ripens the Wheat crop from five to six days earlier than the Super-Phosphates.

It is the policy and purpose of the Company to furnish the best fertilizer that enterprise and capital, aided by the best scientific ability, can bring into market, at the lowest possible cost to consumers.
