### THE WAR GOES ON ...

There is the thunder of winter's heavy artillery over town and country...blast of snow and sleet, biting wind, penetrating chill ... and the ageless battle between man and the elements is renewed.

Today that ancient warfare in many respects is between Utility Service and nature. A defensive army - mobile, trained, well equipped and supported by swiftly functioning staff work—is ready for the emergency. At first call it swings into action, to stay there until peace with complete victory is achieved.

> In all seasons Utility Service fights your battles!
