The religious needs of the community are also supplied by Ott's Chapel, organized in 1873, by the Christians or Campbellites. It is now undenomina-

The Revolution And War Of 1812 During the battle of Cooch's Bridge, Iron Hill played an important part. The British had landed along the Elk River, and were expected to pass Iron Hill on their way to Philadelphia. General Greene recommended the hill as the place for decisive resistance. This was vigorously opposed by the Philadelphia cise and eat alike, yet one sleep an newspapers. The skirmish at Cooch's Bridge was a compromise between the opposing views. Washington made at least three visits to the hill to reconnoiter. The best known of these occurred on August 27, 1777, when he was accompanied by Generals Greene and Lafayette. This visit has been portray- ing gain in weight. Gain in weight had to learn to pilot a plane to play his ed by a painting by Stanley M.
