Manhood: How Lost, How Restored.

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the radical cure (without medicine) of SPERMATORRHŒA, or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc.; also, CONSUMPTION, Epilepsy and Fits, induced by self-indulgence or sexual extravaganes.

Price, in a sealed envelope, only 6 cents.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.

This Lecture should be in the hands of every youth and every man in the land.

And by Dealers in general throughout the Country.

THE SOMBRERO GUANO, of which MORO PHILIPS' PHOSPHATE is, and always has been manufactured, (and of which he has sole control for the United States,) contains *fifty per cent. more Bone Phosphate than Raw Bone*, therefore it is more durable. The *Ammonia* it contains is pure and ready to yield its value—*not* animal matter, capable of yielding its ammonia after decomposition in the soil.

Nothing is spared in its manufacture to render it the most valuable Super-Phosphate and Crop Producer in the market.

Eight years' experience has proved to the farmer that it is *durable* and can always be relied on as *uniform in quality*; and the numerous unsolicited testimonials continually received of its use in competition with other Fertilizers, attests that it has not been excelled.

THE GREAT VEGETABLE

COMPOUND FLUID EXTRACT

OF THE

IRIS VERSICOLOR

OR

BLUE FLAG.

The most powerful, safe and reliable remedial agent discovered for the healing of man. The wonderful properties of the Iris Versicolor, hitherto unknown or undeveloped, has been brought within the control of science, and is now taking its stand as principal among the blessings of medicine.

AS AN ALTERATIVE,

it acts directly upon the blood, cleansing and purifying the vital current of all the humors and taints which disease or malarious influences have planted there, and eradicating and neutralizing the effects of mercury or other poisons which may have been taken into the system. For this reason it is infallible as a remedy for SCROFULA, ERUPTIONS OF THE SKIN, INCIPIENT CONSUMPTION, DROPSY, &c., and will cure the most virulent and obstinate cases of

RHEUMATISM AND GOUT.

It is an unfailing preventative and cure for NEURALGIA, SICK HEADACHE and NERVOUS AFFECTIONS, and in

DISEASES OF WOMEN

it has no equal. Its action upon the *Liver* and *Kidneys* is prompt, salutary and effective, and it is this property which renders it one of the safest and most reliable

DIURETIC REMEDIES

known in the practice of medicine. Its excellent and skillful combination with other ingredients imparts to it

TONIC QUALITIES

of the highest order—not temporarily stimulating, but permanently invigorating the digestive organs, and rendering it a most valuable curative agent in cases of

Dyspepsia and General Debility.

By taking IRISIN the blood—which permeates all the tissues and is the life and nutrition thereof—is purified, rendering the whole system perfectly healthy.

REMEMBER.—This medicine is no offshoot of quackery, but the regular formula of a distinguished practitioner now a resident of Baltimore city, and so high does it stand in the favor and esteem of the intelligent and scientific that it has been adopted by physicians in their practice, and is daily being prescribed and recommended by the most eminent of the profession throughout the country. The better it becomes known the more highly is it praised and the more extensively is it used.
