THE LEVY LIST.—The most interesting table we have published for some time will be found on the first and second pages of to-day's News. It should be carefully studied by the tax-payer, and no doubt will be. It explains the expenditure of every dollar collected from the people for the ordinary expenses of the county, and there can be more satisfactory than such a full and clear presentation of the public expenditures. It is gratifying to find a reduction in taxation this year notwithstanding the increased expenditures for roads and bridges.

A REMEDY FOUND AT LAST TO CURE

HOG CHOLERA!

LIEBERMAN'S

Hog Cholera Remedy

WILL POSITIVELY *CURE* AND *PREVENT* HOG CHOLERA!

IT is not a new remedy, but has been tried and experimented with for two years and found that if used when the hogs are first attacked that it will cure the Diseased Hogs and prevent the contagion from spreading to the others in the same pen.

SYMPTOMS OF HOG CHOLERA:

It is essentially a malarial fever. The animal however fierce and obstinate formerly is found more gentle and tractable; it shows decided signs of fever, elevated temperature alternating with cold shivers; the ears are more or less loped; hindquarters weak and the hog shows a strong tendency to lie down on the least provocation and hide in the litter, rising only when wanting to drink; no appetite but great thirst. It often stands drawn together, with arched back and tucked-up abdomen. Its gait is staggering and its grunt weak. Its cough is weak and has a peculiar hollow sound, not easy to describe. It breathes hard, with pumping flanks and soon loses flesh. The skin is harsh and scaly and soon becomes discolored with purplish patches around the snout, between the forelegs and inside the thighs.

THOMPSON---Up Town.

TO THE PUBLIC GENERALLY:

Having been well patronized by the people of Chestertown and vicinity for the last seventeen years we tender our most sincere thanks for same and will in the future as in the past do our utmost to please all. We have and intend to keep in stock a full line of

Groceries, Provisions, Boots and Shoes, Notions, Domestic Dry Goods, Tinware, Queensware, &c., &c.,

all of which will be sold at close figures. We have now a Ladies Button or Lace Shoe at $1; a man's solid (or no sale) Plow Shoe at $1 a pair; a man's Dress Shoe at $1.25, $1.50, $2 and $2.50, and the best Glove Kid Top, kid front, worked buttonhole Shoe for Ladies and Misses at $1.75 that we ever saw—Having sold 600 pairs of them in two (2) years without one just complaint. We also have a Kid-top Shoe for Ladies at $1.25 a pair, but please bear in mind that when you buy a pair of $1.25 kid-top shoes of us you will not get our $1.75 shoe, as we only advertise what we can and will do and nothing more.

LIME, HAIR, WHITEWASH BRUSHES, &c. We are selling the W. J. Lime, which is said by both carpenters and masons to slack at least one-fourth more than other lime, and having made a special contract for same would like builder as well as whitewasher to call and get prices.

We also have Wm. Lea & Sons, C. A. Gambrill's, and other brands of FLOUR, which we are selling by the Pound, Bag or Barrel as cheap as it can be bought in the city for the cash, as we sell Flour by the barrel for the CASH ONLY.

☞We aim to keep a little of everything and by buying our goods close for cash and discounting all our bills we are enabled to meet all and any competition. Again thanking you for past favors we ask a continuance of same. Respectfully,

May 7, 1887. W. C. A. THOMPSON.
