SHRINER'S BALSAMIC COUGH SYRUP

Will cure the ASTHMA, BRONCHITIS, BLOOD SPITTING, DIFFICULTY OF BREATHING, PAIN and WEAKNESS IN THE CHEST, TROUBLESOME COUGHING AT NIGHT, &c. It will effectually remove the Cough that frequently follows Measles, and any affection of the respiratory organs, no matter of how long standing, or whatever the age of the person. It acts as a specific, is purely vegetable, and is pleasant to the taste. Its effect is soothing, allaying the violence of the cough, facilitating expectoration, quieting the nerves and exhilarating the system.

Mothers, Save Your Children!

No child need die of CROUP, if this Syrup is used in time: *this is a fact demonstrated by experience.* No family should be without this Syrup, as that fatal disease, CROUP, comes like a thief in the night, to steal away your little ones, when regular medical aid cannot be obtained.

BALTIMORE, Febuary 15, 1869

Messrs. Lieutaud & Co., Dear Sirs:—The "Antidote" which you sent me for examination, and aplication to any obstinate case of Intermittent Fever which might come under my notice, has been received. I have analyzed the contents, and after discovering the ingredients, and recognizing them as applicable to the disease in question, I determined to give it a trial. I did so, and found the therapeutic effects precisely in accordance with the character claimed for it by you; in no instance has it failed, frequently half a bottle being sufficient for the complete cure of cases of long standing; even those in which chronic enlargement of the Liver and Spleen had been superinduced. I regard it as a decidedly scientific discovery. I would recommend it to all sufferers of Chills and Fevers. WM. D. M. LARKIN, M. D.

THE GREAT VEGETABLE BLOOD PURIFIER.

IRISIN

COMPOUND FLUID EXTRACT

OF THE

IRIS VERSICOLOR

OR

BLUE FLAG.

The most powerful, safe and reliable remedial agent discovered for the healing of man. The wonderful properties of the Iris Versicolor, hitherto unknown or undeveloped, has been brought within the control of science, and is now taking its stand as principal among the blessings of medicine.

AS AN ALTERATIVE,

it acts directly upon the blood, cleansing and purifying the vital current of all the humors and taints which disease or malarious influences have planted there, and eradicating and neutralizing the effects of mercury or other poisons which may have been taken into the system. For this reason it is infallible as a remedy for SCROFULA, ERUPTIONS OF THE SKIN, INCIPIENT CONSUMPTION, DROPSY, &c., and will cure the most virulent and obstinate cases of

RHEUMATISM AND GOUT.

It is an unfailing preventative and cure for NEURALGIA, SICK HEADACHE and NERVOUS AFFECTIONS, and in

DISEASES OF WOMEN

it has no equal. Its action upon the *Liver* and *Kidneys* is prompt, salutary and effective, and it is this property which renders it one of the safest and most reliable

DIURETIC REMEDIES

known in the practice of medicine. Its excellent and skillful combination with other ingredients imparts to it

TONIC QUALITIES

of the highest order—not temporarily stimulating, but permanently invigorating the digestive organs, and rendering it a most valuable curative agent in cases of

Dyspepsia and General Debility.

By taking IRISIN the blood—which permeates all the tissues and is the life and nutrition thereof—is purified, rendering the whole system perfectly healthy.

REMEMBER.—This medicine is no offshoot of quackery, but the regular formula of a distinguished practitioner now a resident of Baltimore city, and so high does it stand in the favor and esteem of the intelligent and scientific that it has been adopted by physicians in their practice, and is daily being prescribed and recommended by the most eminent of the profession throughout the country. The better it becomes known the more highly is it praised and the more extensively is it used.

WM. KNABE & CO.,

MANUFACTURERS OF

GRAND, SQUARE AND UPRIGHT

PIANO-FORTES.

WAREROOMS—350 West Balt. St., near Eutaw, BALTIMORE, MD.

THESE instruments have been before the public for nearly thirty years, and upon their excellence alone attained *an unpurchased pre-eminence* which pronounces them unequaled.

Their TONE combines great power, sweetness and fine singing quality, as well as great purity of intonation, and evenness throughout the entire scale.

Their TOUCH is pliant and elastic, and entirely free from the stiffness found in so many Pianos. In WORKMANSHIP they are unexcelled, using none but the very best seasoned material, the large capital employed in our business enabling us to keep continually an immense stock of lumber, etc., on hand.

All our Square Pianos have our new Improved Overstrung scale and the Agraffe Treble.

We would call special attention to our late improvements in Grand Pianos and Square Grands, patented August 16, 1866, which bring the Piano nearer perfection than has yet been attained.

Every Piano fully warranted for Five Years.
